Vampires Never Get Old: - V.E. Schwab 2021-05-25

Eleven diverse vampire stories from YA's leading voices, including V.E. Schwab's *First Kill*, soon to be a major Netflix adaptation! SINK YOUR TEETH INTO THIS... In this delicious new collection, you'll find eleven fresh vampire stories from young adult fiction's leading voices. Enter 'The House of Black Sapphires' by Dhonielle Clayton, and discover the secret world of vampires and magic behind the doors of New Orleans. Meet 'The Boys From Blood River' by Rebecca Roanhorse and their enticing power and terrible sacrifices. And in V.E. Schwab's 'First Kill', witness the centuries-old struggle between vampire and slayer - and the thrill of forbidden love. Vampires lurking on social media, vampires hungry for more than just blood, vampires coming out - and going out for their first kill - this collection puts a new spin on the age-old classic.

The Route of Ice and Salt - José Luis Zárate 2021-01-19

A reimagining of Dracula's voyage to England, filled with Gothic imagery and queer desire. It's an ordinary assignment, nothing more. The cargo? Fifty boxes filled with Transylvanian soil. The route? From Varna to Whitby. The Demeter has made many trips like this. The captain has handled dozens of crews. He dreams familiar dreams: to taste the salt on the skin of his men, to run his hands across their chests. He longs for the warmth of a lover he cannot have, fantasizes about flesh and frenzied

embraces. All this he's done before, it's routine, a constant, like the tides. Yet there's something different, something wrong. There are odd nightmares, unsettling omens and fear. For there is something in the air, something in the night, someone stalking the ship. The cult vampire novella by Mexican author José Luis Zárate is available for the first time in English. Translated by David Bowles and with an accompanying essay by noted horror author Poppy Z. Brite, it reveals an unknown corner of Latin American literature.

The Witching Hour - Anne Rice 2010-11-17

NEW YORK TIMES BESTSELLER • From the beloved author of the Vampire Chronicles, the first installment of her spellbinding Mayfair Chronicles—the inspiration for the hit television series! “Extraordinary . . . Anne Rice offers more than just a story; she creates myth.”—The Washington Post Book World Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery—aware that she has special powers but unaware that she comes from an ancient line of witches—finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and—in passionate alliance—set out to solve the mystery of her past and his unwelcome gift, an intricate tale of evil unfolds. Moving through time from today's New Orleans and San Francisco to long-ago Amsterdam and a château in the Louis XIV's France, and from the coffee plantations of Port au Prince, where the

great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, *The Witching Hour* is a luminous, deeply enchanting novel. The magic of the Mayfairs continues:
THE WITCHING HOUR • LASHER • TALLOS

Peeps - Scott Westerfeld 2006-09-07

A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind. . . . Bursting with the sharp intelligence and sly humor that are fast becoming his trademark, Scott Westerfeld's novel is an utterly original take on an archetype of horror.

The Utterly Uninteresting and Unadventurous Tales of Fred, the Vampire Accountant - Drew Hayes 2014-08-12

Some people are born boring. Some live boring. Some even die boring. Fred managed to do all three, and when he woke up as a vampire, he did so as a boring one. Timid, socially awkward, and plagued by self-esteem issues, Fred has never been the adventurous sort. One fateful night - different from the night he died, which was more inconvenient than fateful - Fred reconnects with an old friend at his high school reunion. This rekindled relationship sets off a chain of events thrusting him right into the chaos that is the parahuman world, a world with chipper zombies, truck driver wereponies, maniacal necromancers, ancient dragons, and now one undead accountant trying his best to "survive." Because even after it's over, life can still be a downright bloody mess.

Teeth - Ellen Datlow 2011-04-05

A collection of nineteen short stories about vampires features tales from Cassandra Clare and Holly Black, Neil Gaiman, and Melissa Marr.

Dead Until Dark - Charlaine Harris 2010-02-25

Sookie Stackhouse is a small-time cocktail waitress in small-town

Louisiana. She's quiet, keeps to herself, and doesn't get out much - not because she's not pretty, she's a very cute bubbly blonde, or not interested in a social life - she really is ... but Sookie's got a bit of a disability. She can read minds. And that doesn't make her too dateable. And then along comes Bill: he's tall, he's dark and he's handsome - and Sookie can't 'hear' a word he's thinking. He's exactly the type of guy she's been waiting all her life for. But Bill has a disability of his own: he's fussy about his food, he doesn't like suntans and he's never around during the day ... Yep, Bill's a vampire. Worse than that, he hangs with a seriously creepy crowd, with a reputation for trouble - of the murderous kind. And then one of Sookie's colleagues at the bar is killed, and it's beginning to look like Sookie might be the next victim ...

The Dark Heroine - Abigail Gibbs 2012-09-18

The Dark Heroine: Dinner with a Vampire, the debut novel from Abigail Gibbs, is a thrilling paranormal novel set in London with unforgettable characters and haunting romance. When party girl Violet Lee stumbles upon the charming and wicked vampire Kaspar Varn, she embarks on a dangerous adventure through London's darkest streets and poshest neighborhoods. As their attraction is undeniable, the pair succumb to their desires, but at what cost? Fans of *A Discovery of Witches* and Stephanie Meyer's *Twilight* books won't be able to resist this tale from Wattpadd-sensation Abigail Gibbs. *The Dark Heroine* is an edgy and wild fantasy; an impossibly sexy read.

Lore and Lust - Karla Nikole 2020-08-31

Queer and gay vampire romance series set in modern-day society (England, Italy and Japan). Slow burn, multi-cultural friends-to-lovers romance where love is love, no questions asked. Mature content.

The Vampire Armand - Anne Rice 2009-10-06

'[W]hen I found Rice's work I absolutely loved how she took that genre and (...) made [it] feel so contemporary and relevant' Sarah Pinborough, bestselling author of *Behind Her Eyes* '[Rice wrote] in the great tradition of the gothic' Ramsey Campbell, bestselling author of *The Hungry Moon* The previous volume of the *Vampire Chronicles*, *Memnoch the Devil*, was called 'a modern *Paradise Lost*' by the *Washington Post*. Taking the

Vampire Lestat from fiction into legend, it left him lying in a New Orleans convent, at the edge of death. Magnificent and electrifying, this new volume in the Vampire Chronicles returns to the glittering story of Armand, mesmerizing leader of the vampire coven at the eighteenth-century Theatre des Vampires in Paris (seductively played by Antonio Banderas in the film of Interview with the Vampire). Snatched from the steppes of Russia as a child, and sold as a slave in Renaissance Venice, Armand's story sweeps through several hundred years, to New Orleans at the end of the twentieth century, where Lestat lies waiting for immortality, and the legend continues to grow. . . .

Empire of the Vampire (Empire of the Vampire, Book 1) - Jay Kristoff
2021-09-07

'This book is bloody brilliant' V.E. Schwab 'A ripping read' Joe Abercrombie

Vampires Today - Joseph Laycock 2009-05-14

This book explores the modern world of vampirism. Based on interviews, it looks at the many expressions of vampirism, from lifestyle vampires, who adopt the culture and admire the gothic image, to 'real' vampires who believe they are a separate race and need to consume blood and psychic energy in order to survive.

Fat Vampire - Adam Rex 2011-07-26

Doug Lee is undead quite by accident—attacked by a desperate vampire, he finds himself cursed with being fat and fifteen forever. When he has no luck finding some goth chick with a vampire fetish, he resorts to sucking the blood of cows under cover of the night. But it's just not the same. Then he meets the new Indian exchange student and falls for her—hard. Yeah, he wants to bite her, but he also wants to prove himself to her. But like the laws of life, love, and high school, the laws of vampire existence are complicated—it's not as easy as studying Dracula.

Especially when the star of Vampire Hunters is hot on your trail in an attempt to boost ratings. . . . Searing, hilarious, and always unexpected, Fat Vampire is a satirical tour de force from one of the most original writers of fiction today.

Interview With The Vampire - Anne Rice 2015-01-29

From #1 New York Times bestselling author Anne Rice, this sensuously written spellbinding classic remains 'the most successful vampire story since Bram Stoker's Dracula' (The Times) In a darkened room a young man sits telling the macabre and eerie story of his life - the story of a vampire, gifted with eternal life, cursed with an exquisite craving for human blood. Anne Rice's compulsively readable novel is arguably the most celebrated work of vampire fiction since Bram Stoker's Dracula was published in 1897. When Interview with the Vampire was originally published the Washington Post said it was: called Interview with the Vampire a 'thrilling, strikingly original work of the imagination . . . sometimes horrible, sometimes beautiful, always unforgettable'. Now, more than forty years since its release, Anne Rice's masterpiece is more beloved than ever.

The Vampire - Nick Groom 2018-10-30

An authoritative new history of the vampire, two hundred years after it first appeared on the literary scene Published to mark the bicentenary of John Polidori's publication of The Vampyre, Nick Groom's detailed new account illuminates the complex history of the iconic creature. The vampire first came to public prominence in the early eighteenth century, when Enlightenment science collided with Eastern European folklore and apparently verified outbreaks of vampirism, capturing the attention of medical researchers, political commentators, social theorists, theologians, and philosophers. Groom accordingly traces the vampire from its role as a monster embodying humankind's fears, to that of an unlikely hero for the marginalized and excluded in the twenty-first century. Drawing on literary and artistic representations, as well as medical, forensic, empirical, and sociopolitical perspectives, this rich and eerie history presents the vampire as a strikingly complex being that has been used to express the traumas and contradictions of the human condition.

A Discovery of Witches - Deborah Harkness 2011-02-08

NOW A MAJOR SKY TV SERIES. THE NUMBER ONE INTERNATIONAL AND SUNDAY TIMES BESTSELLER. A Discovery of Witches is the first novel in the must-read ALL SOULS series. It begins with absence and

desire. It begins with blood and fear. It begins with a discovery of witches. --- A world of witches, daemons and vampires. A manuscript which holds the secrets of their past and the key to their future. Diana and Matthew - the forbidden love at the heart of it. When historian Diana Bishop opens an alchemical manuscript in the Bodleian Library, it's an unwelcome intrusion of magic into her carefully ordered life. Though Diana is a witch of impeccable lineage, the violent death of her parents while she was still a child convinced her that human fear is more potent than any witchcraft. Now Diana has unwittingly exposed herself to a world she's kept at bay for years; one of powerful witches, creative, destructive daemons and long-lived vampires. Sensing the significance of Diana's discovery, the creatures gather in Oxford, among them the enigmatic Matthew Clairmont, a vampire geneticist. Diana is inexplicably drawn to Matthew and, in a shadowy world of half-truths and old enmities, ties herself to him without fully understanding the ancient line they are crossing. As they begin to unlock the secrets of the manuscript and their feelings for each other deepen, so the fragile balance of peace unravels... Fall under the spell of Diana and Matthew in the stunning first volume of the No.1 internationally bestselling ALL SOULS series. --- Five reasons to read A Discovery of Witches and the All Souls series: 'Rich, thrilling . . . A captivating and romantic ripping yarn' E L James 'Intelligent and off-the-wall . . . irresistible to Twilight fans' Sunday Times 'I could lose myself in here and never want to come out . . . Utterly enchanting on every level' Manda Scott 'Exciting amounts of spells, kisses and battles, and is recounted with enchanting, page-turning panache' Marie Claire 'A bubbling cauldron of illicit desire . . . an assured saga that blends romance with fantasy' Daily Mail

Dracula - Bram Stoker 2005

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

[Under a Vampire Moon](#) - Lynsay Sands 2012-11-08

A sizzling vampire adventure in the Caribbean from the New York Times bestselling author Having escaped her horrible marriage, Carolyn

Connor has no desire to think about men - a vow she's determined to keep while on vacation in St. Lucia. Easy enough, until she meets the charming Marguerite Argeneau, who is infamous for her matchmaking prowess. Christian Notte knows the power of finding a life mate. He's seen enough of his Argeneau relatives taken out for the count, but he never imagined he'd let himself fall in love. Not until he meets the enthralling, charmingly skittish, and oh-so-mortal Carolyn. But how can he reveal his true nature and still convince this once-bitten mortal to trust him with her heart ... and with her forever?

Unnatural - Michael Griffo 2011-03-01

In the town of Eden in northwestern England stands the exclusive boarding school known as Archangel Academy. Ancient and imposing, it's a place filled with secrets. Just like its students. . . For Michael Howard, being plucked from his Nebraska hometown and sent thousands of miles away is as close as he's ever come to a miracle. In Weeping Water, he felt trapped, alone. At Archangel Academy, Michael belongs. And in Ciaran, Penry, and especially Ciaran's enigmatic half-brother Ronan, Michael finds friendship deeper than he's ever known. But Michael's only beginning to understand what makes the Academy so special. Ronan is a vampire--part of a hybrid clan who are outcasts even among other vampires. Within the Academy's confines exists a ruthless world of deadly rivalries and shifting alliances, of clandestine love and forbidden temptations. And soon Michael will confront the destiny that brought him here--and a danger more powerful than he can imagine. . . Michael Griffo is an award-winning writer and one of six playwrights whose career will be tracked by WritersInsight.com until 2010. He is a graduate of New York University, has studied at Playwrights Horizons and Gotham Writers Workshop, and has written several screenplays.

Vampire Legends in Contemporary American Culture - William Patrick Day 2021-02-15

While vampire stories have been part of popular culture since the beginning of the nineteenth century, it has been in recent decades that they have become a central part of American culture. Vampire Legends in Contemporary American Culture looks at how vampire stories—from

Bram Stoker's *Dracula* to *Blacula*, from Bela Lugosi's films to *Love at First Bite*—have become part of our ongoing debate about what it means to be human. William Patrick Day looks at how writers and filmmakers as diverse as Anne Rice and Andy Warhol present the vampire as an archetype of human identity, as well as how many post-modern vampire stories reflect our fear and attraction to stories of addiction and violence.

He argues that contemporary stories use the character of *Dracula* to explore modern values, and that stories of vampire slayers, such as the popular television series *Buffy the Vampire Slayer*, integrate current feminist ideas and the image of the Vietnam veteran into a new heroic version of the vampire story.
