These books collectively explore the deepest levels and understanding of ascension through the personal, planetary and cosmic levels, offering the reader tools to work with that span the spectrum of all of the bodies and ultimately bring them into the subtle realms of cosmic ascension. [Grace and Ease](#) Jenna LeVee 2022-07-10 GRACE and EASE is a spiritual ascension manual loosely veiled within a timeless love story. In World-side, they are known as Grace and Ease. On Soul-side, they are Mara and Voyer. As members of Voyer's soul group, they have shared hundreds of incarnations in the world. With each incarnation, they both move closer to remembering all their wisdom in a single lifetime and completing their joint ascension. Like Thea Alexander's 2150 A.D., we glimpse the other side of the veil, but a future society is not our focus. Here, we delve deeply into the heart of every soul that dares to seek completion and become one! In a twist of fate and shortly before crossing the veil for their final life experience, one of Voyer's soul groups changes to include Jade a soul that, like Mara, complements Voyer in every way. With thousands of lifetimes in the balance, what will win out: Jade's passion or Mara's love? How will Voyer choose between the two?

[Christ Consciousness Through the Twelve Aspects of Spiritual Love](#) Alana Kay 2017-02-27 Christ Consciousness or Ascension is a state of bliss and an eternal connection to the creative force. This booklet is a straight-forward and easy to understand guide to Ascension - its nuances and the process itself. Alana Kay is a Christian Mystic and Intuitive Master Channel and has gone through the Ascension process in this lifetime as well as other lifetimes. Achieving the state of ascension is a matter of becoming the embodiment of the twelve aspects of spiritual Love. The process requires some work, but it is worth it in the end. Excerpt:When we study the aspects of Love or the keys to Ascension, we are delving into the realm of unconditional Love, which is omnipresent and universal because it is the intelligence or creative force that created all that is. If all you do today is accept the fact that Love is the creative force and the only real power and make that your priority, you could throw this book away and be better off than most. However, if you want to be really strong and live in the state of Heaven on Earth every day of your life, you will need to go deeper into this subject and really atone and refresh every aspect of your being. From there, creation will show itself to you more every day, so prepare to be amazed and enamored once again with life. Ascension is a process of spiritual rewind - the removal of all predispositions created by the ego or the lower self. The ego is false identity and false personality based on the accumulation of imprinting from current and past lives. Ego creates a false perception of God's reality and blinds us to the magnanimous spiritual truth that belies all things. Bonus Material: Meditation Made Easy.

Noto of Java Jono Hardjowirogo 2012-05-09 Java is never what it seems to be. It is lush and beautiful, yet the volcanoes that dotted the island from west to east clearly hid the explosive power in its belly, often exploding as if to remind those living nearby that there are powers bigger than any human can muster. The Javanese, the largest tribe residing on the island also reflect this hidden dichotomy. Calm and pleasant and yet on occasion had been known to savagely killed thousands of its own for the same of ideology or religion. Most Javanese avowed to be Muslims, yet older Hindu-Buddhist rituals are often performed without question. This inability to break with the past makes the Javanese often derided by people from other tribes as non Muslims as Noto encountered later. Noto was facing an uncertain future after losing both his parents during the troubled year of 1965, yet Noto was able to move through life with relative ease; succeeding in everything he did through his sheer determination, cunning, and, very likely, the intelligence with which he was born. Following his instinct, he chose to enter the Army Transport Unit after graduating first in his class at the Indonesian National Military Academy to the dismay of the Superintendent of the Academy. His instinct was proofed right when he defeated and captured a rebel leader and all his troops with a rag tag group of Indonesian army mechanics soon after his arrival in the trouble spot; a feat which earned him swift battle-field promotion from Second Lieutenant to Major and attention from the new Army Chief of Staff. While on leave from the army for a scheduled R&R, he accidentally unravel the mystery of whom his parents were. It eventually led Noto to the palace, where the Sultan had been forewarned of his arrival through the Court Recorders unusual dream. The Court Recorder had told him more than ten months earlier that in his dream someone kept on saying saying: The golden river that flows from the north will bring order to the kingdom The spiritual aspect of the premonition which foretold his arrival and the revelation of Notos ealier encounter with the Goddess of the Southern Ocean (Nyai Roro Kidul) marked Noto as a special person; someone to be reckoned with.

Divine Love Camilla Nichols 2018-03-05 As humanity moves into the Age of Aquarius and outdated patriarchal systems fall away, individuals are searching for meaning and real human connection in a chaotic, material, nonstop, technology-driven world. For decades, in this consumer- and debt-driven world, the mind/ego has been the dominant motivating force behind peoples actions. The mind/ego keeps one anchored to material possessions and the judgment of others. The majority of cultural, political, and religious systems that divide rather than unite humanity are slowly falling away as their corruption and manipulation of others is exposed and people begin to realize how they have been enslaved in false constructs. People are seeking meaning in their lives beyond material accumulation or the lack thereof. Divine Love: Ascension Through the Divine Heart is a modern road map to the discovery of and connection with ones divine heart versus a life founded on the mind/ego. A divine heart operates from the principle of unconditional love for oneself and all fellow human beings. It embodies All is one, one is all and recognizes that no life is meaningless nor is any person better or superior to another. Living from ones divine heart opens an individual to both giving and receiving unconditional versus conditional love for self and all others. It releases one from attachment, selfishness, fear, and greed to the embodiment of the principle that all are equal, all are worthy of unconditional love, and that each of us is a divine child.

How To Clear The Negative Ego Joshua Stone 2001-02-07 There is no more important lesson in life to understand, then it is your thoughts that create your reality! Your thoughts create your feelings, emotions, behavior and what you attract and magnetize into your life. Many people think that we see with our eyes. The truth is we see through our consciousness, minds and belief system! There are in truth only two philosophies and feelings and emotions in life. The philosophy and feeling of fear, and the philosophy and feeling of Love. The key to realizing God is to only think and feel from your Love based/Spiritual/Christ/Buddha mind. This is why the Bible states, "Let this mind be in you that was in Christ Jesus!" It is by mastering our mind that all negative feeling and emotions can be released and one can learn to live in self mastery, centeredness, unconditional love, joy, peace, forgiveness, nonjudgmentalness and equanimity at all times!

The Manifest of Love Joanne DelVecchio 2013-10 The Manifest of Love is an extraordinary book channeled by the Ascended Master Merlin, most known as the most powerful wizard and Being of supreme wisdom having ever lived. The wise words of Merlin provides invaluable information in this in-depth guide to the uniting of body, mind and spirit--our return to God and Oneness. JoAnne DelVecchio, L.Ac., does a supreme job in bringing the exact words of Merlin to us to guide us through our spiritual journey of ascension. Merlin explains that there once was a time when we all lived as One--in a state of paradise--this was God's original blueprint for mankind. We fell from this grace as we began to perpetuate the illusion of duality--we allowed the use of our conscious mind to dominate over our spirit mind, which is the Mind of God, connected to all in existence. It is now necessary, for the evolvment of the consciousness of mankind, in what we call ascension, for us to once again, unite our minds as One. It is through the manifest of love on earth that we shall achieve this movement back to God. God is calling us back as One and Merlin shows us the way!

Integrated Ascension Joshua Stone 2001-01-15 This book is one of the best books ever written on the subject of how to achieve your Ascension in this lifetime, in a balanced and integrated manner. This book is one of the few books available that teaches readers in a very easy to understand and practical manner, how to achieve this on all three levels of your being (Mind/Body/Spirit) in an integrated and balanced manner. This book is totally revolutionary and cutting edge! Absolutely electrifying reading!

Men, Women, and the Mystery of Love Edward Sri 2020-01-08 Fr. Karol Wojtyla (Pope John Paul II's name before he became the pontiff in 1978) published Love and Responsibility in 1960. It revealed his fully formed philosophy of marriage and sheds light on the dynamics between men and women. Some consider his analysis of the true meaning of human love as life changing and practical, shedding light on real issues between men and women. This updated and expanded edition of Edward Sri's classic meditation on Pope John Paul II's Love and Responsibility includes a new introduction, new chapters for single people and engaged couples, and maybe most importantly the stories of people whose lives have been transformed by Pope John Paul II's foundational teaching on relationships. "Edward Sri is a gifted teacher and an equally talented writer. This book shows why. He breaks open Karol Wojtyla's great text, Love and Responsibility, in a way that's clear, engaging and very practical for the challenges of daily life." - Charles J. Chaput, OFM, Archbishop of Philadelphia. In Men, Women and the Mystery of Love, Edward Sri breaks down the contents of John Paul's epic work, making it more accessible to the reader. It isn't a manual on sexual ethics, more so a no-nonsense discussion on issues we face as couples. He emphasizes the down-to-earth nature of Love and Responsibility, giving readers actionable advice on issues like: How to determine if a relationship is one of authentic love or is doomed to failure; The problem of pornography; The meaning of friendship; How to achieve greater intimacy in marriage; The difference between feeling "I'm in love" and love itself; and so many other valuable questions. While this book is a great personal resource, it also can be used in a variety of situations like small group studies, marriage preparation classes, and other parish settings. It offers valuable advice for just about everyone, from young single adults and engaged couples to newlyweds and couples celebrating their 35th anniversary. Study questions with each chapter make this a valuable resource not only for individual personal reading, but also for small group study.

Soul Psychology Joshua David Stone 1994 There are tens of thousands of self-help books on psychology and human relationships; however, there are very few that integrate the topics of the soul and spirit into the picture. Most books on this subject focus on personality-level self-actualization. The new wave in the field of psychology is transpersonal or soul psychology, which will lead to monadic psychology for the more advanced students of the path. The entire understanding of psychology is completely changed when the soul is properly integrated. It has been said that personality-level self-actualization brings happiness, soul-level self-actualization brings joy, and monadic- and spiritual-level self-actualization bring bliss.

Christ's Ascension and Second Coming Christopher Love 2016-12-05 Christopher Love (1618-1651) was a fiery and practical Puritan preacher. Christopher Love harvests sweet biblical honey from the word of God concerning the ascension of Jesus Christ, and the coming of Christ again to judgment. Though Love carefully refutes the 1000 year earthly millennial reign of Christ, and the idea of soul sleep, he is more focused on demonstrating the benefits of Christ's ascension and second coming. His main text is John 14:3, "And if I go and prepare a place for you. I will come again and receive you unto myself, that where I am, there ye may be also." Christ's ascension is a ground of great comfort and great advantage to all his people while they dwell here on earth. Practically, no Christian should be afraid to die, because your Christ is in heaven, and when you die, as Love says, "death is but a trapdoor to let you into endless joy where Christ is." The benefits of Christ's coming to judgment, is his second topic, as much of an unpopular idea as judgment may be. Love says that the benefit of Christ's coming is the particular point Christ means when he says, "and receive you to myself." So if the Spirit that raised up Christ from the dead dwells in you, and you have the graces of the Spirit, that same Spirit shall quicken your mortal bodies. Therefore, the bodies of the elect shall be raised from the dead and received into glory with the soul when Christ returns. This is an exceedingly comforting thought for believers. Christ, at his second coming, receives his elect to himself in body and soul, that they might be forever present where Jesus Christ is in heaven, which is Christ's exhortation to believers, "that where I am there you may be also." That is, they are with Christ in heaven for eternity. This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read in modern English, and has an active table of contents for electronic versions.

Ascension and Romantic Relationships Joshua David Stone 2000-01-01 This book is a sequel to the first two. It contributes an added dimension to my earlier information. Sedona seems to reflect the best qualities, or perhaps I should say "combined" qualities, the essences and elements, of the Great Pyramids, Glastonbury, Stonehenge, Ayers Rock, Mount Shasta, the South American Pyramids, Peru, Tibet, Nepal, India, Lourdes, and many other power places around the world. How can I make such a claim? For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places. Through these travelers, I have learned that there is simply no other place like Sedona.

Animal Souls Speak Robert Shapiro 2007 Arcturus is the name given to the star system some thirty-seven light-years from our own. It includes at least a half dozen planetary bodies and is many times larger and much older than our own star and its system. Arcturian involvement with our system began over three million years ago when a space colony--a galactic space station--was established on Velatropa 24.4, otherwise known as Mars. With its 40,000-year warm cycles, Mars provided the perfect experimental way station. If anything went wrong, at least those on the Arcturus system would not be affected--or so it was thought. Some of those in command of the Martian project had not considered carefully enough the inexorable efficacy of karma, the law of cause and effect. By the time strange events began to transpire on Mars, little did anyone on Mars or Arcturus reckon the strange consequences of forgetting about each other's mutual existence. Thus unfolds the tale of the Arcturian experimental way station, V.24.4, otherwise kno
