Forgiveness - Iyanla Vanzant
2017-02-07

Too many of us feel trapped in stagnant romantic, family, or workplace relationships. Weighed down by toxic thoughts and emotions, we might be quick to judge and slow to pardon, and self-righteous about our feelings as we dwell on memories of what we or others did (or failed to do). In this tradepaper edition, Iyanla Vanzant challenges us to liberate ourselves from the wounds of the past and to embrace the new power of forgiveness. With Iyanla's 21-Day Forgiveness Plan, you'll explore relationship dynamics with your parents, children, friends, partners, co-workers, bosses, yourself, and even God. With journaling work and Emotional Freedom Techniques (also known as "tapping"),

you'll learn to live with more love; gain new clarity on your life, lessons, and blessings; and discover a new level of personal freedom, peace, and well-being. Forgiveness doesn't mean agreeing with, condoning, or even liking what has happened. Forgiveness means letting go and knowing that—regardless of how challenging, frightening, or difficult an experience may seem—everything is just as it needs to be in order for you to grow and learn. When you focus on how things "should" be, you deny the presence and power of love. Accept the events of the past, while being willing to change your perspective on them. As Iyanla says, "Only forgiveness can liberate minds and hearts once held captive by anger, bitterness, resentment, and

fear. Forgiveness is a true path to freedom that can renew faith, build trust, and nourish the soul."

Acts Of Faith - Iyanla Vanzant 2012-12-11

'The healing has begun. It began when you picked up this book. The goal of these offerings is to assist the children of the earth in the redevelopment of their minds, bodies and spirits . . . Buried deep in the earth are precious diamonds. In order to get to them, however, we must dig and dig deep.' In ACTS OF FAITH, life coach Iyanla Vanzant offers a inspirational passage for each day of the year, particularly aimed at people of colour. Vanzant considers that there are four basic areas that create stress and imbalance for people: our relationship with ourselves, our relationship with the world, our relationship with each other and our relationship with money. This book addresses all four issues in turn thus providing a meditative and uplifting guide to living successfully.

In The Meantime - Iyanla Vanzant 2012-12-11

Most of us go through life with a vision of what the ideal relationship is supposed to be, yet too often our longing for a soul mate leads to disappointment and heartbreak. What we see, desire, or harshly judge in our mate is but a reflection of self, Vanzant explains, as in *IN THE MEANTIME* she helps us to break free of our fantasies and view a relationship as an ongoing process of discovery and growth. Whether she is offering practical advice on how to avoid making the same relationship mistakes over and over again, or helping us to view the painful end of a relationship as an opportunity to learn and change, Iyanla Vanzant, as author Patrice Gains has said, 'reminds us that every moment is an opportunity to learn and inspires and encourages us to continue our inward daily search'.

Value in the Valley - Iyanla
Vanzant 2002-05-23

"The most powerful spiritual
healer, fixer, teacher on the
planet." —Oprah Winfrey Is it
the job you hate but need in
order to pay the rent? Is it that
relationship that you gave your
all to only to end up with a
broken heart...again? Perhaps
it's your children, a family
member, or a life-long friend
doing you in, dragging you
down, pushing you to the brink.
If you are an honorary member
of the Black Woman's Suffering
Society, you have probably
been told that it's all your fault.
Or that struggling and
suffering is your lot in life.
Iyanla Vanzant says, No! Life is
an Act of Faith and suffering is
optional! Those everyday

challenges, obstacles, and
dilemmas are what Iyanla calls
"valleys." As bad as they may
seem, there is a purpose or, as
Iyanla says, "There is so much
value in the valley." If you've
ever been disappointed,
betrayed, rejected, abandoned,
or just plain old scared to let
go, then you've been or may
still be in a valley. Iyanla
knows—she's been there and
on a bad day she's still there,
but now she shares the way out
with you.

Worthy - Nancy Levin

2016-08-02

When we feel that we aren't enough, or that we aren't good enough, we also fear that we'll never have enough. Money. We love it. We hate it. If we don't have enough, we're struggling to get more. If we do have it, we're fighting to hold on to it. Why does money have to be such a source of anxiety? Is it possible to find peace? Yes!

According to master integrative coach Nancy Levin, the real key to creating financial freedom isn't changing what we do, it's changing our limiting beliefs about how we feel—and that requires more than just learning how to invest. In Worthy, Nancy makes an essential, eye-opening connection: the state of our net worth is a direct reflection of our self-worth. Then she shows us how to get to the root of the problem and do the internal work that's needed to replace feelings of unworthiness with a solid sense of our own value. Filled with inspiring real-life

stories and thought-provoking questions and answers, her 10-step plan helps us to:

- Get real about the money issues we face every day
- Examine the excuses we use to avoid creating the life we really want
- Be willing to see ourselves as worthy of abundance in all its forms
- Take back our financial power—and watch amazing things start to happen

Whether we're looking for financial ease or a new relationship with money and ourselves, Worthy will give us the tools to clear the path for wholeness, fulfillment, and richness in all areas of our lives, not just in our bank accounts.

Yesterday, I Cried - Iyanla Vanzant 1999-09-17

"The most powerful spiritual healer, fixer, teacher on the

planet." —Oprah Winfrey What is the lesson in abuse, neglect, abandonment, rejection? What is the lesson when you lose someone you really love? Just what are the lessons of life's hard times? Bestselling author Iyanla Vanzant has had an amazing and difficult life—one of great challenges that unmasked her wonderful gifts and led to wisdom gained. In this simple book, she uses her own personal experiences to show how life's hardships can be re-languaged and revisioned to become lessons that teach us as we grow, heal, and learn to love. The pain of the past does not have to be today's reality. Iyanla Vanzant is an example of how yesterday's tears become the seeds of today's hope, renewal, and strength.

Faith in the Valley - Iyanla Vanzant 2001-10-26

"The most powerful spiritual healer, fixer, teacher on the planet." —Oprah Winfrey In this companion volume to her bestselling book *Acts of Faith*, bestselling author and star of *Iyanla: Fix My Life* discusses

the “valleys” that cause stress and imbalance for women and explains how women can cleanse their minds and promote a healthy foundation for living in the modern world. A Note from Iyanla Vanzant: Beloved friend, When this little book was first published many years ago, it became a beacon of light for many people who found themselves time and time again in one valley or another. Valleys are nothing new for any of us. Some of you may be in a valley right now, or, since you never know what’s around the corner, you may be on the brink of tottering into yet another valley. Or maybe you’ve just survived a valley that you swear you’ll never revisit—but guess what? That’s precisely the valley you’ll probably see again. And again. Being in a valley can be a lonely and bewildering experience. This book was written to help you feel less lonely by reminding you that you really aren’t ever alone since God is always by your side, but more important, you are always by your own

side. No matter how dire the situation may seem, no matter how dark and bleak the valley may be, you have all you need within you to survive the valley—any valley. Even though you may not know how you got into the valley in the first place, you do know, deep inside yourself, how to get through and out and free. You just need a little faith in yourself and a little guidance to find that faith within yourself. When you are at your wit’s end, take this little book and let it guide you toward the ever-present but often elusive light at the end of the tunnel. Faith in the Valley is designed to help you find the light when you need it most—when you’re in that damn tunnel. When you’re most confused and in the dark and clueless as to how you got there (again!) and when you’re trying to figure out not just how to get out, but stay out. For good. Faith in the Valley has helped so many through so much that we felt it only fitting to issue this lovely gift edition to acknowledge the special place it holds in many hearts.
