Queer Theory in Education - William F. Pinar 2012-10-02

Theoretical studies in curriculum have begun to move into cultural studies--one vibrant and increasingly visible sector of which is queer theory. Queer Theory in Education brings together the most prominent and promising scholars in the field of education--primarily but not exclusively in curriculum--in the first volume on queer theory in education. In his perceptive introduction, the editor outlines queer theory as it is emerging in the field of education, its significance for all scholars and teachers, and its relation to queer theory in literacy theory and more generally, in the humanities.

Fiction, 1876-1983: Authors - R.R. Bowker Company. Department of Bibliography 1983

'*American Book Publishing Record*' Cumulative - R. R. Bowker LLC 1976

Subject Catalog - Library of Congress

Catalog of Copyright Entries. Third Series - Library of Congress. Copyright Office 1977

An Index to the Advocate - 1987
