The Girl with the Louding Voice - Abi Daré 2021-02-23

AN INSTANT NEW YORK TIMES BESTSELLER A READ WITH JENNA TODAY SHOW BOOK CLUB PICK! "Brave, fresh . . . unforgettable."—The New York Times Book Review "A celebration of girls who dare to dream."—Imbolo Mbue, author of Behold the Dreamers (Oprah's Book Club pick) Shortlisted for the Desmond Elliott Prize and recommended by The New York Times, Marie Claire, Vogue, Essence, PopSugar, Daily Mail, Electric Literature, Red, Stylist, Daily Kos, Library Journal, The Everygirl, and Read It Forward! The unforgettable, inspiring story of a teenage girl growing up in a rural Nigerian village who longs to get an education so that she can find her "louding voice" and speak up for herself, *The Girl with the Louding Voice* is a simultaneously heartbreaking and triumphant tale about the power of fighting for your dreams. Despite the seemingly insurmountable obstacles in her path, Adunni never loses sight of her goal of escaping the life of poverty she was born into so that she can build the future she chooses for herself – and help other girls like her do the same. Her spirited determination to find joy and hope in even the most difficult circumstances imaginable will "break your heart and then put it back together again" (Jenna Bush Hager on The Today Show) even as Adunni shows us how one courageous young girl can inspire us all to reach for our dreams...and maybe even change the world.

The Female Voice of Myanmar - Nilanjana Sengupta 2015-12-09

The Female Voice of Myanmar seeks to offer a female perspective on the history and political evolution of Myanmar. It delves into the lives and works of four of Myanmar's remarkable women who set aside their lives to answer the call of their country: Khin Myo Chit, who spoke about latent sexual politics in pre-Independent Burma; Ludu Daw Amar, who as the editor of the leftist Ludu Daily, was deemed anti-establishment and was witness to the socialist government's abortive efforts at ethnic reconciliation; Ma Thida, whose writing bears testimony to the impact the authoritative military rule had on the individual psyche; and Aung San Suu Kyi, who has re-articulated Burmese nationalism. This book breaks new ground in exploring their writing, both published and hitherto unexamined, some in English and much in Burmese, while the intimate biographical sketches offer a glimpse into the Burmese home and the shifting feminine image.

Girl Zines - Alison Piepmeier 2009-11-18

Stroll through any public park in Brooklyn on a weekday afternoon and you will see black women with white children at every turn. Many of these women are of Caribbean descent, and they have long been a crucial component of New York's economy, providing childcare for white middle- and upper-middleclass families. *Raising Brooklyn* offers an in-depth look at the daily lives of these childcare providers, examining the important roles they play in the families whose children they help to raise. Tamara Mose Brown spent three years immersed in these Brooklyn communities: in public parks, public libraries, and living as a fellow resident among their employers, and her intimate tour of the public spaces of gentrified Brooklyn deepens our understanding of how these

women use their collective lives to combat the isolation felt during the workday as a domestic worker. Though at first glance these childcare providers appear isolated and exploited—and this is the case for many—Mose Brown shows that their daily interactions in the social spaces they create allow their collective lives and cultural identities to flourish. Raising Brooklyn demonstrates how these daily interactions form a continuous expression of cultural preservation as a weapon against difficult working conditions, examining how this process unfolds through the use of cell phones, food sharing, and informal economic systems. Ultimately, Raising Brooklyn places the organization of domestic workers within the framework of a social justice movement, creating a dialogue between workers who don't believe their exploitative work conditions will change and an organization whose members believe change can come about through public displays of solidarity.

A Nest of Linnets (Illustrations) - Frank Frankfort Moore 2014-11-02

Example in this ebook CHAPTER I "This will never do, Betsy," said Mr. Linley, shaking his head. "Sir Joshua calls you Saint Cecilia, but 'twere a misnomer if you do not sing the phrase better than you have just sung it. 'She drew an angel down': let that be in your mind, my dear. There is no celestial being that would move a pinion to help a maiden who implored its aid in so half-hearted a way. Let us try again. One, two, three—" "Angels, ever bright and fair," sang Miss Linley. Her father sprang from the harpsichord. "Gracious powers, madam! the angels are not in the next room—they are not even in Pierrepont Street, take my word for it; they are in heaven, and heaven, let me tell you, is a very long way from Bath!" he cried. "Give forth the 'Angels' as if you meant to storm the ears of heaven with your cry. Think of it, girl—think that you are lost, eternally lost, unless you can obtain help that is not of earth. Stun their ears, madam, with the suddenness of your imploration, and let the voice

come from your heart. Betsy, that smile is not in the music. If Maestro Handel had meant a smile to illuminate the part, take my word for it he would have signified it by a bar of demi-semi-quavers, followed by semi-quavers and quavers. Good heavens, madam! do you hope to improve upon Handel?" "Ah, father, do not ask too much of me to-night; I am tired—anxious. Why, only last week a highwayman—" Miss Linley glanced, eagerly listening, toward the window, as if she fully expected to see the mask of a highwayman peering between the blinds. "Betsy, I am ashamed of you!" said her father. "What stuff is this? Is there any highwayman fool enough to collect fiddles? Do you fancy that a boy with a fiddle tucked under his arm is in any peril of a bullet?" "But they may affright the child." "Child? Child? Who is the child? What! Do you think that because you have not seen your brother since he was fourteen, the four years that have passed can have made no impression on him?" "I suppose he will have grown." "You may be sure that he will be able to defend himself without drawing either his sword or his fiddle. To your singing, Betsy. Go back to the recitative." "It would be a terrible thing to find that he had outgrown his affection for us. I have heard that in Italy—" "Still harping on my daughter's brother! Come, Miss Linnet, you shall have your chance. You shall fancy that your prayer is uttered on behalf of your brother. 'Angels, ever bright and fair, Take, oh, take him to your care.' Now shall the angels hear for certain. Come, child; one, two—" "'Angels—'" sang Miss Linley. "Brava!" cried her father sotto voce, as the sound thrilled through the room and there was a suggestion of an answering vibration from the voice of the harpsichord. "'Angels, ever bright and fair, Take, oh, take me—'" The harpsichord jingled alone. The girl's voice failed. She threw herself into a chair, and, covering her face with her hands, burst into a passion of sobbing. "Oh, if he does not arrive after all—if some accident has happened—if—if—" The apprehensions which she was too much overcome to name were emphasised in the glance that she cast at her father. Her eyes, the most marvellous wells of deep tenderness that ever woman possessed, at all times suggested a certain pathetic emotion of fear, causing every man who looked into their depths to seek to be her protector from the danger

they seemed to foresee; but at this moment they appeared to look straight into the face of disaster. To be continue in this ebook

"What's a Man Without a Woman ...?" - Gender Constructions in Carol Ann Duffy's "The World's Wife" - Antje Peukert 2010-10

Seminar paper from the year 2003 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Potsdam, course: Genre and Gender, language: English, abstract: History has always been a space of male deeds, male achievements, male gain or loss. Or so one is made to believe in retrospection. Of course women were not absent from history but they certainly are to a great extent from historical representations. Patriarchy dominated Western culture for more than two thousand years and supplied the framework for what is to be known and how, i.e. in which contexts, it is to be known. Historical material has always been scarce but in regard to women it is almost non-existent. So women rightfully started to ask where their part in history was or why they have been consequently written out of history instead of being included. A necessity arose to deconstruct certain historical "truths" and

to make women visible in and show their relevance to our past to build up strength and to obtain a voice or rather voices in order to question the present and the past systems. In this paper I examine Carol Ann Duffy's *The World's Wife*, whose poetry runs very much in above line. I will concentrate on the gender constructions established within *The World's Wife*. Even though Duffy questions traditional conceptions of men and women and their relationships with each other, she maintains a binary gender structure. The first chapter therefore deals with a general overview of gender conceptions constructed in and through the poems. The second and third chapter will take a closer look at certain poems. I think the poems weave their own web of femininity. In a circular movement they refer to past and future thus describing a female/feminist tradition. Accordingly the first and the last poem, *Little Red Cap* and *Demeter*, form the outline of the circle, not only in regard to their position but also by implicitly referring to each other. My third chapter will extend the

Love Her Well - Kari Kampakis 2020-08-18

Now an ECPA Best Seller—Kari Kampakis's *Love Her Well* gives moms ten practical tips for how to build strong and lasting relationships with their daughters. For many women, having a baby girl is a dream come

true. But as girls grow up, the narrative of innocence and joy changes to one of dread as moms are told, "Just wait until she's a teenager!" and handed a disheartening and too-often-true script about a daughter's teenage season of life. Author, blogger, and mom to four daughters Kari Kampakis thinks it's time to change the narrative and mind-set that leads moms to parent teen girls with a spirit of defeat instead of strength. *Love Her Well* isn't a guide to help mothers "fix" their daughters or make them behave. It's about a mom's journey, doing the heart-work necessary to love a teenager while still being a steady, supportive parent. Kari offers wisdom about how moms can: Choose their words and timing carefully. Listen and empathize with her teen's world. See the good, and love her for who she is. Take care of themselves and find a support system in the process. By working on the foundation, habits, and dynamics of the relationship; mothers can connect with their teen daughters and earn a voice in their lives that allows moms to offer guidance, love, wisdom, and emotional support. Kari gives mothers hope, wisdom, and a reminder that all things are possible through God, who is the source of the guidance and clarity they need in order to grow strong relationships with their daughters at every age—especially during the critical teen years.

Guerrilla Girl: A Girl's echoing voice in the Zimbabwe Chimurenga - Helen Gamanya 2023-03-05

Southern Rhodesia was a colony of the British Empire. In 1980, it gained independence as modern-day Zimbabwe, after a long liberation struggle, and a bitter guerrilla war. *Guerrilla Girl* tells the story of Shupai, and her journey to liberation. Follow her from impoverished childhood in a convent school in rural Rhodesia; to her experiences of discrimination and injustice as a young woman in the capital Salisbury; her radical awakening amongst youth political groups; to her transformation into a highly trained freedom fighter. The women of Zimbabwe had to fight for liberation on two fronts: from the domination of the common colonialist enemy, and from the male chauvinism of their countrymen. Most African men in Zimbabwe found it hard to accept women as fighters, let alone as armed guerrillas. Women had a hard time asserting themselves as capable and trusted liberators, always in danger of being put down by

their male counterparts. Whilst the names of the characters are fictitious, the majority of events and places are true.

Girls and Their Comics - Jacqueline Danziger-Russell 2013

This book discusses the overall history of the comic book, paying special attention to girls' comics, showing how such works relate to a female point of view. While examining the concept of visual literacy, Jacqueline Danziger-Russell asserts that comics are an excellent space in which the marginalized voices of girls may be expressed. This volume also includes a chapter on manga (Japanese comics), which explores the genesis of girls' comics in Japan and their popularity with girls in the United States. Including interviews with librarians, comic creators, and girls who read comics and manga, *Girls and Their Comics* is an excellent examination of the growing interest in comic books among young females.
