Policing the Crisis - Stuart Hall 1982

Black Swan Green - David Mitchell 2007-02-27

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell's subtlest and most effective achievement to date. Praise for *Black Swan Green* "[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like."—The Boston Globe "[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall."—Time

Getting Off - Robert Jensen 2007

Does porn make the man?

Ohio - Stephen Markley 2019-06-04

"Extraordinary...beautifully precise...[an] earnestly ambitious debut." —The New York Times Book Review "A wild, angry, and devastating masterpiece of a book." —NPR "[A] descendent of the Dickensian 'social novel' by way of Jonathan Franzen: epic fiction that lays bare contemporary culture clashes, showing us who we are and how we got here." —O, The Oprah Magazine "A book that has stayed with me ever since I put it down." —Seth Meyers, host of Late Night with Seth Meyers One sweltering night in 2013, four former high school classmates converge on their hometown in northeastern Ohio. There's Bill Ashcraft, a passionate, drug-abusing young activist whose flailing ambitions have taken him from Cambodia to Zuccotti Park to post-BP New Orleans, and now back home with a mysterious package strapped to the undercarriage of his truck; Stacey Moore, a doctoral candidate reluctantly confronting her family and the mother of her best friend and first love, whose disappearance spurs the mystery at the heart of the novel; Dan Eaton, a shy veteran of three tours in Iraq, home for a dinner date with the high school sweetheart he's tried desperately to forget; and the beautiful, fragile Tina Ross, whose rendezvous with the washed-up captain of the football team triggers the novel's shocking climax. Set over the course of a single evening,

Ohio toggles between the perspectives of these unforgettable characters as they unearth dark secrets, revisit old regrets and uncover—and compound—bitter betrayals. Before the evening is through, these narratives converge masterfully to reveal a mystery so dark and shocking it will take your breath away.

Luckiest Girl Alive - Jessica Knoll 2015-09-08

"In a riveting debut novel that reads like Prep meets *Gone Girl*, a young woman is determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at *The Women's Magazine*, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, *Luckiest Girl Alive* reads like *Sex & the City*--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In *Ani FaNelli*, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page"--

Hell's Angels - Hunter S. Thompson 2012-08-01

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

Getting Off - Erica Garza 2018-01-09

"Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read" (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).

When Bound loses its lead guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented—they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus,

but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go. Lilac is a contemporary reverse harem and standalone suitable for 18+.

Sex at Dawn - Christopher Ryan 2021-01-05

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality

persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, Sex at Dawn offers a revolutionary understanding of why we live and love as we do.
