I Want to Be Where the Normal People Are - Rachel Bloom
2020-11-17

'One of the funniest books of the year' - Guardian A collection of hilarious personal essays, poems and even amusement park maps on the subjects of insecurity, fame, anxiety, and much more from the charming and wickedly funny creator of Crazy Ex-Girlfriend. "It's nice to know someone as talented as Rachel is also pretty weird. If you're like me and love Rachel Bloom, this hilarious, personal book will make you love her even more." - Mindy Kaling "Rachel is one of the funniest, bravest people of our generation and this book blew me away." - Amy Schumer Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her 'different', she's come to realise that a lot of people also feel this way; even people who she otherwise thought were 'normal'. In a collection of laugh-out-loud funny essays, all told in the unique voice (sometimes singing voice) that made her a star, Rachel writes about everything from her love of Disney, OCD and depression, weirdness, and female friendships to the story of how she didn't poop in the toilet until she was four years old. It's a hilarious, smart, and infinitely relatable collection (except for the pooping thing). Readers love I Want to Be Where the Normal People Are 'I adore Crazy Ex-Girlfriend and this book was exactly what I needed it to be. Would highly recommend.' 5* 'Rachel's voice is loud and clear from the first lines of the book. I've been missing it since Crazy Ex-Girlfriend . . . this time she's talking right to me, in my head, and it is like being part of this newfound Friendtopia.' 5* 'Heartfelt. Honest. Genuine. And funny as hell . . . Rachel writes about the things that could have broken her, but didn't,

in a very funny and raw way, and she doesn't hold back.' 5* 'Crazy Ex-Girlfriend is a hilarious and honest show which does not hold back when confronting the truth of sex, love, mental illness and life. This same comedic and chaotic energy is channelled in Bloom's wonderful book which I would highly recommend, whether you are a previous fan of hers or not.' 5*

Laughing Atoms, Laughing Matter - T.H.M. Gellar-Goad 2020-03-02
"The aim of this study is to track De Rerum Natura along two paths of satire. One is the broad boulevard of satiric literature from the beginnings of Greek poetry to the plays, essays, and broadcast media of the modern world. The other is the narrower lane of Roman verse satire, satura, whose canon begins in the Middle Republic with Ennius and Lucilius and closes with Juvenal, an author of the Flavian era. The first main portion of this book (chapters 2-3) focuses on Lucretius and Roman satura, while the following chapters broaden the scope to satiric elements of Lucretius more generally, but still with plenty of reference to the poets of Roman satura as satirists par excellence. By examining how Lucretius' poem employs the tools, techniques, and tactics of satire-by evaluating how and where in De Rerum Natura the speaker functions as a satirist-we gain, I argue, a fuller, richer understanding of how the poem works and how its poetry interacts with its purported philosophical program. Attention to the role of De Rerum Natura in the more specific tradition of Roman verse satire demonstrates that Lucretius' poem stands as a detour on the genre's highway, a swerve in the trajectory of satura. The numerous satiric passages and frequently satiric narrator of De Rerum Natura draw on earlier Roman satire, and in turn the poem

influences the later satiric verse of Horace, Persius, and Juvenal. While *De Rerum Natura* is not in and of itself a member of the Roman genre of satire, it is an important player in the genre's development"--

Why Cats are Assholes - Liz Miele 2021-03-30

Most people love cats. They're fluffy, playful, and can be a joy to have as a companion. However, they can also be huge assholes. So what can you do? How do you deal with a roommate who always seems to be plotting to kill you? While we all love sharing adorable photos of kittens, these frisky felines are known more for marching to the beat of their own drum than abiding by the rules. From running around your home at two in the morning, knocking everything off your shelves, or taking up most of your bed, these furry critters can be immensely selfish and disrespectful to those who give them endless love and affection. Why Cats Are Assholes is up for such a challenge. From studying their history all the way back to ancient Egypt, comedian Liz Miele—the daughter of veterinarians—digests the cat psyche to try and understand why they do the things they do, and how we, as their loyal servants, can handle domestic bliss with them around. With the help of her cat Pasta, Miele breaks down the common behaviors of cats in an attempt to try and better understand their plan of attack (if there is one), as well as what we can do to better prepare ourselves. Whether you have one, two, or

twelve fur babies, Why Cats Are Assholes is the ultimate guide to better understanding your pet's behavior while taking back your home from these domesticated terrorists.

The Present State of Germany - Samuel Freiherr von Pufendorf 2007
"The Present State of Germany, one of Samuel Pufendorf's earliest and most important works, was first published in 1667 under the pseudonym Severinus de Monzambano.
