The Linnet Bird Linda Holeman 2011-09-01 'For you, I will write of it all - part truth, part memory, part nightmare - my life, the one that started so long ago, in a place so far from here...' India, 1839: Linny Gow, a respectable young wife and mother, settles down to write her life story. To outside appearances Linny is the perfect Colonial wife: beautiful, gracious, subservient. But appearances can be very deceptive ... An unforgettable book, richly descriptive and mesmerising from the start, *The Linnet Bird* is the spellbinding story of the journey of Linny Gow - child prostitute turned social climber turned colonial wife turned adventuress. Frequently disturbing, often moving and always enthralling, it is that rare thing: a once-in-a-lifetime read.

The Paper Daughters of Chinatown Heather B. Moore 2021-09-07 Based on true events, *The Paper Daughters of Chinatown* is a powerful story about a largely unknown chapter in history and the women who emerged as heroes. In the late nineteenth century, San Francisco is a booming city with a dark side, one where a powerful underground organization-the criminal tong-buys and sells young Chinese women into prostitution and slavery. These "paper daughters," so called because fake documents gain them entry to America but leave them without legal identity, generally have no recourse. But the Occidental Mission Home for Girls is one bright spot of hope and help. Told in alternating chapters, this rich narrative follows the stories of young Donaldina "Dolly" Cameron, who works in the mission home, and Mei Lien, a "paper daughter" who thinks she is coming to America for an arranged marriage but instead is sold into a life of shame and despair. Dolly, a real-life pioneering advocate for social justice, bravely fights corrupt officials and violent gangs, helping to win freedom for thousands of Chinese women. Mei Lien endures heartbreak and betrayal in her search for hope, belonging, and love. Their stories merge in this gripping account of the courage and determination that helped to shape a new course of women's history in America.

Between Two Fires Christopher Buehlman 2012-10-02 "Buehlman...slips effortlessly into a different kind of literary sensibility, one that doesn't scrimp on earthy humor and lyrical writing in the face of unspeakable horrors."* The year is 1348. Thomas, a disgraced knight, has found an orphan of the Black Death in a Norman village. An almost unnerving picture of innocence, she tells Thomas that the plague is only part of a larger

cataclysm—that the fallen angels under Lucifer are rising in a second war on Heaven. But is it delirium or is it faith? She believes she has seen the angels of God. She believes the dead speak to her in dreams. And now she has convinced the faithless Thomas to shepherd her across an apocalyptic landscape to Avignon. There, she tells Thomas, she will fulfill her mission. There her true nature will be revealed. And there Thomas will confront an evil wrestling for the throne of Heaven, and which has poisoned his own soul. *Kirkus Reviews

The Homesman Glendon Swarthout 2014-02-11 Now a major film directed by and starring Tommy Lee Jones and co-starring Meryl Streep, Hilary Swank, and John Lithgow, this classic Western novel captures the devastating realities of early frontier life through the eyes of one extraordinary woman. Now a major motion picture directed by Tommy Lee Jones, *The Homesman* is a devastating story of early pioneers in 1850s American West. It celebrates the ones we hear nothing of: the brave women whose hearts and minds were broken by a life of bitter hardship. A “homesman” must be found to escort a handful of them back East to a sanitarium. When none of the county’s men steps up, the job falls to Mary Bee Cuddy—ex-teacher, spinster, indomitable and resourceful. Brave as she is, Mary Bee knows she cannot succeed alone. The only companion she can find is the low-life claim jumper George Briggs. Thus begins a trek east, against the tide of colonization, against hardship, Indian attacks, ice storms, and loneliness—a timeless classic told in a series of tough, fast-paced adventures. In an unprecedented sweep, Glendon Swarthout’s novel won both the Western Writers of America’s Spur Award and the Western Heritage Wrangler Award. A new afterword by the author’s son Miles Swarthout tells of his parents Glendon and Kathryn’s discovery of and research into the lives of the oft-forgotten frontier women who make *The Homesman* as moving and believable as it is unforgettable.

Summer at Hideaway Key Barbara Davis 2015-08-04 From the author of *The Wishing Tide* comes a stunning new novel about two summers, one journal, and the secrets that can break and open our hearts.... Pragmatic, independent Lily St. Claire has never been a beachgoer. But when her late father leaves her a small house on Hideaway Key—one neither her mother nor she knew he owned—she's determined to visit the sleepy spit of land along Florida's Gulf Coast. Expecting a quaint cottage, Lily instead finds a bungalow with peeling shutters and mountains of memorabilia. She also catches a glimpse of the architect who lives down the beach.... But it's the carton of old journals in the front room that she finds most intriguing. The journals were written by her mother's sister, an infamous beauty whose name has long been banned from the St. Claire home. The journals tell a family tale Lily has never heard, of her mother and her aunt as young girls in Tennessee and the secrets that followed them into adulthood. As she reads, Lily gains a new understanding: about her family and about herself. And she begins to open her heart—to this place, these people, and the man next door. But can she ever truly learn to trust, to believe that love is not a trap but a harbor? And is it true that hearts, even broken ones, can be forged anew?

White Dresses Mary Pflum Peterson 2015-09-15 In this riveting, poignant memoir of three generations of women and the white dresses that adorned them—television producer Mary Pflum Peterson recounts a journey through loss and redemption, and her battle to rescue her mother, a former nun, from compulsive hoarding. As a successful television journalist at Good Morning America, Mary Pflum is known as a polished and highly organized producer. It's a persona at odds with her tortured childhood, where she watched her emotionally vulnerable mother fill their house with teetering piles of assorted "treasures." But one thing has always united mother and daughter—their love of white dresses. From the dress worn by Mary's mother when she became a nun and married Jesus, to the wedding gown she donned years later, to the special nightshirts she gifted Mary after the birth of her children, to graduation dresses and christening gowns, these white dresses embodied hope and new beginnings. After her mother's sudden death in 2010, Mary digs deep to understand the events that led to Anne's unraveling. At twenty-one, Anne entered a convent, committed to a life of prayer and helping others. But lengthy periods of enforced fasting, isolation from her beloved students, and constant humiliation eventually drove her to flee the convent almost a decade later. Hoping to find new purpose as a wife and mother, Anne instead married an abusive, closeted gay man—their eventual divorce another sign of her failure. Anne retreats into chaos. By the time Mary is ten, their house is cluttered with broken appliances and stacks of unopened mail. Anne promises but fails to clean up for Mary's high school graduation party, where Mary is being honored as her school's valedictorian, causing her perfectionist daughter's fear and shame to grow in tandem with the heaps upon heaps of junk. In spite of everything, their bond endures. Through the white dresses, pivotal events in their lives are celebrated, even as Mary tries in vain to save Anne from herself. Unflinchingly honest, insightful, and compelling, *White Dresses* is a beautiful, powerful story—and a reminder of the unbreakable bonds between mothers and daughters.

Sabriya Ulfat Idilbi 1999-01-01 Sabriya portrays life in Damascus in the 1920's. Central to the story is Sabriya's journey to self-knowledge, intertwined with the rise and eclipse of national and feminist awareness during her painful life. The national revolt is crushed by superior foreign power and Sabriya's personal emancipation is stifled by the traditional values of a patriarchal society. Written from the point of view of a young girl passionately committed to the nationalist cause but unable, because of her sex, to take an active part, it seethes with the frustrated energy of the reluctant bystander and vividly expresses the terror of civilians living in a city rocked nightly by explosions.
