"I will never marry you." I said in a low voice filled with venom. He moved close. His hands moved to my waist. His hold was firm. His face was so close that his nose touched mine. I shut my eyes tightly. "Stop being so difficult for once, Aanya." He whispered. "Let go of me, Hussein." I said and pushed him with all my might. Hussein didn't expect this from. He stumbled back but quickly balanced himself. I quickly moved away from him and was about to go out when Hussein grabbed my elbow and roughly pulled me back. He pinned me to the wall and placed his lips on mine. He started to kiss me roughly. But this

time I didn't give in. I didn't kiss him back.

\*\*\*\*\*Aanya is a kind hearted, simple and beautiful girl. She loves her family to bits. And she can do anything to protect them. Hussein is an arrogant, ruthless playboy billionaire born with a silver spoon in his mouth. He always gets what he wants. His ego is bigger than the highest peak in the world. What happens when these two guys from two different worlds meet? What happens when Aanya bruises his ego? What happens when the spark of revenge ignites the fire of love? The Billionaire's Revenge is not a typical love story of a billionaire and a girl. I will simply say that always expect the least unexpected twists and turns from this book. It's a roller coaster ride and I'm sure you'll enjoy it.

Gradually, Lucie realizes that Beast is an entirely different creature from the handsome chevalier, with a heart more human than Jean-Loup's ever was. Lucie dares to hope that noble Beast has permanently replaced the cruel Jean-Loup — until an innocent beauty arrives at Beast's château with the power to break the spell.
