Join Mike and Lynn as they navigate assassins, scheming princes, conspiracy-

It was 9th of February 2014, in Maa Kalkaa's temple, when Zindagi asked me to write our story in the form of a novel. I was utterly astounded to see such a wish coming from her, but such was my love for her that it didn't take me even seconds to say a yes. When I wanted to prove my love to her by writing this novel, nowhere in my mind had I thought that my love story would take such a tragic turn. The Heart Transplant of my Girlfriend is just a small attempt to fulfil the promise that I made to the most beautiful girl of my life. "Sometimes, promises are also kept in people's absence."

Love Conquers All - Lenny & Vandy Singleton
2015-04-30

Do you believe in miracles? Do you want to believe that Love (with a capital "L") does indeed conquer all? Love Conquers All is a story about a white woman finding a long-lost black friend after twenty-eight years. Lenny has been incarcerated for more than nineteen plus years

for six "grab and dash" robberies committed in six days while he was under the influence of alcohol and crack cocaine. Now facing two life sentences plus one hundred years, Lenny has been sentenced to die in prison even though there has not been one victim impact statement made against him. In their journey through his incarceration, her divorce, discovering cancer, and having major surgeries to prevent paralysis from the neck down, they fall inexplicably in Love - with a capital "L." But they must overcome huge obstacles, for both have received death sentences. Written in letter format, this story is raw, honest, and true-to-life in describing their spiritual transformations. It is a self-help manual, an examination of the brain and a testament to the power of our thoughts to create our reality. It is an honest exploration of many of the systems that make up our world: the criminal justice system, the healthcare system, religious systems, the education system, government systems, and the judicial system. It

examines nature and man's relationship to it. It shows the family unit in all of its dysfunction and includes an examination of humanity's uglier side in terms of how it deals with racism, addiction, disparity, injustice, mental illness, obesity, apathy, complacency, and shame and sin. But more importantly, it is a story of redemption, gratitude, hope, and grace. This story offers a discovery of how miracles occur. It pays homage to the truth that Love does indeed conquer all.

My girlfriend is the cutest in the world -

Michael Lincolnhol

One day, roommates discussed what the cutest female student must have? From start to finish, To Lam didn't say a word, waited until everyone finished speaking, then mocked a sentence with contempt, "According to these standards of yours, you just need to grow up a little beautiful, short and stupid. A little fool can be called cute." Later, when he chose French as an elective subject, he felt someone poking his back. Turning around, he saw a small girl. Big eyes, white skin, easy to grow up, a bit modest height, at first glance... both stupid and fragile... Loc Vien Vien looked at the handsome face of the male student, and carefully asked: "Classmate, it's too embarrassing, can you give up a bit... come inside for a bit?" The sound is very small,

Strangers Assume My Girlfriend Is My Nurse - Shane Burcaw 2019-04-30

With his signature wit, twenty-something author, blogger, and entrepreneur Shane Burcaw is back with an essay collection about living a full life in a body that many people perceive as a tragedy. From anecdotes about first introductions where

people patted him on the head instead of shaking his hand, to stories of passersby mistaking his able-bodied girlfriend for a nurse, Shane tackles awkward situations and assumptions with humor and grace. Shane Burcaw is one half of the hilarious YouTube duo, Squirmy and Grubs, which he runs with his girlfriend, now fiancée, Hannah Aylward.
