Sex Game - Marcus Blake 2007-09-01

Sex, love, distrust, and a looming curiosity is the battlefield for which the game of love is played. Its a game of curiosity for the players as they make their way through the sex games of dating in the 21st century. This is the story of 10 people as they date and try to find love in the modern age while their lives are intertwined with one another. As told by Trinidad, owner of the local bar that they all visit in their spare time, Sex Game centers on four stories with multiple themes that convey one question- what does it take to find true love in the modern age. The characters will love, betray, distrust, give up, and fight for what they believe is their true love. They will make hard choices along the way and in the end these characters will play the sex game. Sex Game is a satirical and enduring story of finding love in the modern age. With marriage in a decline, divorce as common as the air we breathe, and all the different ways to meet people through a variety of dating services Marcus Blakes story explores the different scenarios that people go through to find true love and the tragic events that they go through to get there. This is Marcus Blakes story that poses two very important questions when it comes to dating today-what does it really take to find love and what are we willing to do for it? Bdsm Sex Slaves - Huge Bonus Edition - 10 Books in One! - E. Taylor 2014-02-10

My first lifestyle love, my first Master, showed me a world I had never even imagined. It's no wonder I was in love with him. He promised me the world and I was naive enough to believe him. His teaching was simplistic, yet intense. He called it love but his love was blind. Over time I outgrew him. He didn't really mind that I wanted to go and you don't get that which you won't fight for. The truth is he never really wanted me, he just liked knowing I was there. He knew he could walk through the door and my body would ache for his touch, and he was right. I played with others, experimented here and there but it was last summer that I found a man that stirred me as deeply as my first Dom. I smile at the thought. He was something special. Every day for weeks he told me I was beautiful. He looked at me like he was looking into the face of love. He spoiled me like no one in my life ever had. Even when he was out of town he made it feel

like we were never apart. Every night when we were away from each other he undressed, grabbed his pillows and curled up on Skype. We fell asleep with our cameras going. A thousand miles apart but so close. It was everything we imagined and the sex was unbelievable. But all good things come to an end and I'm once again searching. --- The time and world they lived in made these lovely ladies BDSM sex slaves. Society expected their submission and they were happy to give it. This is a time when the town priest commanded more respect than the mayor. He also enjoyed much more freedom sexually with the ladies than he does now. So many female bisexual BDSM sex slaves were trained, disciplined and enjoyed. Often it was part of their spiritual purification. Read all about it as it's based on a true story! Included in this book are nine additional bonus books (making this big book a \$69.50 value!) Your ten books are presented in the following order: 1) Excuse for Sadism: How the Inquisition Beat the Devil Out of Cathar Women 2) Spanking Dictionary (Adult Erotica) 3) Bare Bottom Spankings (The Las Vegas Adventure) 4) The Absolutely Essential Guide to Erotic Breast Massage 5) 14 Male-Female Anal Sex Stories 6) Master and Submissive or Slave BDSM Contract 7) Master Punishes His Slave Girl with 10 Hard Spankings 8) Women's Prison Spankings 9) Bed Arrest, the Punishment for BDSM Enthusiasts 10) BDSM Sex Slaves Publisher's Note: This book contains explicit sexual content and BDSM. All characters are of legal age. Hello everybody! Your opinion is very important! If you like this book please make sure to leave a review. Thank you!

Deciding to have sex for the first time is a choice that's often fraught with anxiety and joy. But do you have anyone telling you what sex is really like? In *The V-Word* seventeen writers (including Christa Desir, Justina Ireland, Sara Ryan, Carrie Mesrobian, Erica Lorraine Scheidt, and Jamia Wilson) pull back the sheets and tell all, covering everything from straight sex to queer sex, diving-in versus waiting, and even the exhilaration and disappointment that blankets it all. Some of their experiences happened too soon, some at just the right time, but all paint a broad picture of what first-time sex is really like.

The Men on My Couch - Brandy Engler

2012-12-31

WHAT MEN WANT. WHAT MEN FEEL. WHAT WOMEN NEED TO KNOW. When Dr. Brandy Engler opened her sex therapy practice for women in Manhattan, she got a big surprise. Most of the calls were from men. They wanted to talk about womanizing, porn addiction, impotence, prostitutes—and most of all, love. Her patients were everyday guys from all walks of life. Among them were David, the Wall Street hotshot and compulsive womanizer; Charles, an introvert who kept pushing away the fiancée he thought was too beautiful for him; Paul, the self-made man who visited massage parlors despite his sexy wife; and the men's group whose stark revelations about male anger and their search for the right woman will open your eyes. In *The Men on My Couch*, Dr. Engler allows readers inside those private sessions to witness her exciting and evocative encounters with what men desire and fear. Dr. Engler tells her own story, too. At first her patients' revelations are painful and disconcerting, especially against the backdrop of her own difficult love affair. Yet Dr. Engler lets readers experience how she evolves both professionally and personally, from chagrin to compassion, and reconciles her idealized notions of love and sex with the unexpected and raw truths she hears in the office. *The Men on My Couch* is unlike books you've read before. There are no tired facile conclusions or pejorative generalizations. Here are fresh insights into modern sexual maladies, gleaned from real people having real struggles and experiencing real epiphanies—in the real world. This book will change how both women and men think about love, sex, and desire.

Better Than Ever - Bernie Zilbergeld 2004

Is it better than ever? Now that the children have grown and there's more time on your hands as a couple, are you finding that the love and

intimacy has gone from your life? It is a fact that as we mature, our sexual drives mature as well, but it is also a fact that while you may slow down and your lovemaking may be different than it was in your youth, that doesn't mean that the quality has to be lower or your pleasure less. In this honest, yet light-hearted volume, replete with delightful stories and anecdotes that present a variety of tools and techniques to help us all develop the kind of openness we desire, Bernie Zilbergeld, well-known sex therapist and author of the widely quoted, "The New Male Sexuality," draws on his many years of clinical and life experience. He explains why we should be enjoying our lovemaking and our intimacy even more than ever and certainly better than ever. Although it's true you are probably going to get to know your doctor much better as you grow older, and probably your pharmacist as well, Dr. Zilbergeld shows how all of us can choose whether we are either going to be "Lovers" in our life or "Non-Lovers."

Meticulously researched, based on 145 interviews with men and women ages 45 to 87, Dr. Zilbergeld presents evidence that a good number of men and women are having great sex in both their long- and short-term relationships. He shows you how you can learn from the "Lovers" who are the relationship experts among us. Read this book and you will go away knowing that your love life and your intimate relationships can be just as strong today as 10, 20, or even 30 years ago. You will learn about: - The myths and realities about sex and aging - Normal physical changes in men and women - Lovers and Non-Lovers --where do you fit in? - Problem-solving and what's health got to do with it? - Medications and their uses - How to talk sexy--at any age Don't just complain about your love life, get started today to make it better than ever!
