**Ready or Not?** - Tina Radziszewicz 2009-07-15  
Sex. So many questions-so hard to actually ask them! Finding the right moment, not to mention the right person to ask, can be a nightmare. Well, look no further! This essential guide tells you everything you need to know about your body, his body, what boys say (and what they really mean), virginity, dating, contraception, STDs, pregnancy-and more. Taking a relationship further is a huge step and it's essential to know all the facts before making any decisions. Packed with friendly advice, quizzes, and practical information, this book is your ultimate guide to making the best choice for you!

*Dr. Ruth's Pregnancy Guide for Couples* - Dr. Ruth K. Westheimer 2020-11-25

This book offers helpful tips, case studies, and question and answer features about sexual activity, getting pregnant, being pregnant, delivering a baby, and keeping sex alive before, during, and after pregnancy. It focuses on maintaining a healthy relationship and sex life during pregnancy.

*Talking with Your Child about Sex* - Mary Steichen Calderone 1984

Dr. Mary Calderone, former president and co-founder of the Sex Information and Education Council of the U.S., and Dr. James Ramey, a behavioral scientist, have written an innovative resource book that promises to facilitate the sex education of children. "...constructed with an openness and understanding of (children's) needs at different stages of development. I recommend it not only to parents but to all caretakers of children." -- E. James Anthony, President, American Academy of Child Psychiatry.

*Sex, Dating, and Love* - Ray E. Short 1994

**The Best Intentions** - Institute of Medicine 1995-06-02

Experts estimate that nearly 60 percent of all U.S. pregnancies are unintended. Yet the topic of preventing these

unintended pregnancies has long been treated gingerly because of personal sensitivities and public controversies, especially the angry debate over abortion. Additionally, child welfare advocates long have overlooked the connection between pregnancy planning and the improved well-being of families and communities that results when children are wanted. Now, current issues—health care and welfare reform, and the new international focus on population—are drawing attention to the consequences of unintended pregnancy. In this climate *The Best Intentions* offers a timely exploration of family planning issues from a distinguished panel of experts. This committee sheds much-needed light on the questions and controversies surrounding unintended pregnancy. The book offers specific recommendations to put the United States on par with other developed nations in terms of contraceptive attitudes and policies, and it considers the effectiveness of over 20 pregnancy prevention programs. *The Best Intentions* explores problematic definitions—"unintended" versus "unwanted" versus "mistimed"—and presents data on pregnancy rates and trends. The book also summarizes the health and social consequences of unintended pregnancies, for both men and women, and for the children they bear. Why does unintended pregnancy occur? In discussions of "reasons behind the rates," the book examines Americans' ambivalence about sexuality and the many other social, cultural, religious, and economic factors that affect our approach to contraception. The committee explores the complicated web of peer pressure, life aspirations, and notions of romance that shape an individual's decisions about sex, contraception, and pregnancy. And the book looks at such practical issues as the attitudes of doctors toward birth control and the place of contraception in both health insurance and "managed care." *The Best Intentions* offers frank discussion, synthesis of data, and policy recommendations on one of today's most sensitive social topics. This book will be

important to policymakers, health and social service personnel, foundation executives, opinion leaders, researchers, and concerned individuals.

*Hot Mamas* - Lou Paget 2010-07-07

From North America's most sophisticated sex educator, whose books top two million copies in print, comes a one-of-a-kind guide to embracing your sensuality during and after the emotional and physical changes of pregnancy. Everywhere you look today you'll find pregnant women embracing their newfound curves and the idea that pregnancy can be one of the sexiest, sexiest times of their lives. Lou Paget, who has made a name for herself by combining the latest research findings with the most popular topics in her field of sexuality, is at it again with her taboo busting and groundbreaking research to help women maintain their sensuality and sexuality while dealing with changes in body, relationship, and lifestyle during and after pregnancy. All the questions women — and men — have regarding pregnancy and sex will finally be answered by one of the country's foremost experts on sexuality and relationships, putting all of the contradictory information to rest. A guide like no other, *Hot Mamas* addresses such topics as:

- Detailed explanations of how the biological changes during pregnancy can impact your sexuality
- Why pregnancy can significantly enhance a woman's orgasms and sex drive
- The best positions for each month of each trimester, including the six-month period after birth, also known as the "4th trimester"
- What to do if intercourse seems out of the question
- Important questions to ask your physician or midwife
- Ways to ensure your pregnancy ushers in a new and expansive side to your relationship and your sex life

Pregnancy shouldn't mean a hiatus from intimacy. With compassionate, straightforward advice and illuminating how-to illustrations, *Hot Mamas* at last tells pregnant women and their partners everything they need to know about making this one of the sexiest times of their lives and is sure to make readers view pregnancy in an exciting new light.

**In the Back Seat with Prince Charming** -  
DeeDee Gooding 2013-05-05

Sex, pregnancy & healing: A teen mom's story of life turned upside down. Have you ever felt like you didn't fit in? Even if it was just for a moment, can you remember how uncomfortable it felt? Or maybe you've felt like an outcast for a long time. Whatever your circumstances, most girls at some point, fear that they aren't fitting in. Now for the big questions: How do you deal with those uncomfortable feelings? What are you willing to do to fit in? What do you do when you feel like you're riding an emotional roller coaster? Do you ever do or say things you later regret? "In the Back Seat with Prince Charming" shares the emotional and moving story of DeeDee Gooding, whose youth was taken away from her at the age of 17. Drugs, popularity, guys, abuse and sex were all part of her life style then. These behaviors were a desperate attempt to fit in and deal with low self-esteem which led to becoming pregnant, dropping out of school, and a number of failed marriages. "In the Back Seat with Prince Charming" is a collection of her life events, consequences and important lessons. Through her story many issues teen girls face are explored such as self-esteem, fitting-in, boys and sex. A special journaling section helps identify some questions about life as a teen, tips for leading a healthy lifestyle, what to do if you get pregnant and your options, how to improve your self-esteem and many more valuable lessons on living a happy and fulfilling life. A personal note from the author: "It is my hope that all young girls can learn from my story, discover how to face and overcome their personal challenges, and are inspired to reach their highest potential after reading this book." Recommended for ages 13 and up.

**Your Orgasmic Pregnancy** - Danielle  
Cavallucci 2008

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-01-26  
by guest

Thankfully, pregnant women no longer have to disguise their condition or confine themselves to the home. They're free to do other things -- like enjoy an active sex life. This no-nonsense guide helps mothers-to-be maintain intimacy through all three trimesters and beyond. Using the real-life experience of one author and the professional expertise of the other, it covers a wide range of issues regarding sex and pregnancy, including the unanswered, difficult, and taboo questions and topics most people are afraid to address. It also helps partners develop new ways of communicating that help pregnant women relish life's deepest expression of sexual union. With warmth and encouragement, it prepares women for the sexual challenges and joys of pregnancy and motherhood, giving them confidence and the tools they need to enjoy it all with verve, humor, grace, and joy.

### **Ultimate Guide to Sex Through Pregnancy and Motherhood** - Madison Young 2016-07-12

In this guide, sex educator and filmmaker Madison Young satisfies the curiosity of any woman who has ever wanted to know how to negotiate sexual desires safely during pregnancy, learn how to embrace her inner pregnant sex goddess, and discover the ultimate sex positions for all stages of pregnancy. Improve your self-esteem and advocate for your own shifting sexual desires and fantasies within your relationship during pregnancy and beyond. In the pages of *The Ultimate Guide to Sex Through Pregnancy and Motherhood*, Madison illustrates and addresses these questions the only way she knows how - with the truth of her own experience as a mother, as a sexual adventurer, and as a sex educator.

### **Sex Positions for Couples** - E. L. Sweet 2020-12-24

Has your sex life taken a nosedive and you no longer feel as much fulfilled as you used to whenever you have sex with your partner? And are you looking to breathe new life into your sex life to no longer feel ashamed, frustrated, unhappy, unfulfilled and unsatisfied? Are looking for a comprehensive step by step guide that will help you add spice into your sex life? If you've answered YES, keep reading... You Are About To Discover How You Can Resuscitate Your Struggling Sex Life By Introducing Variety In Sex Positions, Leveraging The Power Of Erotic

Games, Role Playing And Other Powerful Strategies That Have Been Proven To Work Again And Again, Even If You Are Pregnant! As you are probably aware, sex is so powerful that it can determine how strong your relationship will be or how happy or content your partner will be. Perhaps you are here because you've seen a dip, a plateau in your sex life or simply want to keep the fire burning to ensure you never experience the dip or plateau, at least for a while! It is good you are looking for ways to introduce new and exciting things into your sex life because studies show that trying new things with your partner helps in keeping the spark alive. Perhaps you're wondering... What 'new' things can you really introduce into your sex life? How do you introduce these new things into your bedroom without bringing another argument with your partner? How do you customize each sexual encounter to ensure it suits your tastes, preferences, flexibility and more while at the same time ensuring you both have multiple orgasms and hair-raising memories? And how can you make sure that your sex life remains mind blowing and exciting without becoming a rut? If you have these and other related questions, this book is for you as it answers them all in simple language More precisely, this book covers: How to master foreplay to help tune your partner into the mood for sex All about the great art of Kamasutra and how it can help revitalize your sex life Ways to increase intimacy with your partner to help rekindle the flame, even if it was dying out The best sex positions that harness the bonding powers of science, neurochemistry and the things that bring you closer to your partner The most exciting and fun erotic games and challenges that will entice you into the mood for sex Sex positions for you to try if you want to get pregnant and the sex positions for you to try when you are pregnant Sneaky and fun sex positions for you to try if you have kids around Ways to engage in dirty talk with your partner, even if you've never tried it before How to practice role play with your partner Ways to safely discover and explore your kinks and fetishes How to satisfy your partner completely and guarantee maximum orgasms The best sex positions for homosexual couples Post sex positions for couples And MUCH MORE! Yes

even if you are having a cringe-worthy sex life with your partner, it doesn't mean that the sex will always be bad. The most effective way to break through that unease is by tuning up every aspect of your sex life. And this book will show you exactly how! Scroll up and Click Buy Now to get started today!

**Sex and Pregnancy** - Dan Farine 2022-10-27  
Pregnant women and their partners often ask healthcare professionals whether sex is safe during pregnancy, and what consequences may result from sexual activity. Many clinicians can also be unsure of the answers to these type of questions, leading to both patient and clinician resorting to the internet for advice, which can be inaccurate and anxiety-inducing. Here, the authors provide clinicians with an insight into the information offered by 'Dr Google' so that they can reassure and advise their patients as necessary. Aimed at obstetricians and other physicians caring for pregnant women, this book reviews the implications of sex during pregnancy such as those complicated by medical conditions, those at risk of preterm birth and multiple pregnancies. Other chapters cover physiological changes during pregnancy that may affect sexual function and intimacy, as well as the differing guidelines provided by various global obstetric societies.

### **Teenage Pregnancy and Reproductive Health** - Philip Baker 2007

This book considers the issue of teenage sexuality and pregnancy from historical, international and regional perspectives. Expert authors question whether teenage pregnancy should be regarded as a social or as an obstetric 'problem' and the roles of diet and nutrition are considered. Strategies for reducing teenage pregnancy rates are assessed, including sex education, contraception and service provision, together with evidence for the efficacy of the interventions reviewed. Methods of reducing social exclusion among teenage parents and their families, such as Sure Start Plus, housing, education and childcare, are discussed. Most importantly, the perspectives of young women, men and parents are included. This wide-ranging review of the important questions and issues around teenage pregnancy and reproductive health will be of interest and of value not only to members of the RCOG but also to healthcare

practitioners in other disciplines for whom the health and welfare of adolescents is of key concern.

**Why Do Women Crave More Sex in the Summer?** - Patricia Barnes-Svarney 2012-06-05  
It's been said that every woman is a mystery waiting to be solved... And for as long as women have been around, no one has unraveled the enigma that is the feminine of the species—until now. In this fun, fascinating, head-to-toe female look at bodies, brains, love, sex and shiny objects, the answers to the questions that have confounded humanity for ages are finally revealed! Within this book are the answers to more than one hundred often-asked questions about women. Here, science writer Patricia Barnes-Svarney offers insights into the minds and bodies of the fairer sex, such as... Why do pregnant women have cravings? How do the media affect a woman's brain? Why should women be concerned about germs? And why do women crave more sex in the summer? For women and anyone who wants to know more about women, or only thinks they know about women, *Why Do Women Crave More Sex in the Summer?* is guaranteed to inform, enlighten, entertain, and answer the questions women have always wanted answered.

### **Will Puberty Last My Whole Life?** - Julie Metzger, RN, MN 2018-08-21

This flip book for boys and girls between the ages of 9 and 12 has questions asked by girls in one half of the book; flip it over and questions asked by boys are on the other side. Contains honest, informative, and reassuring answers to questions pre-adolescents have about puberty, friends, feelings, sex, pimples, babies, body hair, menstruation, bras, and much more. Straightforward, age-appropriate answers to REAL questions from preteens are provided by an experienced nurse-and-physician team who have been giving popular seminars to moms and daughters, and dads and sons, in Seattle and Palo Alto for more than twenty years. Each of the questions in the book has been asked--many of them frequently!--by kids during their seminars. Filled with fun, full-color illustrations throughout.

### **Asking for a Pregnant Friend** - Bailey Gaddis 2021-06-01

The Straight Scoop on the Questions That Make  
*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-01-26  
by guest

You Blush Why do I feel turned on when breastfeeding? Could an epidural paralyze me? Am I awful for feeling sad my baby isn't the sex I'd hoped for? In this comprehensive new book, doula and birth educator Bailey Gaddis offers frank girlfriend talk and expert advice about pregnancy, childbirth, and early motherhood. During her own pregnancy, Bailey had many unanswered questions she felt were too taboo or embarrassing to ask. To help other women have a more informed, less cringey experience, she went on to train as a birth professional, and her work has inspired this book. Bailey consulted with medical experts and psychologists to ensure accurate answers to the featured questions, and she presents her sought-after expertise to you with thoughtfulness and humor. Her accurate, nonjudgmental answers to even the most embarrassing or scary questions will help guide you through pregnancy and the first weeks of motherhood with greater calm and confidence.

**Cool and Celibate?** - David Bull 1998

Examines various aspects of teenage sexuality, including anatomy, sexually transmitted diseases, pregnancy, relationships, homosexuality, and sexual intercourse. Includes a case study of a teenage couple deciding whether or not to have sex.

*Your Pregnancy Questions and Answers* - Glade B. Curtis 2004-06-30

With answers to more than 1,200 frequently asked questions, *Your Pregnancy Questions and Answers* is the ideal pregnancy and childbirth companion. Questions and answers are arranged by subject and grouped logically within each chapter so that everything mothers want and need to know before, during, and after pregnancy is easily accessible. This beautifully illustrated guide includes information on everything from pregnancy preparation to changes in the developing baby, from sex during pregnancy to labor and delivery.

**A Woman's Guide to Sexual Health** - Mary Jane Minkin 2005-01-01

A prominent gynecologist explains how to make the best choices for female reproductive health in this authoritative, easy-to-read guide. This book is for every woman who has wished for an unhurried, personal conversation with a sympathetic doctor who will answer her

questions about reproductive health. Dr. Mary Jane Minkin, a gynecologist practicing for more than 25 years, presents a complete and up-to-date guide to a healthy reproductive system for women in their teens through middle age. With warmth and understanding, Dr. Minkin and coauthor Carol V. Wright respond to questions about the gynecological issues that concern women today, including sexual activity, contraception, and family planning. Readers of *The Yale Guide to Women's Reproductive Health* will learn how the female body works, what problems may arise, and what solutions are available—in short, they will become better prepared to participate in their own health care and to make healthy decisions.

**Studies in the Psychology of Sex VI: Sex in Relation to Society** - Havelock Ellis 2016-08-25

The origin of these Studies dates from many years back. As a youth I was faced, as others are, by the problem of sex. Living partly in an Australian city where the ways of life were plainly seen, partly in the solitude of the bush, I was free both to contemplate and to meditate many things. A resolve slowly grew up within me: one main part of my life-work should be to make clear the problems of sex. That was more than twenty years ago. Since then I can honestly say that in all that I have done that resolve has never been very far from my thoughts. I have always been slowly working up to this central problem; and in a book published some three years ago—*Man and Woman: a Study of Human Secondary Sexual Characters*—I put forward what was, in my own eyes, an introduction to the study of the primary questions of sexual psychology. Now that I have at length reached the time for beginning to publish my results, these results scarcely seem to me large. As a youth, I had hoped to settle problems for those who came after; now I am quietly content if I do little more than state them. For even that, I now think, is much; it is at least the half of knowledge. In this particular field the evil of ignorance is magnified by our efforts to suppress that which never can be suppressed, though in the effort of suppression it may become perverted. I have at least tried to find out what are the facts, among normal people as well as among abnormal people; for, while it seems to me that the physician's training is necessary in

order to ascertain the facts, the physician for the most part only obtains the abnormal facts, which alone bring little light. I have tried to get at the facts, and, having got at the facts, to look them

simply and squarely in the face. If I cannot perhaps turn the lock myself, I bring the key which can alone in the end rightly open the door: the key of sincerity. That is my one panacea: sincerity...
