The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde

deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Signs of Attraction - Laura Brown 2016-06-14

"Brown offers a powerful look into the world of hearing loss... a notable and groundbreaking debut by an author to watch. An empowering and satisfying romance." -- Kirkus Reviews Do you know what hearing loss sounds like? I do. All my life I've tried to be like you. I've failed. So I keep it hidden. But on the day my world crashed down around me, Reed was there. He showed me just how loud and vibrant silence can be, even when I struggled to understand. He's unlike anyone I've ever known. His soulful eyes and strong hands pulled me in before I knew what was happening. And as I saw those hands sign, felt them sparking on me, I knew: imperfect could be perfect. Reed makes me feel things I've never felt. It's exciting . . . and terrifying. Because he sees me like no one else has, and I'm afraid of what he'll find if he looks too closely. The only thing that scares me more than being with him? Letting him go. An Avon Romance

Cues - Vanessa Van Edwards 2022-03-03

It's not enough to have great ideas. You also need to know how to communicate them. What makes someone charismatic? Why do some people captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? Cues - the tiny signals we send to others 24/7 through our body language, facial expressions, word choices and vocal inflection - have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likability and charisma in every interaction. You'll learn: - Which vocal cues make you sound more confident - Which body language cues assert, 'I'm a leader, and here's why you should join me' - Which verbal cues to use in pitches, branding and emails to increase trust (and generate excitement about interacting with you) - Which visual cues you are sending in your profile pictures, clothing and professional brand Whether you're pitching an investment, negotiating a job offer or having a tough conversation with a colleague, Cues can help you improve your relationships, express empathy and create meaningful connections with lasting impact. 'A must-have guide to becoming an unstoppable force' - Mel Robbins 'Packed with invaluable strategies for maximizing your message, Van Edward's energy will inspire you to become the best possible version of yourself' - Nir Eyal

Reading Female Body Language - Jaqueline Moeykens Cruz

2020-11-11

Have you ever thought everything was going great on a date, but then you never heard from your date again? Have you ever suspected that

your date could be a manipulative gold digger or was lying to you? Do you have trouble telling the difference between someone flirting with you or just being friendly? The biggest problem that people have when dating is misunderstanding their date's interests, desires, or if they are attracted to them or not. Not being able to accurately read body language can lead you to disappointment, heartache, and much misunderstanding. Reading Female Body Language is an excellent tool towards recognizing and validating unspoken behavior. This Illustrated book was written to help you to decode women's nonverbal cues, and be one step ahead in the dating field, creating significantly smoother and successful interactions. I will tell you what a woman means with no filters or sugar-coating. You will find a simple, relaxed, and explicit conversation in this book directed to men. But everyone can take advantage of this knowledge for self-validation, improvement of seduction skills, and a better understanding of their natural reactions. The better you use this skill in your interactions, the sexier you will be perceived. Master your body language to appear more seductive, attractive, and irresistible. Stop overthinking, get the answers, and just interact easily, intensely, and pleasantly! Note: For scientific reinforcement, we will base our studies on the Facial Action Coding System, which is used by psychotherapists, interviewers, computer scientists for facial recognition, and animators from Apple, Pixels, and Disney. Talk to you inside on this adventurous journey!

How to Be a Chick Magnet - Calvin Biggs 2014-11-09

If you want to be nothing short of a total chick magnet, then this book is for you! For women, attraction is not a choice. If women could choose who they were attracted to, then they wouldn't continually end up with the same emotionally vacant douchebags, who treat them poorly, drink too much, all while managing to still live in their mom's basement. Most of these "chick magnets" are clueless as to how or why they attract women. It's something they just do. While on the other hand, there are guys out there who appear to be doing everything right - they get up and go to work every morning, they're respectful towards women (and people in general), they're smart, funny - but they have the worst luck with the ladies. The reason for this discrepancy boils down to one thing: the reality of physical attraction for women. Most men have trouble understanding that a woman's way of perceiving male physical attraction is completely unlike a man's perception of female physical attraction. This book will help you understand and master the science of female physical attraction so you can be a chick magnet too.
