Love Songs in a Secret Space - Rita Wisdom 2022-12-10

Love Songs in a Secret Place is both a book and corresponding album of music by the same name. This work is the song book of my life, and each chapter focuses on a song I wrote. Our family's stories provide the context for lyrics, and the songs reflect my deepest emotions about God, my family, others, and myself. Some songs even express God's magnanimous love for us. You can soon find the songs on Spotify and other music streaming services as Love Songs in a Secret Place: The Songs. The book has twin purposes: (1) to extol the uncreated architect of everything, the creator of music, who sings over us and (2) to explore the secret place inside each of us that God created for Himself. The paired work of book and music, then, is our family's story of discovering God's love songs over us and understanding the secret place He created in us just for Himself. I'm grateful that God not only sings to us, but He creates us with a desperate longing for something more, a sacred hunger for something we cannot find until we discover Him. We can trust God's Word on both points. Come and hear how I know Zephaniah 3:17 is true: "For the Lord your God is living among you. He is a mighty savior. He will take delight in you with gladness. With his love, he will calm all your fears. He will rejoice over you with joyful songs."

Shan'ge, the 'Mountain Songs' - Yasushi OKI 2011-02-17

Mountain Songs is a collection of folk songs edited by the famous writer Feng Menglong (1574-1646). By this innovative work - mainly written in the Suzhou dialect - he aimed to revitalize poetry through the power of popular songs. This collection is very significant to the understanding of the characters of the mobile society of Jiangnan and the vitality of its intellectual world. The songs deal with the lives of common people: women, often prostitutes, boatmen, peasants, hunters, fishers and paddlers. Their spirit is far from the orthodox moral intents that Zhu Xi advocated for interpreting the Shijing, and their language is often vulgar

and full of crude expressions or salacious double meanings and contains allusions to sexual and erotic behaviour.
