Drinking with Chickens - Kate E. Richards 2020-04-07

It's drinks, it's chickens: It's the cocktail book you didn't know you needed! To add some extra happy to your happy hour, invite a chicken and pour yourself a drink. Author Kate Richards serves up cocktails made for Instagram with the spoils of her Southern California garden, chicken friends by her side. Enjoy any (or all) of the 60+ deliciously drinkable garden-to-glass beverages, such as: Lilac Apricot Rum Sour Meyer Lemon + Rosemary Old Fashioned Rhubarb Rose Cobbler Blackberry Sage Spritz Cantaloupe Mint Rum Punch Cocktails are arranged seasonally, and are 100% accessible for those of us without perpetually sunny backyard gardens at our disposal. Drinking with Chickens will quickly become a boozy favorite, perfect for gifting or for hoarding all for yourself. You don't need chickens to enjoy these drinks or the colorful photos, but be careful, because you may even find yourself aspiring to be, as Kate is, a home chixologist overrun by gorgeous, loud, early-rising egg-laying ladies, and in need of a very strong drink.

The first real cookbook for cocktails, featuring 500 recipes from the world's premier mixologist, Dale DeGroff. Covering the entire breadth of this rich subject, The Craft of the Cocktail provides much more than merely the same old recipes: it delves into history, personalities, and anecdotes; it shows you how to set up a bar, master important techniques, and use tools correctly; and it delivers unique concoctions, many featuring DeGroff's signature use of fresh juices, as well as all the classics. It begins with the history of spirits, how they're made (but without too much boring science), the development of the mixed drink, and the culture it created, all drawn from DeGroff's vast library of vintage cocktail books. Then on to stocking the essential bar, choosing the right tools and ingredients, and mastering key techniques—the same information that DeGroff shares with the bartenders he trains in seminars and through his videos. And then the meat of the matter: 500 recipes, including everything from tried-and-true classics to of-the-moment originals. Throughout are rich stories, vintage recipes, fast facts, and other entertaining asides. Beautiful color photographs and a striking design round out the cookbook approach to this subject, highlighting the difference between an under-the-bar handbook and a stylish, full-blown treatment. The Craft of the Cocktail is that treatment, destined to become the bible of the bar.
