Taming the Bad Boy - Jolie Moore 2019-04-30

From up here on stage, I can see her. Even with her First Lady hair and Sunday school shoes, I can't take my eyes off of her. The music starts. I swing my hips to the thumping bass. Oh, so slowly I slip one button

through a hole, then another, then another. I ease the black silk from my shoulders and toss it right toward her. I watch her pale glossy lips form a big 'O' before she catches it like a major league baller. The flashing lights blind me. Between beats, I can see her blue eyes zeroed in below my waist. I know what she wants. I give it to her. With a zip and a tug, the leather pants join the rest of my clothes. In my skin tight briefs, I dance just for her. With the last chord of the song, the stage goes dark. I know when the lights come up again, another guy will be dancing in my place because this is my last time. I'm not doing this ever again. It's too bad I didn't get her name. I really liked that shirt. But not enough to go back and claim it. If she wants me bad enough, she'll have to find me. Perhaps this was the real life, and slowly he fell in love with it. But could it really be as he wished ...Would the beautiful Ye Lan fall in love with him? "

A Test of Loyalty - Aislee Greenwood 2018-08-28

Have you ever felt like something was missing in your life? Perhaps there's something you want to do, but your parents or the government say no. Maybe someone in your life has been cruel to you, or you see the people in charge being cruel to others. But you're only a kid. What can you do? Author Aislee Greenwood's *A Test of Loyalty* introduces you to several young characters who have similar issues with their lives. All Lily ever wanted was the freedom to express herself: not to sit quietly by and allow her parents to plan her entire future. Kearne longs to escape the wrath of his cruel, short-tempered father, who never misses an opportunity to remind him exactly who's in charge. And Prince Baline, who has never agreed with his family's treatment of the lower class, longs desperately to help one of the maids in his castle earn the freedom she deserves. Unfortunately, he's also trying very hard to stop his family from going to war with Lily's kingdom, and it's taking a lot of his attention. *A Test of Loyalty*, part one in the *Taming Fire Series*, is a reminder that most of us have things about our lives we would like to change. And it adds insight to the question, Is there a way for every person to have a happy ending?

"The pages of this play are taken from an old book; Shakespeares Works, Volume II. The publisher page long since missing. This volume held 11 plays. I made a suite of eight Concealed Within Objects with this volume. Concealed Within books are an ongoing series of unique, un-openable book objects. Original book pages are folded, then bound with cord, collaged with mixed media, papers, painting, and screen printing. This bundle is then sealed with hot wax. Each book is housed in a matching slipcase. This series speaks to the appreciation of the tangible qualities of a book, but also to the implication of the inability to access the content."--23 Sandy Gallery website (viewed June 1, 2018).
