A History of Appalachia - Richard B. Drake
2003-09-01

Richard Drake has skillfully woven together the various strands of the Appalachian experience into a sweeping whole. Touching upon folk traditions, health care, the environment, higher education, the role of blacks and women, and much more, Drake offers a compelling social history of a unique American region. The Appalachian region, extending from Alabama in the South up to the Allegheny highlands of Pennsylvania, has historically been characterized by its largely rural populations, rich natural resources that have fueled industry in other parts of the country, and the strong and wild, undeveloped land. The rugged geography of the region allowed Native American societies, especially the Cherokee, to flourish. Early white settlers tended to favor a self-sufficient approach to farming, contrary to the land grabbing and plantation building going on elsewhere in the South. The growth of a market economy and competition from other agricultural areas of the country sparked an economic decline of the region's rural population at least as early as 1830. The Civil War and the sometimes hostile legislation of Reconstruction made life even more difficult for rural Appalachians. Recent history of the region is marked by the corporate exploitation of resources. Regional oil, gas, and coal had attracted some industry even before the Civil War, but the postwar years saw an immense expansion of American industry, nearly all of which relied heavily on Appalachian fossil fuels, particularly coal. What was initially a boon to the region eventually brought financial disaster to many mountain people as unsafe working conditions and strip mining ravaged the land and its inhabitants. *A History of Appalachia* also examines pockets of urbanization in Appalachia. Chemical, textile, and other industries have encouraged the development of urban areas. At the same time, radio, television, and the internet provide residents direct links to cultures from all over the world. The author

looks at the process of urbanization as it belies commonly held notions about the region's rural character.

The Universal Christ - Richard Rohr
2019-03-05

'I cannot put this book down' - BONO 'One of the most influential speakers in the world' - OPRAH WINFREY In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus' last name? Too often, Rohr writes, our understanding has been limited by culture, religious squabbling, and the human tendency to put ourselves at the centre. Drawing on scripture, history and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. 'God loves things by becoming them,' he writes, and Jesus' life was meant to declare that humanity has never been separate from God - except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us and in everyone we meet. Thought-provoking, practical and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

A Taxonomy of Love - Rachael Allen
2018-01-09

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette

syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

Covenant Dating - Beverly D Allen 2020-12-29
 Doing Dating Right Are you weary of the "dating treadmill," trying out different potential partners only to be let down again and again? Dating as a believer is not meant to be "casual"; it must focus on achieving a covenant relationship-seeking only for a covenant partner. Covenant dating is the biblical path to marriage for those in the dating pool who are tired of getting their hearts broken and not reaching their goal of marriage. Regardless of the compromises you make to try to please another's flesh or even your own, it will not bring true joy to the spirit. But obedience to God and His Word-which protects your heart, emotions, and above all your spiritual relationship with God-will. Covenant Dating can help all those seeking marriage as a covenant partner to abide by God's intended plan to take you to "help-meet status" as a covenant partner. It is not a list of rules but a lifestyle blueprint to guard your heart and your body. Remember, with God all things are possible to him who believes, trusts, and waits on the Lord. God can do for you what He has done for countless others!

Power in Close Relationships - Christopher R. Agnew 2019-02-28

An outline of how power, an inherent feature of social interactions, operates and affects close relationships.

Brands of Faith - Mara Einstein 2007-09-14

In a society overrun by commercial clutter, religion has become yet another product sold in the consumer marketplace, and faiths of all kinds must compete with a myriad of more entertaining and more convenient leisure activities. Brands of Faith argues that in order to compete effectively faiths have had to become brands - easily recognizable symbols and

spokespeople with whom religious prospects can make immediate connections Mara Einstein shows how religious branding has expanded over the past twenty years to create a blended world of commerce and faith where the sacred becomes secular and the secular sacred. In a series of fascinating case studies of faith brands, she explores the significance of branded church courses, such as Alpha and The Purpose Driven Life, mega-churches, and the popularity of the televangelist Joel Olsteen and television presenter Oprah Winfrey, as well as the rise of Kaballah. She asks what the consequences of this religious marketing will be, and outlines the possible results of religious commercialism - good and bad. Repackaging religion - updating music, creating teen-targeted bibles - is justifiable and necessary. However, when the content becomes obscured, religion may lose its unique selling proposition - the very ability to raise us above the market.

Covenant Dating - Beverly D. Allen 2012-10

It's been said that insanity is doing the same thing over and over yet expecting different results. Are you weary of the "dating treadmill," trying out different potential partners only to be let down again and again? Dating as a believer is not meant to be "casual"; it must focus on achieving a "covenant relationship" seeking only for a covenant partner. Covenant dating is the biblical path to marriage for those in the dating pool who are tired of getting their hearts broken and not reaching their goal of marriage.

Regardless of the compromises you make to try to please another's flesh or even your own, it will not bring true joy to the spirit. But obedience to God and His Word, which protects your heart, emotions, and above all your spiritual relationship with God, will. Covenant Dating can help all those seeking a marriage partner to abide by God's intended plan to take you to help-meet status as a covenant partner. It is not a list of rules but a lifestyle blueprint to guard your heart and your body. Remember, with God all things are possible to him that believes, trusts, and waits on the Lord. God can do for you what He has done for countless others!

[Immortal Diamond](#) - Richard Rohr 2013-01-22

Dissolve the distractions of ego to find our authentic selves in God In his bestselling book *Falling Upward*, Richard Rohr talked about ego

(or the False Self) and how it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation. Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves

Written by Father Richard Rohr, the bestselling author of *Falling Upward* Examines the fundamental issues of who we are and helps us on our path of spiritual maturity

Immortal Diamond (whose title is taken from a line in a Gerard Manley Hopkins poem) explores the deepest questions of identity, spirituality, and meaning in Richard Rohr's inimitable style.
When Scotland Was Jewish - Elizabeth Caldwell Hirschman 2015-05-07
The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Prominent Families of New York - Lyman H. Weeks 2019-10-09

Prominent Families of New York - being an

account in biographical form of individuals and families distinguished as representatives of the social, professional and civic life of New York city is an unchanged, high-quality reprint of the original edition of 1897. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Singing the Glory Down - William Lynwood Montell 2015

The editors, William J. Devlin and Shai Biderman, have compiled an impressive list of contributors to explore the philosophy at the core of David Lynch's work. Lynch is examined as a postmodern artist and the themes of darkness, logic and time are discussed in depth.
Godly Wisdom for a Pastor's Wife - Oyenike Areogun 2012-09

ABOUT THE BOOK *Godly Wisdom for a Pastor's Wife* is a perennial best seller and healing balm for all the women that are married to pastors and ministers of God. As the pastor was called, so also the wife of the pastor is called to stand by her husband to fulfil the call of God upon his life. This book outlines from the Bible the sacrifices, work, and the development necessary to fulfil that role without losing out in the overall scheme that God is working on the earth through herself and her husband. This book is a must-read for every Pastor's wife and soon-to-be Pastor's wife. If your man is in any level of ministry, this book will make you a blessing of immense value in your generation.

The Age of Independence - Michael J. Rosenfeld 2009-09-30

Michael J. Rosenfeld offers a new theory of family dynamics to account for the interesting and startling changes in marriage and family composition in the United States in recent years. His argument revolves around the independent life stage that emerged around 1960. This stage is experienced by young adults after they leave their parents' homes but before they settle down to start their own families. During this time,

young men and women go away to college, travel abroad, begin careers, and enjoy social independence. This independent life stage has reduced parental control over the dating practices and mate selection of their children and has resulted in a sharp rise in interracial and same-sex unions—unions that were more easily averted by previous generations of parents. Complementing analysis of newly available census data from the entire twentieth century with in-depth interviews that explore the histories of families and couples, Rosenfeld proposes a conceptual model to explain many social changes that may seem unrelated but that flow from the same underlying logic. He shows, for example, that the more a relationship is transgressive of conventional morality, the more likely it is for the individuals to live away from their family and area of origin.

Marriage as a Covenant - Gordon Paul Hugenberger 2014-09-03

This book focuses on Malachi 2:10-16, which identifies marriage as a "covenant" and censures the lax marital practice of its contemporaries. Proceeding from this text, Hugenberger explores the theory of marriage implied elsewhere in the Old Testament.

God Speaks to Us, Too - Susan M. Shaw 2008-01-01

Showing that Southern Baptist women are more complex and rebellious than outsiders might think, the author presents the views of more than 150 women, often using their own words, and finds in them an unshakable belief that God speaks as directly to them as to any pastor.

Covenant Dating - Beverly D. Allen 2012-10-31

It's been said that insanity is doing the same thing over and over yet expecting different results. Are you weary of the "dating treadmill," trying out different potential partners only to be let down again and again? Dating as a believer is not meant to be "casual"; it must focus on achieving a "covenant relationship"—seeking only for a covenant partner. Covenant dating is the biblical path to marriage for those in the dating pool who are tired of getting their hearts broken and not reaching their goal of marriage. Regardless of the compromises you make to try to please another's flesh or even your own, it will not bring true joy to the spirit. But obedience to God and His Word, which protects

your heart, emotions, and above all your spiritual relationship with God, will. Covenant Dating can help all those seeking a marriage partner to abide by God's intended plan to take you to help-meet status as a covenant partner. It is not a list of rules but a lifestyle blueprint to guard your heart and your body. Remember, with God all things are possible to him that believes, trusts, and waits on the Lord. God can do for you what He has done for countless others!

Real Men Don't Text - Ruthie Dean 2013-09-03

Late-night texts. Mixed signals. Dead-end relationships. This doesn't have to be your love life. Welcome to dating in the digital world—where phone conversations followed by dinner and a movie have been replaced by last-minute texts, ambiguous relationships, and vague group hangouts. While technology makes it faster and easier to connect than ever before, it has also created confusion . . . And heartbreak. Ruthie and Michael Dean have heard the same story from thousands of women: the disappearing men, the cryptic messages, the disappointing relationships, and the false intimacy of on-screen connection. In a no-holds-barred narrative style, the husband-and-wife team chronicles their dating mishaps, hilarious attempts to find love, and many mistakes—helping women understand just what men are thinking and how to attract Mr. Right. Real Men Don't Text offers game-changing perspectives, bringing a fresh approach to love, sex, and dating. You don't need to spend one more night staring at a phone screen. It's time to take back your love life!

Side Effects - Woody Allen 1986-09-12

Seventeen funny short stories by Woody Allen, previously published in *The New Yorker*, *The Kenyon Review* and *The New York Times* and others between 1975 and 1980.

Homo Deus - Yuval Noah Harari 2016-09-08

****THE MILLION COPY BESTSELLER**** Sapiens showed us where we came from. In our increasingly uncertain times, *Homo Deus* shows us where we're going. 'Spellbinding' Guardian The world-renowned historian and intellectual Yuval Noah Harari envisions a near future in which we face a new set of challenges. *Homo Deus* explores the projects, dreams and nightmares that will shape the twenty-first

century and beyond - from overcoming death to creating artificial life. It asks the fundamental questions: how can we protect this fragile world from our own destructive power? And what does our future hold? 'Even more readable, even more important, than his excellent Sapiens' Kazuo

Ishiguro 'Homo Deus will shock you. It will entertain you. It will make you think in ways you had not thought before' Daniel Kahneman, bestselling author of Thinking, Fast and Slow
