The Days of Anna Madrigal Armistead Maupin 2014-01-21 Inspiration for the Netflix Limited Series, Tales of the City The ninth novel in the beloved Tales of the City series, Armistead Maupin's best-selling San Francisco saga. The Days of Anna Madrigal, the suspenseful, comic, and touching novel, follows one of modern literature's most unforgettable and enduring characters—Anna Madrigal, the legendary transgender landlady of 28 Barbary Lane—as she embarks on a road trip that will take her deep into her past. Now ninety-two, and committed to the notion of “leaving like a lady,” Mrs. Madrigal has seemingly found peace with her “logical family” in San Francisco: her devoted young caretaker Jake Greenleaf; her former tenant Brian Hawkins and his daughter Shawna; and Michael Tolliver and Mary Ann Singleton, who have known and loved Anna for nearly four decades. Some members of Anna's family are bound for the otherworldly landscape of Burning Man, the art community in Nevada's Black Rock Desert where 60,000 revelers gather to construct a city designed to last only one week. Anna herself has another destination in mind: a lonely stretch of road outside of Winnemucca where the 16-year-old boy she once was ran away from the whorehouse he called home. With Brian and his beat-up RV, she journeys into the dusty troubled heart of her Depression childhood to unearth a lifetime of secrets and dreams and attend to unfinished business she has long avoided.

Sex and the City and Us Jennifer Keishin Armstrong 2019-05-07 The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a “bubbly, yet fierce cultural dissection of the groundbreaking show” (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. *Carrie*, *Miranda*, *Charlotte*, and *Samantha* launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, “Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail” (The Washington Post). *Sex and the City and Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

We'll Always Have Paris John Baxter 2006 For more than a century, Americans and Britons have been arriving hopefully in Paris. Most were tourists, but a significant number had other motives, ranging from learning to paint or write, to finding a rich husband; from escaping racism and politics to gaining a sexual education. John Baxter arrived because he had fallen in love with a French woman. All of these people arrived because they were re-making their lives. It is a personal view of Paris as it appeared to the emotionally and intellectually hungry of the world. It is a guided tour of the people and places associated with the Parisian legend. It includes interviews with painters, film-makers, actresses, writers, poets. There are visits to the cafes of Montparnasse where Hemingway, Fitzgerald and Man Ray hung out. It explores the old brothels - temples of sensuality in 18th century Paris - and an erotic bookshop. Above all, it is John Baxter's personal history of Europe's most romantic capital city.

Genre- and Register-related Discourse Features in Contrast Marie-Aude Lefer 2016-07-20 This volume contributes to filling a gap in corpus-based research by investigating the ways in which linguistic features vary across genres/registers cross-linguistically. It brings together insightful chapters by leading scholars in the field, fruitfully exploiting genre- or register-controlled multilingual parallel and comparable corpora to: (i) problematize cross-register variation in a multilingual perspective, (ii) address methodological and theoretical issues raised by register-oriented contrastive and translation studies, (iii) investigate the cross-linguistic and cross-genre variation of specific linguistic features, such as lexical bundles, sentence-initial adverbials and tag questions, (iv) identify cross-cultural and cross-linguistic dissimilarities in expressing a functional category, viz. Appraisal, in the field of opinion mining. The book offers new cutting-edge research that should be of interest to specialists in contrastive linguistics, translation studies and cross-cultural studies. Originally published as a special issue of *Languages in Contrast* 14:1 (2014).

Female Celebrity and Ageing Deborah Jermyn 2016-04-29 *Female Celebrity and Ageing: Back in the Spotlight* interrogates the myriad ways in which celebrity culture constructs highly visible ideologies of femininity and ageing, and how ageing female celebrities have negotiated the media in a variety of industrial, historical and national contexts. In the era when the 'baby boomers' have started drawing their pensions, the boundaries of what constitutes 'old age' have never seemed more fluid, and ageing has never been presented by advertisers and marketers in a more dynamic fashion. However, the fact remains that ageing is still widely feared, and growing old is an inherently gendered process, in which ageing women are paradoxically both rendered invisible and subjected to damning scrutiny. Nowhere is this conflicting state of affairs more evident than in celebrity culture, where ageing female stars are praised for 'growing old gracefully' one moment, and condemned for 'letting themselves go' the next, when they fail to age 'appropriately'. Examining a variety of themes and ageing women in the spotlight, from *Barbara Stanwyck* to *Madonna* to *Charlotte Rampling*, the essays collected here forge new critical and conceptual insights into how women grow older in the media, and the implications of this for what *Susan Sontag* memorably called "the double standard of ageing". This book is based on a special issue of *Celebrity Studies*.

From Scratch Tembi Locke 2020-02-04 Soon to be a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is "a captivating story of love lost and found" (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

The Innocent Man John Grisham 2010-10-28 "John Grisham's first work of non-fiction, an exploration of small town justice gone terribly awry, is his most extraordinary legal thriller yet. In the major league draft of 1971, the first player chosen from the State of Oklahoma was Ron Williamson. When he signed with the Oakland A's, he said goodbye to his hometown of Ada and left to pursue his dreams of big league glory. Six years later he was back, his dreams broken by a bad arm and bad habits - drinking, drugs and women. He began to show signs of mental illness. Unable to keep a job, he moved in with his mother and slept 20 hours a day on her sofa. In 1982, a 21 year-old cocktail waitress in Ada named Debra Sue Carter was raped and murdered, and for five years the police could not solve the crime. For reasons that were never clear, they suspected Ron Williamson and his friend Dennis Fritz. The two were finally arrested in 1987 and charged with capital murder. With no physical evidence, the prosecution's case was built on junk science and the testimo"

City of God Paulo Lins 2007-12-01 The searing novel on which the internationally acclaimed hit film was based. "A Scarface-like urban epic . . . punctuated with lyricism and longing" (Publishers Weekly). *City of God* is a gritty, gorgeous tour de force from one of Brazil's most notorious slums. *Cidade de Deus*: a place where the streets are awash with narcotics, where violence can erupt at any moment over drugs, money, and love—but also a place where the samba beat rocks till dawn, where the women are the most beautiful on earth, and where one young man wants to escape his background and become a photographer. When *City of God* erupted on screens worldwide, it became one of the most critically and commercially successful foreign films of recent years. But few were aware of the story behind the film. Written by Paulo Lins, who grew up in the favela (shantytown) *Cidade de Deus* in Rio de Janeiro and who spent years researching its gang history, *City of God* began life as a coruscating, harrowing novelistic account of twenty years in the illicit pursuits of the youth gangs born from the favela. "With plot devices sometimes as minimal as the dawning of a new day, *City of God* seems more like a mosaic than a novel, but it's a mosaic with unforgettably vibrant colors." —Booklist

Love Letters of Great Men Ursula Doyle 2008-08-05 From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, *Love Letters of Great Men* collects together some of the most romantic letters in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these *Love Letters of Great Men* show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

From Fidelity to History Anne-Marie Scholz 2013-04-30 Scholarly approaches to the relationship between literature and film, ranging from the traditional focus upon fidelity to more recent issues of intertextuality, all contain a significant blind spot: a lack of theoretical and methodological attention to adaptation as an historical and transnational phenomenon. This book argues for a historically informed approach to American popular culture that reconfigures the classically defined adaptation phenomenon as a form of transnational reception. Focusing on several case studies- including the films *Sense and Sensibility* (1995) and *The Portrait of a Lady* (1997), and the classics *The Third Man* (1949) and *The Bridge on the River Kwai* (1957)-the author demonstrates the ways adapted literary works function as social and cultural events in history and how these become important sites of cultural negotiation and struggle.

Just Watch Me John English 2009-10-27 This magnificent second volume, written with exclusive access to Trudeau's private papers and letters, completes what the *Globe and Mail* called "the most illuminating Trudeau portrait yet written" — sweeping us from sixties' Trudeaumania to his final days when he debated his faith. His life is one of Canada's most engrossing stories. John English reveals how for Trudeau style was as important as substance, and how the controversial public figure intertwined with the charismatic private man and committed father. He traces Trudeau's deep friendships (with women especially, many of them talented artists, like Barbra Streisand) and bitter enmities; his marriage and family tragedy. He illuminates his strengths and weaknesses — from Trudeaumania to political disenchantment, from his electrifying response to the kidnappings during the October Crisis, to his all-important patriation of the Canadian Constitution, and his evolution to influential elder statesman.
