Receiving Love Workbook Harville Hendrix 2006-05-09 A companion workbook to the critically acclaimed relationship book *Receiving Love: Transform Your Relationship by Letting Yourself Be Loved* In 2004, Harville Hendrix and his wife, Helen LaKelly Hunt, co-creators of Imago Relationship Therapy, authored *Receiving Love*, a critically acclaimed guide to cultivating a loving, long-lasting relationship that Publishers Weekly called "intelligent and insightful . . . wise and sophisticated." Now, in the *Receiving Love Workbook*, Hendrix and Hunt have constructed a companion to that groundbreaking book in which they outline a simple, practical plan that will help you to apply the advice and exercises in *Receiving Love* to your own relationship. *Receiving Love* showed that while many men and women know how to give love, many more undermine their relationships by never having learned how to accept it. The *Receiving Love Workbook* will help you and your partner to explore the effect that this type of self-rejection has had in your individual lives and in your relationship as a couple. It contains a unique twelve-week course designed to help you work through the exercises in *Receiving Love*. It provides the same step-by-step instructions and examples that couples who participate in a couples' workshop or work with an Imago Relationship Therapist would experience. For those who are ready to take specific steps to surmount the self-rejection and heal its causes, the *Receiving Love Workbook* will help you to make the changes that will establish an easy, natural pattern of giving and receiving love and that will create the relationship of your dreams.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Surrendered Wife Laura Doyle 2001-02-28 A New York Times bestseller, this controversial guide to improving your marriage has transformed thousands of relationships, bringing women romance, harmony, and the intimacy they crave. Like millions of women, Laura Doyle wanted her marriage to be better. But when she tried to get her husband to be more romantic, helpful, and ambitious, he withdrew—and she was lonely and exhausted from controlling everything. Desperate to be in love with her man again, she decided to stop telling him what to do and how to do it. When Doyle surrendered control, something magical happened. The union she had always dreamed of appeared. The man who had wooed her was back. The underlying principle of *The Surrendered Wife* is simple: The control women wield at work and with children must be left at the front door of any marriage. Laura Doyle's model for matrimony shows women how they can both express their needs and have them met while also respecting their husband's choices. When they do, they revitalize intimacy. Compassionate and practical, *The Surrendered Wife* is a step-by-step guide that teaches women how to:

- Give up unnecessary control and responsibility
- Resist the temptation to criticize, belittle, or dismiss their husbands
- Trust their husbands in every aspect of marriage—from sexual to financial
- And more.

The Surrendered Wife will show you how to transform a lonely marriage into a passionate union.

Receiving Love Harville Hendrix 2005-10-04 Harville Hendrix has illuminated the paths to loving, long-lasting relationships in his New York Times bestsellers *Getting the Love You Want* and *Keeping the Love You Find*. Now, with coauthor and wife Helen LaKelly Hunt, he brings us to a new understanding about one of the most complicated issues facing couples today: Receiving Love Many men and women know how to give love, but many more undermine their relationships by never having learned how to accept it. We don't always realize the ways in which we reject appreciation and affection, help and guidance from our romantic partners. And, according to Hendrix and Hunt, until we are able to understand the meaning behind our behavior, our relationships stand to suffer. Ask yourself: Are you reluctant to tell your partner what you really want or need? When you do get what you've asked for, do you still feel dissatisfied? Is it difficult for you to accept kind gestures, gifts, or compliments from your partner? If you answered yes to any of the above, this book is for you. With *Receiving Love*, you can learn how to break the shackles of self-rejection -- which likely began in childhood, when our caretakers unintentionally failed to nurture us -- and embrace real intimacy. Drawing on their renowned expertise, the wide clinical experience of Imago therapists, and their own personal experience as a married couple, the authors offer detailed, sensitive advice on how to turn a relationship between two well-meaning yet misunderstood individuals into a true, everlasting partnership.

What Makes Love Last? John Gottman 2013-09-10 "One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. *A Love You Can Trust* shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. *A Love You Can Trust* guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

The 48 Laws of Power Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

God Loves Me and I Love Myself! Mark DeJesus 2016-10-17 DO YOU LOVE YOURSELF? Most people have never even asked themselves that question, let alone know how to answer it. This is because we live under a modern plague, where masses struggle to love themselves as God loves them. So many struggle in a daily battle that keeps them from the freedom that love has. In this book, Mark will utilize his personal freedom experience and over 20 years working with people to unlock the missing link to powerful relationships. In this book, you will be equipped to move into the power of self-love by: - Learning what healthy self-love is and what it is not. - Identifying the resistance that blocks people from loving themselves. - Observing how a lack of self-love affects every area of our lives. - Unlocking practical ways to gain freedom and to love yourself as God does. - Receiving important tools that you can practice immediately to overcome. - Putting healthy self-love into action to give and receive love powerfully!

Receiving Love Harville Hendrix 2004-10-05 This groundbreaking book from the best-selling authors of Getting the Love You Want and coauthors of Giving the Love that Heals is the first to address the biggest unexplored issue facing couples today: Most of us are better at giving love than accepting it. We don't realize all the ways that our resistance to appreciation, praise, compliments, and accepting help from others hurts us and cripples our relationships. Many partners learn how to give love, but many more undermine their relationships by for-getting something that is equally important -- learning to receive it. According to the authors, the root of the problem is the self-rejection that began in childhood, when our parents and caretakers unintentionally failed to nurture or directly rejected traits, characteristics, or im-pulses when we were children. We end up

rejecting in ourselves whatever our caretakers ignored or rejected in the course of our childhoods. When we become adults, this makes it impossible to let in the love we want and need, even when our partners offer it. As a result, we dismiss compliments, minimize gestures of affection, and create obstacles to true intimacy. In this book, Harville Hendrix and Helen LaKelly Hunt, co-creators of Imago Relationship Therapy, offer a definitive guide to breaking the shackles of self-rejection and embracing the love our partners offer. Receiving Love is a very personal book for Drs. Hendrix and Hunt, and much of their own journey is the inspiration for it. Drawing on their renowned expertise, the wide clinical experience of hundreds of Imago therapists, and their own personal experience, the authors are able to offer detailed guidance on how to conquer the problems that come from self-rejection and embrace the gifts that are abundant in every person's life, if only we knew how to accept them. With its groundbreaking theory, challenging processes, and inspiring examples, this book holds the key to loving relationships that last.
