Chasing a dream of love

Love, Inc. - Laurie Essig 2019-02-05

The notion of "happily ever after" has been ingrained in many of us since childhood—meet someone, date, have the big white wedding, and enjoy your well-deserved future. But why do we buy into this idea? Is love really all we need? Author Laurie Essig invites us to flip this concept of romance on its head and see it for what it really is—an ideology that we desperately cling to as a way to cope with the fact that we believe we cannot control or affect the societal, economic, and political structures around us. From climate change to nuclear war, white nationalism to the worship of wealth and conspicuous consumption—as the future becomes seemingly less secure, Americans turn away from the public sphere and find shelter in the private. Essig argues that when we do this, we allow romance to blind us to the real work that needs to be done—building global movements that inspire a change in government policies to address economic and social inequality.

Chasing Him - Kat T.Masen 2020-10-14

Our vows were exchanged. We had our whole lives planned out. And even brought our son into this world. Until hours later... when everything stopped, and you were suddenly gone. Life was perfect, until the day the only man she had ever been with, the man who had stolen her heart at the tender age of seventeen, was taken away before his time. Desperate, angry, and unable to heal, Adriana hits rock bottom and is forced to seek help for the sake of her son. What she doesn't expect is a friendship from an unlikely source--Julian Baker, her best friend's ex-fiancé. Julian is every bit the man she isn't expecting to walk into her life. Intelligent, witty, and extremely handsome. Their unique friendship soon turns into a forbidden relationship. As lovers, they form a bond that must remain hidden from their family and friends, but secrets can only be kept for so long. Adriana's brother, Lex, loathes Julian and will stop at nothing to break them apart. Will Lex's controlling nature and overprotective stance on his wife drive Adriana to end another great love in her life? Or will she finally heal with a man who never intended to steal her heart? **This title was previously published as Adriana. It has been extensively rewritten, re-edited, and has a new cover.

In a bid to forget, he finds himself desperately trying to hold on to someone who is equally unattainable, Charlotte Edwards. In a last ditch effort to save himself, Julian reaches out for help, but the universe has other plans when someone completely unexpected walks into his life, and an unlikely friendship is formed. His enemy's sister-Adriana Evans.

Love Walks In - Samantha Chase 2022-04-22

Resort owner Hugh Shaughnessy loves the predictability of his life. After a family tragedy, he's relied on work, discipline, and schedule to protect himself from the kind of hurt he felt after losing his mother. The last thing he expected was for a beautiful stranger to stumble through his office window and send his carefully crafted world on a new and unexpected course. Planning has never been Aubrey Burke's strong suit, choosing instead to live in the moment and see where the world takes her. But living for today isn't always all it's cracked up to be, especially when that philosophy means you're running away from potentially disastrous mistakes and climbing through strangers' windows. Hugh and Aubrey couldn't have a more different approach to life if they tried, but the more time they spend together, the more they see that life - and love - will happen whether you plan for it or not.

A nine-session True Love Waits Bible study that focuses on how to seek God and His kingdom in our relationships with other people.

Chasing Love - Sean McDowell 2020-12-01

The music we listen to, the movies we watch—they're all telling us to keep chasing love, and that we'll finally be happy when we find it. But is love really all we need? The love that the world tells us to pursue is all about self, about following your heart's desires. But what is the Christian worldview on love? When we follow Jesus, we realize that he invites us to reorient the focus of our lives, so instead of chasing love primarily for our own happiness, we are first and foremost to give love—to God and to others. In *Chasing Love*, Sean McDowell will invite readers into Jesus' radical, upside-down approach to love, and in doing so, he'll answer some of the toughest questions we're asking about love today: How does Jesus speak to singleness? What does the gospel say about LGBTQ issues? Can sexual sin truly be forgiven? What if I'm not happy in my marriage?
