Seducing a Woman with Words - Lucas Lautier 2018-05-31

"Hi, how are you?" Do you count on seducing a girl with this kind of line?

Really? May he who has never ended up in the friendzone cast the first stone at me. We've all already found ourselves in this uncomfortable situation: the one where we try to go further with a friend before being gently rejected. And yet, by applying some powerful advice that would have allowed you to position yourself otherwise in the nascent relationship, you would surely be in a relationship with this woman at this time. The secrets I am about to pass on to you have made me the man I am today: a true and complete man who is aware of the hidden power of words. The seduction techniques that you will soon learn have allowed me to sleep with more than forty women at only 22 years old. Passionate about human psychology (and female beauty), I looked into the subject very early to reach my goals. I ended up mastering the tricks of the trade to a point where everything became too easy... Seducing a woman by SMS, approaching on Facebook or flirting on Tinder is child's play for me. This is what you're going to learn in this book: - How to never again end up in the Friendzone by learning the difference between a classic conversation and flirting (many people confuse the two). We don't talk to a friend in the same way that we would talk to a potential future girlfriend. - How to effectively start a conversation with a woman on a dating site or Facebook and make her want to get to know you, by differentiating yourself from other men. - How to never run out of subjects to talk about, by using the storytelling technique. - How to position yourself in the emerging relationship to be and continue to be the alpha-male and to control the upcoming sequence of events. - How to make a girl want you without seeming like a pervert. To handle the art of sexualisation like a God. - How to appear mysterious and make her crazy for you in a short amount of time. - How to be light-hearted, funny and endearing by using humour. The examples will be as real as can be and modelled on real conversations. All of the extracts from discussions which will be presented to you are not made up but rewritten versions of, or strongly inspired by, my past conversations: everything is authentic (except the names used for obvious confidentiality reasons). Ready to be part of the elite? The group of 5% of men who seduce Facebook, Tinder, Happn, Bumble, Match.com, OkCupid, Instagram and many others. And who sleep with all the women of their dreams.

Tinder Translator - Aileen Barratt 2022-10-05

The Tinder Translator is a dictionary of douchebaggery for the modern

dater - and a hilariously sharp read for all feminists - from Aileen Barratt of @tindertranslators. A fun small hardback, it is the perfect gift for friends (or for yourself), and will make you laugh, cry, think, and leave you feeling empowered and resilient. Ten years after the introduction of Tinder, dating apps have changed the terrain of human interaction, but many feel like they've been sent into the wilderness without a guide. For those dating cis-het men especially, the blatant misogyny encountered during every swipe session is depressing and enraging in equal measure. And then there is the not-so-blatant stuff. Scrolling through profile after profile, you'll see the same stock phrases - 'Good vibes only.' 'Must have banter.' 'Just ask.' But what do they actually mean? The Tinder Translator, aka Aileen Barratt, takes you through an A to Z of terminology that permeates not just the dating world but the wider world. Through her Instagram account, Aileen has heard from thousands of people on their dating experiences, in addition to her own three and half years spent on dating apps after separating from her husband of ten years. This book is part reference, part rant and part rallying cry for anyone navigating the sometimes gross and exhausting experience of dating, but also just for everyone who is sick of the patriarchy, whatever their relationship status.

anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
