The Diary of A Young Girl (Deluxe Hardbound Edition) Anne Frank 2022-12-06 A thirteen-year-old Jewish girl and her family abandoned their house in Amsterdam and went into hiding in 1942, when Nazis occupied Holland. They and another family stayed cloistered in the "Secret Annex" of an old office building for the next two years, until their whereabouts were revealed to the Gestapo. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.

American Prometheus Kai Bird 2007-12-18 THE INSPIRATION FOR THE MAJOR MOTION PICTURE OPPENHEIMER • "A riveting account of one of history's most essential and paradoxical figures."—Christopher Nolan #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE WINNER • The definitive biography of J. Robert Oppenheimer, one of the iconic figures of the twentieth century, a brilliant physicist who led the effort to build the atomic bomb for his country in a time of war, and who later found himself confronting the moral consequences of scientific progress. In this magisterial, acclaimed biography twenty-five years in the making, Kai Bird and Martin Sherwin capture Oppenheimer's life and times, from his early career to his central role in the Cold War. This is biography and history at its finest, riveting and deeply informative. "A masterful account of Oppenheimer's rise and fall, set in the context of the turbulent decades of America's own transformation. It is a tour de force." —Los Angeles Times Book Review "A work of voluminous scholarship and lucid insight, unifying its multifaceted portrait with a keen grasp of Oppenheimer's essential nature.... It succeeds in deeply fathoming his most damaging, self-contradictory behavior." —The New York Times

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Ethics, Conflict and Medical Treatment for Children E-Book Dominic Wilkinson 2018-08-05 What should happen when doctors and parents disagree about what would be best for a child? When should courts become involved? Should life support be stopped against parents' wishes? The

case of Charlie Gard, reached global attention in 2017. It led to widespread debate about the ethics of disagreements between doctors and parents, about the place of the law in such disputes, and about the variation in approach between different parts of the world. In this book, medical ethicists Dominic Wilkinson and Julian Savulescu critically examine the ethical questions at the heart of disputes about medical treatment for children. They use the Gard case as a springboard to a wider discussion about the rights of parents, the harms of treatment, and the vital issue of limited resources. They discuss other prominent UK and international cases of disagreement and conflict. From opposite sides of the debate Wilkinson and Savulescu provocatively outline the strongest arguments in favour of and against treatment. They analyse some of the distinctive and challenging features of treatment disputes in the 21st century and argue that disagreement about controversial ethical questions is both inevitable and desirable. They outline a series of lessons from the Gard case and propose a radical new 'dissensus' framework for future cases of disagreement. This new book critically examines the core ethical questions at the heart of disputes about medical treatment for children. The contents review prominent cases of disagreement from the UK and internationally and analyse some of the distinctive and challenging features around treatment disputes in the 21st century. The book proposes a radical new framework for future cases of disagreement around the care of gravely ill people.

Online Dating For Men 101 HowExpert 2019-03-19 In a world where it's no longer acceptable besides bars and clubs to tell her she's attractive (at least without being rejected, receiving a sexual harassment lawsuit, and being publicly humiliated), there is only one place left for guys to go that's safe to approach women and where women WANT a man's attention: Online dating. When it comes to online dating, some men love it, while others shun it like a de-masculinizing plague. Online dating has a bad reputation among certain groups of men as being a waste of time or even an excuse to not meet women in the real world. But they have no idea that, with just a few hacks, online dating will save any man from a loveless, sexless existence. Love it or hate it, online dating is here to stay. This is the most comprehensive book on the market for online dating geared specifically

toward men. Too many men have tried online dating, only to report that no woman answered their hundreds of messages and the dates they did have didn't end up going anywhere. This book will teach you what every other guy has been doing WRONG: - How to maximize your potential attractiveness to women - How to build the best online dating profile - How to send messages to women that ACTUALLY get responses - How to talk to women and get them to date you - How to get a one-night-stand from online dating - How to find a long-term relationship with online dating Throughout this book filled with raw experience and humor with a tough edge, you will learn all about the true psychology of women and how to "hack" their hypergamous nature using the techniques and tactics of online dating. Online dating might seem like rejection after rejection, but this book will teach you how to play the numbers game to your advantage and win more easily than every other guy on the web! About the Expert: Adam Glasier holds a PhD in Pickup Lines and is a distinguished professor of Online Dating at the National Pickup Artist Academy, where he wrote his oft-cited thesis on the Internet Approach—at least he would have if such an institution existed. His online dating career has lasted more than half a decade, and with more than a dozen full-fledged lays under his belt, Glasier is statistically one of the most successful men at finding love and sex from the internet. When he isn't messaging and meeting women with online dating or writing about those experiences, you'll find Adam pumping iron at the gym, building house-related projects, and basically doing everything that normal people do to survive. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

Beryl Halley Jacob L. Bapst 2019-07-25 Born in rural Ohio in 1897, Beryl Halley was educated at a strict Freewill Baptist school. After briefly teaching in a one-room schoolhouse, she joined the navy in 1918 before her unlikely path led her to Broadway, then to the Ziegfeld Follies (1923-1925). She also appeared in Earl Carroll's Vanities and other revues, as well as in films, and had a widely publicized brush with the law (over alleged nudity) in 1926. She retired from show business in 1930, married an insurance executive and had a family, later reappearing in the public eye as an officer in the Ziegfeld Girls' Club. Making her home in Houston in the 1950s, she worked as legal secretary for a large law firm. Her death at age 90 was unpublicized. Her story is told here for the first time.

What Women Want in a Man Bruce Bryans 2013-03-13 How to Become the Man That Women Want to Love and Obey...in Every Way In order to attract and more importantly, KEEP a good woman in your life, you must become the kind of man that she simply can't live without. This is your only job as a man when it comes to dating and relating with women. You don't need a bunch of seduction techniques, mind games, or pick-up tactics to make a woman want you. Because quite frankly, no seduction technique in the world will turn a woman on and make her want you if she does not RESPECT you as a man. If a woman cannot respect you as a man, she won't be able to trust you. If she isn't able to place her trust in you, she simply cannot fall in love or STAY in love with you. Discover the Secrets of What Women Want in a Man Most guys simply don't know what women want in a man. Because of this, they try all kinds of "seduction tactics" to attract women, and only end up with low-quality women and terrible relationships. If you ask the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg. Here's what women really want from men... Security. How to Get the Respect, Desire, and Unwavering Loyalty of a Woman If you can communicate to a woman that you're a man that can offer her security in the world, she will give you her heart and more. And get this, you don't need to be ridiculously good-looking or have a big bank account to make a woman feel secure with you. There's a much better (and easier) way, and that's what you'll discover inside What Women Want In A Man. In What Women Want In A Man you're going to learn: How to understand women and the one thing that you can improve about yourself to make a woman want you more. The reason why a really great woman is HARD-WIRED by NATURE to CHASE the kind of man that possesses several qualities that are rare in most men. (Hint: This is the key to understanding how women think) Ten ways in which you can IMMEDIATELY begin working on yourself to become an overpowering magnet for the woman of your dreams. How to be decisive and become a master at dealing with conflict while staying perfectly calm and poised. The unforgivable sin that can ruin your chances of getting (and keeping) a girlfriend. This is the thing that FORCES her to either want to DUMP YOU or CHEAT ON YOU without her understanding why. How to take control of your emotions in any situation and be the rock that she needs you to be. How to make a woman happy by being THE MAN in your relationship; you know - the one that "wears the pants." The reasons why the woman you want may put you in the friend zone, and how to avoid falling into this horrifying category. Why men who suffer from the nice guy syndrome have the most difficulties attracting and keeping a

phenomenal woman to build an amazing relationship with. How to become an alpha male and become more assertive with women. This is the key to transforming yourself into the kind of man that she can confidently rely on and most importantly, RESPECT. How to silence your "inner weakling" and become so secure with yourself as a man that she won't be able to entertain the thought of being with some other guy. And much, much more... Would You Like to Know More? Get started right away and learn how to become the confident man that can naturally attract a high-quality woman and keep her "well-behaved." The Subtle Art of Not Giving a Fk** Mark Manson 2016-09-13 #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives. Quantum Love Laura Berman, Ph.D. 2017-02-07 Falling in love is a thrilling, transcendent experience . . . but what about staying in love? Once the intense excitement of a new relationship starts to fade, you may think your only options are to somehow recapture that early magic or settle for a less than fulfilling love life. Now love, sex, and relationship expert Laura Berman, Ph.D., taps the latest scientific and metaphysical research to offer an inspiring alternative: a higher level of love beckoning you to move forward, not backward. Using the essential truth we've learned from the study of quantum physics—the fact that at our molecular core, each of us is simply a vessel of energy—Dr. Berman explains how you can use what's happening in your inner world to create a level of passion, connection, and bliss in your relationship that you've never imagined possible. Drawing on her clinical practice and case studies as well as her personal journey, she guides you to: •Plot your unique energetic frequency of love with her Quantum Lovemap •Work consciously with the energy of your body, heart, and mind •Make four key commitments designed to raise your energetic profile •Bring your frequency into harmony with your partner's so that you can grow together •Learn how to have Quantum Sex (which is every bit

as good as it sounds) Quantum Love is the best possible experience of love, and it's available to absolutely everyone, whether you're seeking a mate, in a relationship that's struggling, or just finding that love has turned lackluster through the stresses of life. You can't go back to the honeymoon phase, but there is something so much better within your reach. Quantum Love lets you reach new heights of intimacy as you gain a fuller sense of purpose in life and love.

The Negro Motorist Green Book Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Give & Get Employer Branding: Repel the Many and Compel the Few with Impact, Purpose and Belonging Bryan Adams 2020-03-17 In today's fiercely competitive job market, with the balance of power squarely in job-seekers' hands, how can organizations attract and retain the most talented candidates--and the best additions to their culture? The answer may surprise you. The most effective employer brands don't attract candidates; they repel them. Combining the expertise of employer brand industry leaders Charlotte Marshall and Bryan Adams, Give & Get Employer Branding redefines the concept of an employee value proposition entirely. Instead of a sales pitch aimed at seducing candidates with sizzle, this refreshing new approach harnesses the value to be found within the cultural realities and expectations of the company. You'll learn how to create a "smart filter," elevate your organization's strengths by pairing them with what it truly takes to thrive, and answer the burning questions on candidates' minds like never before.

Hi, my name is Zac Miller, and I've come up with a guide that will get your the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book: —————

- Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club.
- Inexpensive ways to immediately improve your appearance.
- The most attractive male body type females are attracted to

(hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two qualities which attract partners to each other. • Tips for sending the first message, as well as a list of 80 message openers you can immediately start using. • What is the dating app staircase? • How to easily keep quality conversations going with girls. • The #1 thing girls like to talk about which releases "feel good" chemicals in their brain. • How to ask for her Snapchat ID or phone number. • Indicators which show she is interested in you. • How to ask for the date. • And So Much More!

————— As a complimentary bonus, only for book buyers, you'll receive my special report titled Subconscious Attraction, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book.
