**The Cane Groves Of Narmada River** - Andrew Schelling 2017-11-20

An exceptional selection of erotic poetry from ancient India, The Cane Groves of Narmada River features poems composed from the second century CE to the sixteenth century. Starting with several poems from the Prakrit anthology attributed to King Hala, the Sattasai, the book then takes in its sweep some of the most famous and enduring erotic poems composed in Sanskrit (and related vernacular traditions) by poets like Amaru, Bhavabhuti, Bhartrihari, Hemachandra and Vidya among others. Uninhibited, poignant and filled with tenderness and longing, these poems are a glorious celebration of love, sex and beauty. Through the whole night we slowly made

love, body pressed against body, cheek against cheek. We spoke every thought that came into mind. Lost in each other's arms lost in words, we never noticed dawn had come the night flown.

**R.K. SINGH'S POETRY: INTERVIEWS & VIEWS** - RAM KRISHNA SINGH

Anatomy of a Poet - C. J. Heck 2013-04

Poetry can be daunting and hard to understand, but it doesn't have to be. I feel a poet has an obligation to write in a way that everyone can understand. Poems should flow softly through a poet's words, their meanings gently caressing the heart and mind of its reader. If a poem comes from the heart, it will reach other hearts, and this is what I've tried to do with the poetry

in "Anatomy of a Poet." CJ Heck "Like a rose with many petals and sharing its sweet aroma, this is how I see and feel about the love of my life, CJ Heck. She is my electric blue-eyed girl. She can be both a little girl, or a strong woman, whenever and wherever the situation calls for it. She is both sensuous and exciting, and soft and affectionate. Tragedy struck her life early with the death of her husband in Vietnam. This experience laid open the very core of her heart and soul and opened the channel to a well of compassion and sensitivity that waited deep within. Her pain was the fertilizer that helped her bloom as a writer. CJ's poetry is not a surface observation, but a soulful interpretation of the events and people that inspired her. She writes both eloquently and simply of things that touch her heart, things she wants to share. She is gifted at painting a picture with words on the heart and imagination of others, thereby communicating not just an image, but a life experience. I feel very honored to have been

asked to write this introduction and share my feelings about CJ Heck. She is the water for my soil, the sunlight for my petals and the nurturer of my growth. Sit back, open your heart and enjoy the journey as revealed through her words, images and emotions. You are blessed by this opportunity to know her in words, as I know her in life." Robert S. Cosmar, Author "This is my kind of poetry. Direct, beautifully expressed and without a hint of pretension." Allison Cassidy "CJ is predominately viewed as a writer of works for children, but CJ now carries over her approach to more adult themes. In doing so, she presents a profound world that is deeply sad, incredibly humorous and sometimes very intimate." Joseph Daly "I love learning new words, especially when they are explained with such diaphanous clarity. Whether she talks of love, children, life, or any other subject, CJ's words are always clear and harmonious. She makes us forget that easy to read is hard to write." Marc Mimouni (London, United Kingdom) "CJ Heck is a very talented

author. Her words are enlightening and charismatic to people of all ages. It is a privilege and honor to read her prolific pen." Janet Caldwell (Managing Editor, Inner Child Magazine

**Erotic Poems** - e. e. cummings 2010-01-26

E. E. Cummings's erotic poems and drawings gathered in a single volume. Many years ago the prodigious and famously prolific E. E. Cummings sat in his study writing and thinking about sex. His private brooding gave way to poems and drawings of sexual and romantic love that delight and provoke. Here, collected for this first time in a single volume, are those erotic poems and sketches, culled from Cummings's original manuscripts by the distinguished editor George James Firmage. from "16" may i feel said he (i'll squeal said she just once said he) it's fun said she (may i touch said he how much said she a lot said he) why not said she

*Chinese Erotic Poems* - Tony Barnstone  
2007-10-16

A dazzling collection of Chinese erotic poems about deep love and pure lust, enticement and seduction, ecstasy and disappointment, that span nearly three thousand years and include many poems never before translated into English. The ancient Chinese tradition of erotic poetry has been largely ignored in the west. Now, a vast continent of sensual verse is opened to us with this glorious collection spanning nearly Here are poems that express need, hunger, grief, and longing—for husbands and wives and for concubines and lovers; poems by turns explicit or subtle, light-hearted or desperate, written from both men's and women's points of view. The editors have drawn on a wide range of sources from 600 BCE to the present, including highly literary poems, popular verse, and folk songs, as well as poems that appeared in ancient Daoist sex manuals, in classical novels of the Ming Dynasty, and in collections of erotic prints. The result is an array of voices that speak the universal language of desire. For the first

time, all the major works of this beloved writer are gathered together in one hardcover volume. [Ovid's Erotic Poems](#) - Ovid 2014-09-16

The most sophisticated and daring poetic ironist of the early Roman Empire, Publius Ovidius Naso, is perhaps best known for his oft-imitated *Metamorphoses*. But the Roman poet also wrote lively and lewd verse on the subjects of love, sex, marriage, and adultery—a playful parody of the earnest erotic poetry traditions established by his literary ancestors. The *Amores*, Ovid's first completed book of poetry, explores the conventional mode of erotic elegy with some subversive and silly twists: the poetic narrator sets up a lyrical altar to an unattainable woman only to knock it down by poking fun at her imperfections. *Ars Amatoria* takes the form of didactic verse in which a purportedly mature and experienced narrator instructs men and women alike on how to best play their hands at the long con of love. *Ovid's Erotic Poems* offers a modern English translation of the *Amores* and

*Ars Amatoria* that retains the irreverent wit and verve of the original. Award-winning poet Len Krisak captures the music of Ovid's richly textured Latin meters through rhyming couplets that render the verse as playful and agile as it was meant to be. Sophisticated, satirical, and wildly self-referential, *Ovid's Erotic Poems* is not just a wickedly funny send-up of romantic and sexual mores but also a sharp critique of literary technique and poetic convention.

**The Galloping Hour: French Poems** - Alejandra Pizarnik 2018-07-31

A beautifully produced and exquisitely translated edition of French poems by “the best exponent of the poetry of introversion and metaphorical delirium” (Italo Calvino) *The Galloping Hour: French Poems*—never before rendered in English and unpublished during her lifetime—gathers for the first time all the poems that Alejandra Pizarnik (revered by Octavio Paz and Roberto Bolano) wrote in French. Conceived during her Paris sojourn (1960-1964) and in

Buenos Aires (1970–1971) near the end of her tragically short life, these poems explore many of Pizarnik’s deepest obsessions: the limitation of language, silence, the body, night, sex, and the nature of intimacy. Drawing from personal life experiences and echoing readings of some of her beloved/accursed French authors—Charles Baudelaire, Germain Nouveau, Arthur Rimbaud, and Antonin Artaud—this collection includes prose poems that Pizarnik would later translate into Spanish. Pizarnik’s work led Raúl Zurita to note: “Her poetry—with a clarity that becomes piercing—illuminates the abysses of emotional sensitivity, desire, and absence. It presses against our lives and touches the most exposed, fragile, and numb parts of humanity.”

*Color, Sex, and Poetry* - Gloria T. Hull  
1987-06-22

Focusing on the lives and writings of Alice Dunbar-Nelson, Angelina Weld Grimke, and Georgia Douglas Johnson, the author examines the overall place of women in the Harlem

Renaissance, and the intersection of gender and race in their poetry. Hull chose these women not only because of their unique individualities, but because they represent black women/writers struggling against unfavorable odds to create their personal and artistic selves. She demonstrates the linkages among the three writers and how each one in turn interacted with other leading black women fiction writers such as Nella Larson and Jessie Fanset. She also examines the significance of these three women poets as literary ancestors to Gwendolyn Brooks, Mari Evans, Nikki Giovanni, Audre Lourde, and Sonia Sanchez. ISBN 0-253-34974-5: \$29.95; ISBN 0-253-20430-5 (pbk.): \$10.95.

*Sir Gawain and the Green Knight* - R. A. Waldron  
1970

Chrysanthemum loves her name, until she starts going to school and the other children make fun of it.

**The Best American Erotic Poems** - David Lehman  
2008-02-05

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2022-09-10  
by guest

There is a deep tradition of eroticism in American poetry. Thoughtful, provocative, moving, and sometimes mirthful, the poems collected in *The Best American Erotic Poems* celebrate this exuberant sensuality. These poems range across the varied landscapes of love and sex and desire -- from the intimate parts of the body to the end of an affair, from passion to solitary self-pleasure. With candor and imagination, they capture the delights and torments of sex and sexuality, nudity, love, lust, and the secret life of fantasy. David Lehman, the distinguished editor of the celebrated *Best American Poetry* series, has culled a witty, titillating, and alluring collection that starts with Francis Scott Key, Emily Dickinson, Walt Whitman, and Hart Crane, encompasses Frank O'Hara, Anne Sexton, John Updike, Charles Simic, Billy Collins, Kevin Young, and Sharon Olds, and concludes with the rising stars of a whole new generation of versifiers, including Sarah Manguso, Ravi Shankar, and Brenda

Shaughnessy. In a section of the book that is sure to prompt discussion and further reading, the living poets write about their favorite works of erotic writing. This book will delight, surprise, and inspire.

**Let Me Put My Poems In You: Love! Sex! Comedy! Prejudice?** - Matthew James

2015-02-14

Perhaps the greatest book of poetry ever written. Matthew James is a sheer genius and a cunning linguist. He paints words onto a page the way da Vinci did onto ceilings, or was that Michelangelo? Either way, he's impressive. The emotionality of this master work explodes from the pages and hits you straight in the face with a walloping force. This book will mesmerize and provocatize. Nothing is taboo to Matthew James. He regularly breaks boundaries with his insights on subjects like sex, liquor fuelled promiscuity, and women. Considered by the Incas to be a cross between William Shakespeare and Wilt Chamberlain, Matthew James is truly a genius of

our time. Please, let him put his poems in you.  
They won't disappoint.

**Erotic Poems** - Johann Wolfgang von Goethe  
2008-07-10

This unique bilingual edition of Goethe's erotic poems contains the Roman Elegies (1789), The Diary (1810), and a selection from the Venetian Epigrams of 1790. David Luke's translations do full justice to Goethe's aim of liberating German poetry and restoring sexual love to its central position in human life. Hans Vaaget's fine introduction provides the background to these poems, as well as showing some of the profound and little-known connections between them.

**The Book of Modern Poems** - Christopher R. Abbott 2009-05

THE BOOK OF MODERN POEMS... is a series of 57 modern-day rhyming poems covering a wide range of topics including personal experiences, life lessons, lost love, and redemption. There is something to be realized, found, or related to for everyone, no matter what age, sex, or

background one happens to be. The way in which the poems are written are often similar to songwriting.

**Sex Poems for Virgins** - Donald Wells 2008-12

These poems are breathtakingly beautiful...Thought provoking...One poem would make me laugh and a page later, I d cry.Donald Wells is a remarkable talent.SEX POEMS FOR VIRGINS is a collection of poems written by Donald Wells in rhyme, they are sometimes humorous, often unique and frequently thought provoking.

"And Never Know the Joy" - 2016-08-29

"And Never Know the Joy" : Sex and the Erotic in English Poetry promises the reader much to enjoy and to reflect on: riddles and sex games; the grammar of relationships; the cunning psychology of bodily fantasies; sexuality as the ambiguous performance of words; the allure of music and its instruments; the erotics of death and remembrance, are just a few of the initial themes that emerge from the twenty-five articles

to be found in this volume, with many an invitation "to seize the day". Reproduction, pregnancy, and fear; discredited and degraded libertines; the ventriloquism of sexual objects; the ease with which men are reduced to impotence by the carnality of women; orgasm and melancholy; erotic mysticism and religious sexuality; the potency and dangers of fruit and flowers; the delights of the recumbent male body and of dancing girls; the fertile ritual use of poetic texts; striptease and revolution; silent women reclaimed as active vessels, are amongst the many engaging topics that emerge out of the ongoing and entertaining scholarly discussion of sex and eroticism in English poetry.

*The Botanic Garden* - Erasmus Darwin 1825

### **The Priapus Poems** - 1999

Unmistakable by virtue of his exaggerated phallus, Priapus--one of Rome's minor fertility gods--inspired a host of epigrammatic poems that offer one of the best primary sources for the

study of ancient sexuality. Despite their apparent frivolity, the Priapus poems raise basic questions of class and gender, censorship, and the nature of obscenity. The god's self-conscious indecency placed him squarely in the realm of comedy, but his role as guardian of fertility also gave him a deep religious significance. Richard Hooper's introduction explores this important duality and places the poems in their historical context. Essentially graffiti clothed in the refined forms of classical poetry, *The Priapus Poems* offers the reader "a trip to Coney Island in a Rolls Royce." Hooper's lively translation makes these playful poems available for the first time to the nonspecialist in an appealing, elegant, and readable version. This edition includes the original Latin texts as well as a commentary on classical references and textual problems.

*Truly Disgusting: a Book about Women for Men* - Michael Webster 2017-06-23

They say poetry is the food of love; well these poems definitely aren't due to adult content such

as Sexual situations, Adult style observations and STD's etc. These poems which are strictly for the over 18's contain a little truth about bodies and sex that some of the more adventurous (or unlucky, however you want to put it) readers can relate to. If you are not easily offended and like to LAUGH be SHOCKED or even DISGUSTED these poems of SEX related antics are just for you.

Gender and Sexuality in T. S. Eliot's The Waste Land - Theresia Knuth 2007-03-10

Essay from the year 2007 in the subject English Language and Literature Studies - Literature, grade: A2 (highly excellent), University of Edinburgh (Department of English Literature), course: Modernism, 6 entries in the bibliography, language: English, abstract: The rise of feminist theory during the last decades provoked a reconsideration of the general focus of interpreting literary texts, and literary criticism has been largely engaged in a rereading of canonical author's works in terms

of gender and sexuality while many definitions underwent a necessary revision. Modernist works, especially poetry, are a rewarding source for an interpretation in these terms since due to their fragmentary, ambivalent nature and lack of thematic clarity they offer much room for different interpretations. With its predominating sexuality, Freudian psychoanalysis and questions of sex and gender sneaked into the modernist world. In this essay I will attempt a reading of T. S. Eliot's The Waste Land in order to see in how far such issues are implied. 1 My understanding of 'gender' follows that of Judith Butler, who pointed out that gender is not only socially constructed in discourse rather than biologically predetermined, but also performative. 2 This is quite evident in Eliot's poem. Moreover, in modernist texts sexuality seems to lose romance and meaning. In Eliot's case such a loss seems connected with personal experience. His marriage with Vivien Haigh-Wood was problematic from the beginning on and

worsened increasingly, and while working on *The Waste Land* he had a nervous breakdown. The poem is divided into five parts and features various narrative voices which cannot always be identified unmistakably, especially in terms of the speaker's gender. In order to examine the depiction of gender and sexuality in the poem, I will proceed mostly chronologically and focus on the depiction of the love relationships. Due to the limited scope of this paper I cannot, by far, include all relevant themes, let alone the numerous other related fragments and themes. The focus is therefore on the hyacinth girl, the Fisher King and Phlebas / Eugenides, the couple and Lil and Philomel, as well as Tiresias and the typist. Images of fertility and homoerotic desire will be considered alongside the character depictions. [...]

**The Poetry of Sex** - Sophie Hannah 2014-01-30  
*The Poetry of Sex* - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah  
 'We've been at it all summer, from the Canadian

border to the edge of Mexico . . . ' It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah's selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. It is essential reading for poetry lovers and romantics everywhere. Sophie Hannah has published five collections of poetry. Her fifth *Pessimism for Beginners* was shortlisted for the T.S. Eliot Award in 2007. Her *Selected Poems* is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most
