But when each Maverick falls head-over-heels for an incredible woman he never saw coming, he will soon find that true love is the only thing he ever really needed... An exciting and emotional contemporary romance series from New York Times and USA Today bestselling authors Bella Andre and Jennifer Skully! Will Franconi has a dark past that he's kept a closely guarded secret—very few people have ever heard his real story and he plans to keep it that way. After surviving a hellish childhood, he's now living the dream life where everything he touches turns to gold. But something's missing. He doesn't quite know what until a simple letter from a teenage boy brings Harper Newman into his life. A woman who just might fill up the empty places inside him...if only he could ever be worthy of her love. When a man has more money than he could possibly spend in five lifetimes, Harper has to ask herself what Will Franconi could possibly want from a woman like her? She's learned the hard way that rich men always get what they want no matter the cost. If it was just herself she had to worry about, Harper would manage, but she's guardian to her younger brother who depends on her for everything. After nearly losing his life in a car crash, she's vowed never to let anyone hurt him ever again. Still, sometimes Harper can't help but long to change her story from one of an always-cautious woman to an adventurous tale of a heroine who's wild and free...especially when Will's kisses and caresses make her utterly breathless. And as he begins to reveal his story to her, she discovers that he's so much more than just another wealthy, privileged man. He's kind and giving, and he fills up all the spaces inside of her heart that have been empty for so long. Played Ada Stuart 2020-03-01 "Be careful," he had warned her, in his stern, controlled voice as if he was talking to a child. And did she listen? Nope. Instead, she had gotten drunk and landed herself in bed with the man of her dreams. Making steamy sex with the hottest man around. The only problem: He was the wrong man. As the lights come on, Ava finds herself staring into the dark and angry eyes of his much older brother. And he's seriously pissed off. Probably because she screamed his brother's name while she climaxed. That explains why he was somewhat... uhm... reluctant, when she crawled into his bed. But why did he accept it? Why did he make love to her when he realised who she was? Could he have some real feelings for her? Nevertheless, he hates her guts and she's staying the hell away from him. End of story. Until she finds out that he's her new boss and she can't stop fantasising about him. Has she gone for the wrong brother all along? ----- "Played" is a steamy hot Billionaire Friends to Lovers Office Romance. Full length, explicit sex scenes, standalone, no cheating or cliffhangers - and Happily Ever After. Reader advisory: This story contains elements of non-consensual sex and very explicit sex scenes. Themes: Mistaken identity, Alpha male, Friends to lovers, Best friend's older brother, Protector, Happily ever after, Billionaire romance, Office romance, Matchmaking, Pranks, Love triangle, Opposites attract, Taming the playboy, Unrequited love --- Excerpt: "So good looks is the most important feature in a man?" he asked icily. "No, I didn't say that. I was using another part of my body when I came to that conclusion." He roamed his eyes over her body, letting his eyes rest on her breasts for a moment too long. She could feel her heart rate jump as he seemed to judge her the same way he would judge a racehorse before he started bidding for it. Ooh my, she thought. Where had that idea come from? She had better stop at once and rein in her stupid thoughts. This was Damon, the parent-substitute. Always treating her like a silly child instead of the grown woman that she had become. "Don't forget to use your brain when choosing a man, Ava." "I'm not a teenager, Damon." "I know that. But you can still do stupid mistakes that cannot be undone." "Yes, yes, Damon. I'm behaving. Just watch me." Ava grinned at him, feeling the buzz from the alcohol reduce her nerves in front of his stern look. "Too much alcohol can lead you to a pity f*ck instead of the one you want." "You're not my brother, Damon. I'll do what I want." "I can still put you over my knee if you do something stupid," he said in a voice that sounded like a warning. She retreated a few steps and laughed at his words. She lifted her finger and waved it in front of him as if to say 'No'. "Ha! You will never dare to do such a thing, Damon, so it's no use giving empty threats." "Just keep that in mind, and we won't have to find out what I dare or not."

Knowing His Secret K.C. Falls **This is a free book. This freebie is part 1 of a series.** Tristan looked like the kind of man even my mother would call smokin' hot. Eventually, she did. He felt like the kind of man who didn't just break the rules, but made new ones. He led and it was follow or get out of the way. Why did a billionaire with a voice like liquid silk and a face like a bad angel take a second look at a girl in no-name jeans, with a fifteen-dollar haircut and a beat up car she calls her "Eep" because the 'J' fell off long ago? I didn't want to know why and when I thought I knew I didn't want to admit it. By the time I found his secret, it was already too late. His passion had me hooked like a drug. It didn't hurt that he pulled the people I love the most out of harm's way. A girl can get used to a knight in shining armor even when the armor has some very large dents in it. Part 2 of the Year of the Billionaire is "Taking His Risk" Part 3 of Year of the Billionaire is "Keeping His Promise". This is an adult erotic romance intended only for readers over 18. Twisted Betrayal Roxy Jordan 2019-11-20 Sarah bounced through the halls of her high school on her way to her locker to get her gym bag. She was so excited for the homecoming game she could barely contain herself. She and the rest of the cheerleading squad had been working for weeks now on their halftime routine. She grabbed her gym bag out of her locker and headed to the locker room to change. She walked in the locker room and found her girlfriends. Excited about the game they laughed and gossiped about the boys at school as they got ready. "So what do you think about the Amanda Trey fiasco?" one of the girls, Helen asked the group. "What I want to know is how Sarah plans on dealing with her Matt and Ryan fiasco," said her best friend since the third grade, Christine Clark. "Oh yuck, I don't want to talk about that right now," Sarah said. "Oh you mean you don't want to talk about you two most favorite people?" Christine teased her. "Ugh, fine since you're making me. Basically they are horrible, always staring and gawking at me from the back of the science lab. They are such freaks. Matt is the worst and is always trying to find some excuse or reason to talk to me. He's been doing it so much that even the other football players made some snide comment about him being my puppy dog. He even asked me to homecoming, with flowers!!! Like I would even go with someone as nerdy as him. It's terrible! I can't stand him," Sarah told the girls. "But enough of that. It's game time. Let's get out there and cheer girls!" and the rest of the squad followed her out onto the field. They cheered on the team as the game progressed. It came time for the halftime show and the girls took the center of the field and flawlessly performed their show. The home team wound up winning the game and that night Sarah got to make-out with her big crush Evan. Geez those were the days she thought as she smiled to herself. She was so much younger and had so much more hope for her future back then. Dreaming that she would someday make it big as a fashion designer. She had wanted to go away to design school after her senior year of high school but wound up staying at the local community college so that she could stay close to her high school sweet heart. Even and Sarah had continued their relations past that first night of making out and dated all the through high school and into college. During their sophomore year of college he had asked her to marry him. Young and in love and very naive she said yes. Just knowing that he was perfect for her. Even though so many signs throughout the years had told her that he was no good. It started in high school. The rumors that he was sleeping with other girls. One time she had even caught him kissing her friend Helen. That night had not ended well and she and Helen's friendship ended forever. But Evan did as most men do and begged and pleaded and promised that he would never do anything like that again and she had stupidly believed him. The truth was he did stuff like that all the time and continued abuse her trust in their relationship, sleeping with almost whomever he could get his hands on behind her back. Sarah was blind with love and enamored by his coolness and his good looks so she continued to play the fool unknowingly for years. They finally got married after their senior year of college. It was a simple and beautiful wedding with all of their friends and family by their side as they said, "I do." Neither of them came from a family with much money so they took a little honeymoon to the hot springs which were near to their town. By no means was it anything to write home about but she was happy with Evan and loved their little life together. Sworn to Him Delilah Fawkes 2017-05-18 The steamy, sizzling, fun and quirky fifth book in the best-selling series THE BILLIONAIRE'S BECK AND CALL, is now available as a full novel! This romance has an HEA, no cheating, and can be enjoyed as a standalone for those who haven't read the other books in this beloved series! Damien Black... And to think, when I woke up this morning, head splitting from the wild night before, I worried today might be boring. Then again, when you were a billionaire with nothing to do except whatever you pleased, that was always your greatest fear: that boredom would creep into your life with no cure in sight. When you've seen it all and done it all, every party tends to look the same--every supermodel blends in with all the others, and each bottle of fine champagne is identical to the last. And in the end, all you have to show

for your day is a hangover and the fact that you kept boredom at bay for one more day... barely. But this--this little thief with her big dolls eyes and her tight little body squirming in my arms--this was something new. Something exciting. No one ever dared cross me, the heir to the Black family's steel empire, or my family, for that matter. We ran this town, and everything and everyone knew it. No one messed with Damien Black... which is why I couldn't just let this little lady go. No, no. She was far too interesting to just set free. And beneath those baggy clothes and boy's baseball cap, she was far, far too pretty... Lilly Maverick... Stealing's easy. It's living honestly that's hard, which is why I stick with what I know. I was taught how to lift a wallet before I learned how to throw a ball or ride a bike, and over the years I got damn good at it. They say if you're good at something, you should make a living out of it, and you'll never work a day in your life... or something like that. Who the hell knows what normal folk do, with their 9-to-5's and their white picket fences? I sure ain't one of them, and I make my way the best way I know how. That's how I came to be in possession of the wallet of Mr. Damien Black, billionaire playboy, on that fateful June day, and how he suckered me into being his. Normally, I wouldn't spit on a man like him if he were on fire, even if he was the most gorgeous man I'd ever seen in my life. Folks like him and folks like me didn't mix, and that was that. Well, usually. But when I bumped into him as we waited in a crowd together at the crosswalk, we made eye contact for the briefest of moments. And it was then, I knew, my life was about to change forever... This often funny, devilishly charming romance has it all--lust, lies, love, and above all, an ending that you'll remember long after you put this book down! Boss Me Roxy Jordan 2019-10-31 I love it when the trees are so tall they have grown together above the lane so that I am driving in a tunnel of trees, the light just sparkling through the leaves like shiny copper pennies falling from heaven. Of course, I know Copper Ridge Ranch was named for the natural element once found in its soil, and if anything rains down on Marcus Elliott - it's not copper. It's thousand dollar bills. Do they even make those? If they do, I'm sure Mr. Elliott uses them like tissue paper. I take the corner a little too fast and hear the rattle of the food trays in the back. Great, that's all I need! On the day Marcus welcomes August Kalle into his home, I'm going to show up with a cheesecake covered in road rash! I'm lucky though. Not too much to unload on this trip. I started Carrie's Catering because I liked to cook and I needed a job. Little did I know I'd spend most of my time being a roadie - spending more time loading and unloading the van than mixing, baking or frosting all together. But, Copper Ridge Ranch is my flagstone client. They spend so much money and time on catering Mr. Elliott once asked me to consider moving into a guest house and just living here. He smiled while he spoke, waving his arms to emphasise his words. Nicholas nodded sagely as he pretended to listen. Not showing any sign of returning the man's brilliant smile. Maya moved closer. Feeling curious. "Aren't you going to introduce me, Nicholas?" she asked. Maya smiled at the young man. He seemed to be only a few years older than her. He had a healthy complexion that showed he enjoyed spending time outside. The young man returned her smile. "I'm Alfie, and I'm so pleased to meet such a lovely woman," he said and beamed at her. He held out his hand to greet her. "This is my sister, Maya. Touch her and die," Nicholas said coldly. The young man froze, his hand hanging in midair. "Ignore him, Alfie," Maya said. "He's not my brother. He's just afraid I'll lose my V-card on his watch." Both gawked at her. "Hi, I'm Maya. I'm so pleased to meet you," she said and shook his hand. "I'm 23 by the way, so I make my own decisions." "Dammit, Maya," Nicholas seethed beside her. "Why don't you

find a girlfriend to harass, Nicholas. I'm sure Alfie and I can find something interesting to talk about." "Piss off, Alfie!" Nicholas said and grabbed Maya's arm. He pulled her away from the shocked young man. With Nicholas holding her arm, he manoeuvred her into the hallway nearby. It was quiet. No one was near enough to hear. Maya sighed and prepared herself for another reprimand. Great. "Wow. That was subtle," Maya said. "I liked him. Why did you have to ruin it?" -----
