*Tobit* Robert J. Littman 2008 *Tobit* is one of the Apocrypha, a collection of books rejected from their canon by the Jews but accepted by some of the Christian church fathers. Ever since the 4th century CE, commentaries have been written on *Tobit*. The original Hebrew and Aramaic versions of *Tobit* were lost, until fragments were discovered as part of the Dead Sea Scrolls in 1947. The present work is the first Greek text and commentary of *Tobit* to be published since the publication of the Hebrew and Aramaic fragments. This edition contains the text from two fourth century CE manuscripts, the Codex Sinaiticus (long version) and Codex Vaticanus (short version) as well as a translation into English and a commentary.

**The Shame Borne in Silence** Abraham J. Twerski 2015 "Providing a religious lens on the topic, this book directly addresses the problem of spousal abuse in the Jewish community. Rabbi Twerski's book was one of the first titles to break open the issue, and this new edition relates the recognition of abuse, the warning signs, and how to respond. With new preface"--

*To Be a Jewish Woman* Lisa Aiken, Ph.d. 2016-07-10 *To Be a Jewish Woman* is a clearly written, comprehensive book that gives the reader a wealth of information and insights. It presents historical, halachic (Jewish legal), philosophical and psychological observations about traditional Jewish views about women's issues. In addition, it is an invaluable source of information for women considering a Torah-observant lifestyle as well as for those immersed in one. The relevance of its discussions about women's roles in modern society, the synagogue, and family help the reader to find meaningful ways to achieve self-actualization in a changing world.

*Gender Equality and Work-Life Balance* Sarah Blithe 2015-06-05 Pressure to achieve work-life "balance" has recently become a significant part of the cultural fabric of working life in United States. A very few privileged employees tout their ability to find balance between their careers and the rest of their lives, but most employees face considerable organizational and economic constraints which hamper their ability to maintain a reasonable "balance" between paid work and other life aspects—and it is not only women who struggle. Increasingly men find it difficult to "do it all." Women have long noted the near impossibility of balancing multiple roles, but it is only recently that men have been encouraged to see themselves beyond their breadwinner selves. *Gender Equality and Work-Life Balance* describes the work-life practices of men in the United States. The purpose is to increase gender equality at work for all employees. With a focus on leave policy inequalities, this book argues that men experience a phenomenon called "the glass handcuffs," which prevents them from leaving work to participate fully in their families, homes, and other life events, highlighting the cultural, institutional, organizational, and occupational conditions which make gender equality in work-life policy usage difficult. This social justice book ultimately draws conclusions about how to minimize inequalities at work. *Gender Equality and Work-Life Balance* is unique as it laces together some theoretical concepts which have little previous association, including entrepreneurialism; leave policy, occupational identity, and the economic necessities of families. This book will therefore be of particular interest to researchers and academics alike in the disciplines of Gender studies, Human Resource Management, Employment Relations, Sociology and Cultural Studies.

**Immortality, Memory, Creativity, and Survival** Ori Z. Soltes 2020-12-01 The idea of survival is a recurrent theme in discussions both of family and of art. Whether understood in physical, mental, or spiritual terms, it is inextricable from the most basic questions of human existence, encompassing the ways in which individual experience can persist after death. Questions of survival and immortality are thus central for understanding the artistically expansive family at the center of this volume: Alice Lok Cahana, a Holocaust survivor and painter; her son Rabbi Ronnie Cahana, a writer and stroke survivor; and his daughter Kitra Cahana, a photographer who embeds herself in communities in order to tell their stories. Complemented with fascinating essays that provide powerful insights into memory and trauma, this beautifully illustrated book interweaves powerful accounts of these three artists with a complex story of human experience, legacy, and meaning.

*On Division* Goldie Goldbloom 2019-09-17 \*\* Winner of the 2020 Jewish Fiction Award \*\* “A novel of wisdom and uncertainty, of love in its greater and lesser forms, and of the struggle between how it should be and how it is. It is impossible not to be moved.” —Amy Bloom, author of *White Houses* “This book brings the reader into the heart of a close-knit Jewish family and their joys, loves, and sorrows . . . A marvelous book by a masterful writer.” —Audrey Niffenegger, author of *Her Fearful Symmetry* and *The Time Traveler’s Wife* “As beautiful as it is unexpected.” —Claire Messud, author of *The Burning Girl* Through one woman's life at a moment of surprising change, the award-winning author Goldie Goldbloom tells a deeply affecting, morally insightful story and offers a rare look inside Brooklyn's Chasidic community On Division Avenue, just a block or two up from the East River in Williamsburg, Brooklyn, Surie Eckstein is soon to be a great-grandmother. Her ten children range in age from thirteen to thirty-nine. Her in-laws, postwar immigrants from Romania, live on the first floor of their house. Her daughter Tzila Ruchel lives on the second. She and Yidel, a scribe in such demand that he makes only a few Torah scrolls a year, live on the third. Wed when Surie was sixteen, they have a happy marriage and a full life, and, at the ages of fifty-seven and sixty-two, they are looking forward to some quiet time together. Into this life of counted blessings comes a surprise. Surie is pregnant. Pregnant at fifty-seven. It is a shock. And at her age, at this stage, it is an aberration, a shift in the proper order of things, and a public display of private life. She feels exposed, ashamed. She is unable to share the news, even with her husband. And so for the first time in her life, she has a secret—a secret that slowly separates her from the community. Hide and Seek Lynne Schreiber 2003 The traditional Jewish community has long been silent on the very personal yet also public matter of married women covering their hair with hats, scarves, and even wigs. *Hide and Seek* is the first book to discuss this topic, and includes legal and sociological perspectives of this observance, citing relevant texts and rabbinic discourse, as well as the history, tradition, and customs of Jewish communities from around the world.

Talking Tachlis Sherry S. Zimmerman 1999-01 Finding one's match has been described in the Talmud as a process as difficult as was the splitting of the Red Sea. With that in mind, *Talking Tachlis* was written to help single, Orthodox men and women learn more about themselves, formulate lasting goals based on their unique needs, and use this new understanding to determine

what it is they are looking for in a spouse. Written by a psychotherapist and a family law attorney, both specializing in working with singles, this book contains valuable advice to aid, and hopefully hasten, the process of finding one's mate.

**Guide for the Romantically Perplexed** Lisa Aiken 2003 "Covers every aspect of Jewish dating, marriage, divorce, and remarriage. For singles, it is a step-by-step guide that helps you find a mate and keep that mate for life. For married, divorced, or remarried couples, this is a self-help manual that really works. - Includes case studies that highlight why people succeed or fail in their interpersonal relationships. - Well documented from both a Jewish and contemporary psychological viewpoint. - Pertinent for Jewish men and women from all levels of the Jewish religious spectrum"--

**Music from a Speeding Train** Harriet Murav 2011-08-15 Music from a Speeding Train explores the uniquely Jewish space created by Jewish authors working within the limitations of the Soviet cultural system. It situates Russian- and Yiddish- language authors in the same literary universe—one in which modernism, revolution, socialist realism, violence, and catastrophe join traditional Jewish texts to provide the framework for literary creativity. These writers represented, attacked, reformed, and mourned Jewish life in the pre-revolutionary shtetl as they created new forms of Jewish culture. The book emphasizes the Soviet Jewish response to World War II and the Nazi destruction of the Jews, disputing the claim that Jews in Soviet Russia did not and could not react to the killings of Jews. It reveals a largely unknown body of Jewish literature beginning as early as 1942 that responds to the mass killings. By exploring works through the early twenty-first century, the book reveals a complex, emotionally rich, and intensely vibrant Soviet Jewish culture that persisted beyond Stalinist oppression.

**Teaching Jewish Life Cycle** Barbara Binder Kadden 1997 Background information on every stage of life; covers every Jewish life cycle event from birth to death; insights from Jewish tradition; hundreds of creative activities for all ages.

**Fire in the Straw** Nick Lyons 2020-10-27 \*\*Named One of the New York Post's Best New Books to Read \*\* FIRE IN THE STRAW is the witty and deeply felt memoir of Nick Lyons, a man with an intrepid desire to reinvent himself—which he does, over and over. Nick Lyons shape shifts from reluctant student and graduate of the Wharton School, to English Professor, to husband of a fiercely committed painter, to ghost writer, to famous fly fisherman and award-winning author, to father and then grandfather, to Executive Editor at a large book publishing company, and finally to founder and publisher of his own successful independent press.. Written with the same warm and earthy voice that has enthralled tens of thousands of fly-fishing readers, Nick weaves the disparate chapters of his life: from the moment his widowed mother drops him off at a grim boarding school at the age of five, where he spends three lonely and confusing years; to his love of basketball and pride playing for Penn; to the tumultuous period, in the army and after, when he found and was transformed by literature; to his marriage to Mari, his great love and anchor of his life. Suddenly, with a PhD in hand and four children, Nick embarks on a complex and thrilling ride, juggling family, fishing, teaching, writing, and publishing, the wolf always at his door. Against all odds, The Lyons Press survives, his children prosper, his wife's art flourishes, and his books and articles make him a household name. Fire in the Straw is a love story, a confessional, and a beautiful big-hearted

Holy Woman Sara Yoheved Rigler 2006 Holy Woman chronicles the life, times, hardships, and legacy of Rebbitzin Chaya Sara Kramer, an extraordinary woman whom many considered a Jewish saint. A survivor of the medical experiments of Nazi death camp Doctor Joseph Mengele, she made a new life in Israel, where she married an unusually gifted mystic. In spite of penury and deprivation, the couple was an inspiration and guide to thousands. More of a life manual than a biography, this book explicates the profound life lessons by which Rebbitzin Kramer lived. Author Sara Yoheved Rigler draws the reader into the inner circle of her own close relationship with the Rebbitzin. Herself a serious searcher, Rigler spent 15 years in an Indian ashram before coming to Israel to reconnect with her Jewish origins. Refreshingly written and elegantly relevant, Holy Woman is a book for spiritually oriented persons who yearn to learn secrets of personal greatness from a truly hidden and humble Jewish luminary.

*The Baal Teshuva Survival Guide* Lisa Aiken 2009

*Index to Jewish Periodicals* 1997 An author and subject index to selected and American Anglo-Jewish journals of general and scholarly interests.

*Holocaust and Nature* Didier Pollefeyt 2013 This volume makes clear how Nazism was not only an attack on the human species and the Jewish people in particular, but also an attack on nature. Further, it examines the victims of the Holocaust for whom nature was not only a source of supplementary pain, but also a source of hope and redemption. The book reveals parallels between the attitudes of the bystanders during the Holocaust and us - bystanders today - watching the ecological disaster with the same passivity. The book's unique conclusion will challenge each reader. In addition to teaching us to be critical about our concepts of nature, as well as to remember the victims, the Holocaust also teaches us to become rescuers rather than bystanders in light of the contemporary destruction of nature. (Series: Geschichte des Holocaust - Vol. 8)

Third-generation Holocaust Representation Victoria Aarons 2017 Victoria Aarons and Alan L. Berger show that Holocaust literary representation has continued to flourish—gaining increased momentum even as its perspective shifts, as a third generation adds its voice to the chorus of post-Holocaust writers. In negotiating the complex thematic imperatives and narrative conceits of the literature of these writers, this bold new work examines those structures, ironies, disjunctions, and tensions that produce a literature lamenting loss for a generation removed spatially and temporally from the extended trauma of the Holocaust. Aarons and Berger address evolving notions of “postmemory”; the intergenerational transmission of trauma; inherited memory; the psychological tensions of post-Holocaust Jewish identity; tropes of memory and the personalized narrative voice; generational dislocation and anxiety; the recurrent antagonisms of assimilation and alienation; the imaginative reconstruction of the past; and the future of Holocaust memory and representation.
