Fall from Grace - Albert W. Pearsall 2023-07-21

"No one saves us but ourselves. No one can and no one may. We ourselves must walk the path." Gautama Buddha "But remember, nothing comes without a price. Our paths are not mapped; they're made." Priya Ardis This book recounts the adventures, journey, cataclysmic fall and subsequent redemption of a surgeon. The elements of this novel include an overbearing father, a passive mother, an adventurous childhood, a supportive childhood friend and brothers, an insecure Dean, a paranoid Chairman, a pathologic vixen, a botched surgery, a life-saving surgery, a supportive wife and girlfriend and finally, an understanding of God's purpose to achieve redemption. The story has many ups and downs and constitutes a ride like few others. Hang on to your seats, readers, as you will bear witness to a man who appeared to have everything, lost nearly everything to poor choices and finally saw the light after facing death in the face. But let me start at the beginning...

Why Men Love Bitches - Sherry Argov 2022-07

Genre and the (Post-)Communist Woman - Florentina C. Andreescu 2014-09-25

This work is a critical intervention into the archive of female identity; it reflects on the ways in which the Central and Eastern European female ideal was constructed, represented, and embodied in communist societies and on its transformation resulting from the political, economic, and social changes specific to the post-communist social and political transitions. During the communist period, the female ideal was constituted as a heroic mother and worker, both a revolutionary and a state bureaucrat, which were regarded as key elements in the processes of industrial development and production. She was portrayed as physically strong and with rugged rather than with feminized attributes. After the post-communist regime collapsed, the female ideal's traits changed and instead took on the feminine attributes that are familiar in the West's consumer-oriented societies. Each chapter in the volume explores different aspects of these changes and links those changes to national security, nationalism, and relations with Western societies, while focusing on a variety of genres of expression such as films, music, plays, literature, press reports, television talk shows, and ethnographic research. The topics explored in this volume open a space for discussion and reflection about how radical social change intimately affected the lives and identities of women, and their positions in society, resulting in various policy initiatives involving women's social and political roles. The book will be of interest to students and scholars of gender studies, comparative politics, Eastern European studies, and cultural studies.

Hold Me Until Forever - Christina Phillips 2016-01-04

A sexy category romance from Entangled's Brazen imprint... She's the only one he wants...and the one he can never have. Ella Clark has been in love with Alex Grayson forever. She's tired of being invisible—or worse, being treated like his kid sister. If she can just get him to drop his iron-

fisted control for two seconds, she'll prove she knows exactly how to blow his mind. Alex has been fighting his attraction to Ella since her should-have-been-innocent sweet sixteen kiss burned down his world. He's damaged, and there's no way he'll ever drag her into his screwed up life. Until she offers him something he's always craved—steamy, no-strings sex inside his exclusive BDSM club. Where she'll be safe from the darkness that haunts him. Except there's nothing safe about being with Ella, and the more she gives, the harder it is to let her go. If he stays, he risks everything, but how can he walk away from the only woman he's ever needed?

Miley Cyrus: Good Girl/Bad Girl - Chloe Govan 2014-05-12

Charting the controversial journey of a shy, chaste child star from America's Deep South: from early fame on the Disney TV series Hannah Montana to her sexually liberated pop image that later made headlines worldwide. Will reveal Miley's secret battle with a genetic heart condition and offer a behind-the-scenes expose of growing up on a farm near Nashville in America's Deep South and her transformation from God fearing farm girl to raunchy pop star. Exclusive interviews with figures from Miley's past, from close childhood friends to those who attended church with her in a quiet and close-knit village-like community and got to know her well. These interviews will help to separate fact from fiction, publicity stunt from personality growth, will explore the psychology behind her dramatic transformations and will ultimately get to the bottom of exactly what makes the multi-faceted Miley Cyrus tick.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Virgin Or Vamp - Helen Benedict 1993

Benedict examines press treatment of four notorious sex crimes from the past decade and shows how victims are labelled either as virgins or vamps, a practice she condemns as misleading and harmful.

Sexy Bodies - Elizabeth A. Grosz 1995

Through an examination of a variety of cultural forms and texts, *Sexy Bodies* investigates the ways in which sexual bodies, sexual practices and sexualities are produced. Are bodies sexy? How? In what sorts of ways? *Sexy Bodies* investigates the production of sexual bodies and sexual practices, of sexualities which are dyke, bi, transracial, and even hetero. It celebrates lesbian and queer sexualities but also explores what runs underneath and within all sexualities, discovering what is fundamentally weird and strange about all bodies, all carnalities. Looking at a pleasurable variety of cultural forms and texts, the contributors consider the particular charms of girls and horses, from National Velvet to Marnie; discuss figures of the lesbian body from vampires to tribades to tomboys; uncover 'virtual' lesbians in the fiction of Jeanette Winterson; track desire in the music of legendary Blues singers; and investigate the ever-scrutinised and celebrated body of Elizabeth Taylor. The collection includes two important pieces of fiction by Mary Fallon and Nicole Brossard.

Audrey Hepburn Quotes And Believes - Mobile Library 2018-03-10

This Audrey Hepburn quotes book will allow you to see thru the beauty that made her famous, and have a real feeling of Audrey Hepburn biography in the way she view life in her most crucial moments. Born in 1929, she was not only one of the most famous English actresses of her time, but also a true icon of the golden age of Hollywood. Audrey Hepburn quotes about elegance, fashion or beauty are very interesting and famous, but is when you start reading Audrey quotes about happiness, love, life or helping others that you start entering into this special diva mind. Many times, before her departure in 1993, she was approached with proposals for an autobiography, but she never agreed. So, the best way to understand better her way of life is exactly to read this Audrey Hepburn collection of best quotes. Discover the true magic of Audrey, an elegant spirit that deserves to be remembered.

SEX APPEAL - Lori Foster 2016-01-01

Shadow is the proprietor of a shop that sells sexy goods. At first glance, she seems uninhibited and bold, but she's been hurt quite a lot in the past. Every seven years, she falls in love, and is inevitably hurt because of it. It's been seven years since her last painful love, and she knows that this year will have romance in store for her. Just as she expected, she finds her man of destiny? Brent is perfectly handsome, perfectly rich, and perfectly polite, a high-quality man. On top of that, he has a great sense of humor! The two of them get close very quickly, but somehow something keeps getting in their way.

Bonoure and Buxum - Sue Niebrzydowski 2006

If married in church, medieval women vowed before God and their husbands to be 'bonoure and buxum', that is, meek and obedient in bed and at table. This book is a study of wives in a variety of fourteenth- and fifteenth-century romance, fabliaux, cycle drama, life-writing, lyrics and hagiography. The volume examines key moments that defined life as a married woman: her eligibility to become a wife, the wedding ceremony, her conjugal rights and duties, childbirth and her contribution to the family economy. The book explores the way in which the literary representation of wives is in dialogue with discourses that strove to construct and regulate the role of 'wife'; canon and secular law, marriage liturgy, medical treatises on the female body, sermons, manuals of spiritual instruction, biblical paradigms, conduct books and misogynous writings. Moreover, the volume examines the possibilities for subversion of these paradigms by listening to literary wives speak both within and against these discourses. Real women's attitudes, and strategies of subversion, are woven into the volume throughout, as recorded in church and manorial court records, in their wills and in their writing.

Intensive Family Therapy - Ivan Boszormenyi-Nagy 2013-06-17

Published in the year 1985, *Intensive Family Therapy* is a valuable contribution to the field of Family Therapy.

Vanity Fair - William Makepeace Thackeray 1873**Vanity Fair** - William Makepeace Thackeray 1869

Scorned for her lack of money and breeding, Becky must use all her wit, charm and considerable sex appeal to escape her drab destiny as a governess. From London's ballrooms to the battlefields of Waterloo, the

bewitching Becky works her wiles on a gallery of memorable characters, including her lecherous employer, Sir Pitt, his rich sister, Miss Crawley, and Pitt's dashing son, Rawdon, the first of Becky's misguided sexual entanglements.

Performing Authorship in Eighteenth-Century English Periodicals - Manushag N. Powell 2012-06-29

This book embraces periodicals across the first two-thirds of the eighteenth century to argue that this mode of writing, packed with humor and verve, originates the figure of the mass market author as a literary character. The author posits that, at the same time, periodicals harbor inescapable doubts as to whether such a character is sustainable.

Jazz Sells: Music, Marketing, and Meaning - Mark Laver 2015-02-11

Jazz Sells: Music, Marketing, and Meaning examines the issues of jazz, consumption, and capitalism through advertising. On television, on the Internet, in radio, and in print, advertising is a critically important medium for the mass dissemination of music and musical meaning. This book is a study of the use of the jazz genre as a musical signifier in promotional efforts, exploring how the relationship between brand, jazz music, and jazz discourses come together to create meaning for the product and the consumer. At the same time, it examines how jazz offers an invaluable lens through which to examine the complex and often contradictory culture of consumption upon which capitalism is predicated.

20,000 Quips & Quotes - Evan Esar 1995**New Cambridge Advanced English Student's Book** - Leo Jones 1998-09-10

New Cambridge Advanced English is the revised and updated edition of the popular Cambridge Advanced English. The course has been completely redesigned in full colour and its stimulating reading and listening extracts have been supplemented with new authentic reading texts and interviews. Theme units, providing practice in spoken and written fluency, alternate with language units which develop accuracy in grammar, vocabulary, functions and pronunciation. In addition, New Cambridge Advanced English now contains exam-style exercises designed specifically to prepare candidates for the Cambridge CAE exam. The approach to the exam is low-key, however, with guidance and notes on exam-style exercises given in the Teacher's Book only. When used in conjunction with CAE Practice Tests, New Cambridge Advanced English makes the ideal preparation for the exam, and is especially suitable for mixed classes of exam candidates and non-candidates.

Performance-Based Reporting - Hans V.A. Johnsson 2005-10-10

The successfully proven alternative system for relevant businessreporting through performance management Performance-Based Reporting shows businesses howtraditional accounting fails to provide meaningful measures forperformance and presents radically innovative and thoroughly testedmethods for performance-oriented management, assessment, andreporting. Twenty-five years in the making, this helpful book alsopresents The Baseline Approach to management, assessment, andreporting-composed of eighty-percent accounting-free methods. Performance-Based Reporting presents the culmination ofintense experiments involving more than 1,500 businesses and over4,000 executives. It definitively proves the need for new tools forrealistic business planning and management in an unpredictableworld. These tools already exist, and this helpful guide walksreaders through the process of implementing them to help firmsimprove their ability to predict the direction they should take inthe future.

Soccer Culture in America - Yuya Kiuchi 2013-12-07

What does the world's favorite sport mean in the United States? Despite the common belief that it is only a women's sport, an immigrants' sport, a small kids' sport—or that hating soccer is very American, the new essays in this volume attest that soccer indeed is a very American and very popular sport, around since the 1940s. The all-new essays address issues concerning the business of the game, the meaning of men's and women's professional, national, high school and youth soccer, the community formed by the game, the media, the referees, the hooliganism and the treatment of the sport in academe.
