The Guyde - Howie Reith 2016-11-19

The *Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be

learning the practical steps necessary for the specific changes you want to manifest in your life. The *Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things

that turned my life around for the better. I hope it does the same for you.

West to Eden - Gloria Goldreich 2021-08-17

West to Eden is the engrossing and dramatic story of one woman's struggle to forge a new life in Amsterdam in 1897, as beautiful and sensitive Emma Coen suffers betrayal by both her father and her lover. Determined to control her own destiny, Emma leaves Amsterdam, accepting a position as a companion to the wife of one of the leaders of Jewish society in London. When she hears of financier Jacob Schiff's plans to promote Jewish settlement in the American West, where Jews will be pioneers rather than refugees, Emma is inspired. She sets sail for

Galveston, Texas, home to a small but thriving Jewish community, and there meets Isaac Lewin, the wary and embittered survivor of a Russian pogrom. In spite of her strong attraction to Isaac, Emma remains aloof, fearing the loss of her hard-won independence. But the tidal wave of 1900, which devastates Galveston Island, leaves both Emma and Isaac shaken and keenly aware that life cannot be lived in safety. Still haunted by their pasts, and conscious of the disparity in their backgrounds, Emma and Isaac are swept away by passion, and they marry, settling in Arizona. In the desert hamlet of Phoenix, newly proclaimed capital of the territory, they open a tent store. Calling on abundant reserves of ambition, courage and entrepreneurial daring, Emma and Isaac work together to transform the tent store into one of the West's largest and most successful department stores. Yet neither their material success nor their deep pride in their four talented children is enough to bridge the emotional gap between them, and their relationship grows ever more distant. Both Isaac and Emma seek solace in extramarital affairs, even as they are unwilling to break up their troubled marriage. It is only when Emma finds herself caught up in the enchanted life of San Francisco's "gilded ghetto" that she at last confronts the reality of her life and marriage. Set against the backdrop of Arizona's fight for statehood and the cataclysms of the First World War and the Great Depression, *West to Eden* chronicles a fascinating, largely unknown part of the Jewish immigrant experience. Drawing on the breadth of imagination and the faithfulness to detail that her readers have come to expect, Gloria Goldreich has created characters of rich complexity...and an unforgettable novel.
