Break The Glass Slipper Crista Beck 2019-11-19 In this paradigm-shifting dating guide, love and dating expert, Crista Beck shows us how to stop Hollywood and Disney from ruining our love lives so we can find love in real life. For decades, we've been told that love just magically happens when we least expect it. "How's love going to happen for you if you're just sitting on the couch watching Netflix?", Crista Beck says. "Let's be honest, love is not happening for you because you believe the societal fantasies about dating and relationships." Beck doesn't sugar coat the reasons why we are still single. She tells it like it is - a strong dose of raw and honest truth that is sorely lacking today. Break The Glass Slipper is her antidote to the myths about the process of dating that have infected modern society and the minds of single women, sabotaging our ability to attract a healthy and happy long-term relationship. Beck makes the argument, backed by her 10+ years working with single women seeking men, that improving our love lives hinges on our ability to let go of these outdated mindsets that are preventing us from receiving our future partner into our life. Once we distinguish the fairy tales we have been telling ourselves about love, we can then choose a new path (based on reality), and find a real connection with a quality man that can evolve into a long-term relationship. This much-needed dating advice, Break The Glass Slipper is a refreshing and powerful nudge for a generation to break our own glass slippers and lead healthy and powerful love lives.

Seven Ways We Lie Riley Redgate 2016-03-08 In *Seven Ways We Lie*, a chance encounter tangles the lives of seven high school students, each resisting the allure of one of the seven deadly sins, and each telling their story from their seven distinct points of view. The juniors at Paloma High School all have their secrets, whether it's the thespian who hides her trust issues onstage, the closeted pansexual who only cares about his drug-dealing profits, or the neurotic genius who's planted the seed of a school scandal. But it's Juniper Kipling who has the furthest to fall. No one would argue that Juniper—obedient daughter, salutatorian, natural beauty, and loyal friend—is anything but perfect. Everyone knows she's a saint, not a sinner; but when love is involved, who is Juniper to resist temptation? When she begins to crave more and more of the one person she can't have, her charmed life starts to unravel. Then rumors of a student-teacher affair hit the fan. After Juniper accidentally exposes her secret at a party, her fate falls into the hands of the other six sinners, bringing them into one another's orbits. All seven are guilty of something. Together, they could save one another from their temptations—or be ruined by them. Riley Redgate's twisty YA debut effortlessly weaves humor, heartbreak, and redemption into a drama that fans of Jenny Han and Stephanie Perkins will adore.

Happiness Is . . . 500 Ways to Show I Love You Lisa Swerling 2016-09-13 From the creators of Happiness Is..., this ebook illustrates 500 ways to share the love with that special someone. Capturing the extraordinary little moments and feelings that make up true love, this is the perfect gift for Valentine's Day, anniversaries, or just to say "I Love You."

This Is Not a Valentine Carter Higgins 2017-12-26 In this picture book, a girl's gift of a Valentine to a boy prompts a tale with an enduring message of friendship. This book is not a valentine. It doesn't have lacey edges or sugary hearts. But it is full of lucky rocks, secret hiding spots, and gumball machine treasures. This is a book about waiting in line and wishing for cinnamon buns. About recognizing that if you care so much about someone not thinking you care, maybe you really do. But wait—isn't that exactly what love is about? Maybe this book is sort of a valentine after all. A testament to handmade, wacky, bashful, honest love—sure to win over the hearts of all readers—this offering from debut picture book author Carter Higgins and children's book veteran Lucy Ruth Cummins is the perfect gift to celebrate every relationship, from parent to child, sibling to sibling, partner to partner, crush to crush. Praise for This Is Not a Valentine "A perfect book for kids who find the whole Valentine's Day holiday icky and overrated." —Book Riot "A beautiful celebration of love and

how different that may look to others celebrating Valentine's Day.” —ReaderTotz “[Cummins’s] cartoon cast is a diverse one, and refreshingly, this is more about deep friendship than romantic love; her kids are definitely just that: kids. . . . A sort of anti-valentine for those who want to show the ones they love they care without being all mushy (or spending any money).” —Kirkus Reviews
