Twenty-Six Men and a Girl - Maksim Gorky 1906

There were six-and-twenty of us Ñ six-and-twenty living machines in a damp, underground cellar, where from morning till night we kneaded dough and rolled it into kringels. Opposite the underground window of our cellar was a bricked area, green and mouldy with moisture. The window was protected from outside with a close iron grating, and the light of the sun could not pierce through the window panes, covered as they were with flour dust. Our employer had bars placed in front of the windows, so that we should not be able to give a bit of his bread to passing beggars, or to any of our fellows who were out of work and hungry. Our employer called us rogues, and gave us half-rotten tripe to eat for our mid-day meal, instead of meat. It was swelteringly close for us cooped up in that stone underground chamber, under the low, heavy, soot-blackened, cobwebby ceiling. Dreary and sickening was our life between its thick, dirty, mouldy walls. Unrefreshed, and with a feeling of not having had our sleep out, we used to get up at five o'clock in the morning; and before six, we were already seated, worn out and apathetic, at the table, rolling out the dough which our mates had already prepared while we slept. The whole day, from ten in the early morning until ten at night, some of us sat round that table, working up in our hands the yielding paste, rolling it to and fro so that it should not get stiff; while the others kneaded the swelling mass of dough. And the whole day the simmering water in the kettle, where the kringels were being

cooked, sang low and sadly; and the baker's shovel scraped harshly over the oven floor, as he threw the slippery bits of dough out of the kettle on the heated bricks. Ê

Dawn of the Morning - Grace Livingston Hill 2023-11-10

"Dawn of the Morning" tells the story of Dawn Rensselaer, a runaway bride, who fled her husband after being tricked into marriage. The author, Grace Livingston Hill was an early 20th-century novelist and wrote both under her real name and the pseudonym Marcia Macdonald. She wrote over 100 novels and numerous short stories and her characters are most often young female Christian women or those who become so within the confines of the story. Hill's messages are simple in nature: good versus evil. As Hill believed that the Bible was very clear about what was good and evil in life and had firm faith God's ability to restore everything, the same belief was also reflected in her own works. Even today Hill's novels are widely read and appreciated for their romance and their inspiring life lessons.

[The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading

anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Amazing Marriage (Complete) - George Meredith 1930-01-01

Everybody has heard of the beautiful Countess of Cressett, who was one of the lights of this country at the time when crowned heads were running over Europe, crying out for charity's sake to be amused after their tiresome work of slaughter: and you know what a dread they have of moping. She was famous for her fun and high spirits besides her good looks, which you may judge of for yourself on a walk down most of our great noblemen's collections of pictures in England, where you will behold her as the goddess Diana fitting an arrow to a bow; and elsewhere an Amazon holding a spear; or a lady with dogs, in the costume of the day; and in one place she is a nymph, if not Diana herself, gazing at her naked feet before her attendants loosen her tunic for her to take the bath, and her hounds are pricking their ears, and you see antlers of a stag behind a block of stone. She was a wonderful swimmer, among other things, and one early morning, when she was a girl, she did really swim, they say, across the Shannon and back to win a bet for her brother Lord Levellier, the colonel of cavalry, who left an arm in Egypt, and changed his way of life to become a wizard, as the common people about his neighbourhood supposed, because he foretold the weather and had cures for aches and pains without a doctor's diploma. But we know now that he was only a mathematician and astronomer, all for inventing military engines. The brother and sister were great friends in their youth, when he had his right arm to defend her reputation with; and she would have done anything on earth to please him. There is a picture of her in an immense flat white silk hat trimmed with pale blue, like a pavilion, the broadest brim ever seen, and she simply sits on a chair; and Venus the Queen of Beauty would

have been extinguished under that hat, I am sure; and only to look at Countess Fanny's eye beneath the brim she has tipped ever so slightly in her artfulness makes the absurd thing graceful and suitable. Oh! she was a cunning one. But you must be on your guard against the scandalmongers and collectors of anecdotes, and worst of any, the critic, of our Galleries of Art; for she being in almost all of them (the principal painters of the day were on their knees for the favour of a sitting), they have to speak of her pretty frequently, and they season their dish, the coxcombs do, by hinting a knowledge of her history.

I Have a Friend that Sticks Closer than a Brother, His Name is Jesus - Pastor Christine Peebles 2022-08-22

I have a friend that sticks closer than a brother, and his name is Jesus. Solomon spoke a word in Proverbs 17:17, saying, "A friend loves at all times." Talking about a friend that sticks closer than a brother and a friend that loves at all times, I had biological brothers and sisters, but none of them were in my life. I was the only one out of eight that was not in the home with them. On September 25, 1975, when I found my way to the Cross, Jesus told me, "I will never leave you, nor will I forsake you. I'm going to be with always." On June 19, 2021, I was at my church that Saturday morning, crying and praying. I felt so all alone. I was under such heavy burdens. I felt like what the prophet Isaiah said, "When the enemy shall come in like a flood." As I was crying, talking to the Lord, telling him, "I feel so all alone. I don't have anybody," I heard Jesus say unto me, "I am your friend that sticks closer than a brother." Jesus told me, "Begin writing the book, and title it I Have a Friend That Sticks Closer than a Brother, His Name Is Jesus."

Seducing a Woman with Words - Lucas Lautier
2018-05-31

"Hi, how are you?" Do you count on seducing a girl with this kind of line? Really? May he who has never ended up in the friendzone cast the first stone at me. We've all already found ourselves in this uncomfortable situation: the one where we try to go further with a friend before being gently rejected. And yet, by applying some powerful advice that would have allowed you to position yourself otherwise in the

nascent relationship, you would surely be in a relationship with this woman at this time. The secrets I am about to pass on to you have made me the man I am today: a true and complete man who is aware of the hidden power of words. The seduction techniques that you will soon learn have allowed me to sleep with more than forty women at only 22 years old. Passionate about human psychology (and female beauty), I looked into the subject very early to reach my goals. I ended up mastering the tricks of the trade to a point where everything became too easy... Seducing a woman by SMS, approaching on Facebook or flirting on Tinder is child's play for me. This is what you're going to learn in this book: - How to never again end up in the Friendzone by learning the difference between a classic conversation and flirting (many people confuse the two). We don't talk to a friend in the same way that we would talk to a potential future girlfriend. - How to effectively start a conversation with a woman on a dating site or Facebook and make her want to get to know you, by differentiating yourself from other men. - How to never run out of subjects to talk about, by using the storytelling technique. - How to position yourself in the emerging relationship to be and continue to be the alpha-male and to control the upcoming sequence of events. - How to make a girl want you without seeming like a pervert. To handle the art of sexualisation like a God. - How to appear mysterious and make her crazy for you in a short amount of time. - How to be light-hearted, funny and endearing by using humour. The examples will be as real as can be and modelled on real conversations. All of the extracts from discussions which will be presented to you are not made up but rewritten versions of, or strongly inspired by, my past conversations: everything is authentic (except the names used for obvious confidentiality reasons). Ready to be part of the elite? The group of 5% of men who seduce Facebook, Tinder, Happn, Bumble, Match.com, OkCupid, Instagram and many others. And who sleep with all the women of their dreams.
