Pisces - Mr. Imagination - Tiana Laveen 2018-03-14

PLEASE NOTE: This book contains adult content. Welcome to the "Zodiac Lovers Series" - The 12 Signs of Love. This is a series which features a hunky hero for each zodiac sign of the year! All novels in this series are standalone, so you can purchase any or all of them as you wish, without missing a beat. Each Hero embodies typical characteristics of their zodiac sign, but please bear in mind, this is simply for fun and not intended to mean that men of any sign mentioned will act as described. Each unique tale chronicles the life of the hero and heroine's quest for love and romance. Some of the heroes are serious and brooding, others capricious and fun-loving. Some of the tales will feel like a modern-day fairytale while others will take a more serious tone. Some of these stories may lie somewhere in between. This series is written from the heart and gathered from the stars. Enjoy! BLURB Paxton Starr is a world-famous illusionist. Deemed a mastermind in his field, he is often described as a modern-day Houdini with the ability to levitate and make purple flower petals rain from the sky. Yet, when not performing, he shies away from the limelight. People know little about the private life of this untouchable, enigmatic man-not much past the fact that he enjoys a good glass of cognac and taking a dive in the pool, or better yet, when the time allows, in the Pacific Ocean. That is, until one headstrong reporter for the Las Vegas Sun, Ivy Faye, gets the once-in-a-lifetime opportunity to conduct an exclusive interview with him. Ivy is driven, savvy, and a self-proclaimed proud manipulator. This has gotten her far in her line of business and she will stop at nothing to get her award-winning exclusives. Treating Mr. Starr as one of many to unravel, she has no idea about what she has signed up for. Starr is no ordinary man and it will take more than a pretty smile and well-placed words to find out what makes him tick. What begins as a typical weekend interview turns into an inferno of hot chemistry and more unanswered questions. Paxton is not willing to put all his playing cards on the table, but Ivy's conflicting career goals and attraction for him force them both into a position neither dreamed possible. What do you do when friends betray you, love comes waltzing in, and the roll of the dice amounts to more than luck? Paxton forces Ivy to discover that the true illusionist may not be him. It could very well be the woman in the mirror...
