Dating a Metro Man - Donna McDonald

Like mother, like daughter? Or will Jenna Ranger give up on love and romance? Book four of this humorous romantic comedy series continues this popular contemporary romance saga and explores it through a younger generation. If asked, 30 yr old Seth Carter could not have recounted a single moment since he'd met her that he had not loved the stubborn, self-centered, and admittedly spoiled 28 yr old Jenna Ranger. Jenna admits to having her fair share of faults, but Seth is far from being the perfect man. No rational

woman could want to invest in a relationship with someone who so obviously loves his cell phone more than he does her. How can she let herself love someone who chooses his work over everything else?

Revising Mrs. Robinson - Suzanna Mathews 2016-06-23
SEXUALITY-RELATIONSHIPS
In this modern era of dating, opportunities abound for older women and younger men to find each other. But those women dating younger men must be proactive about managing the doubt-filled self-talk and the outside commentary that could derail their romance. Revising Mrs. Robinson offers an examination of the personal and social responses to relationships between older women and younger men. Author Suzanna Mathews explores the term cougar as a cultural phenomenon and considers what draws cougars and cubs together. She also provides advice for managing the unique challenges of an intergenerational relationship. Most of all, Mathews tells

middle-aged women how to be honest with themselves and feel empowered to pursue whatever relationship they choose, regardless of age difference, and armed for the cultural critique that often accompanies any nontraditional relationship. This practical guide seeks to assist women involved with or interested in relationships with younger men, presenting methods for dealing with both external and internal obstacles. [How to Date Younger Men](#) - Trina C. 2012-03-04

ABOUT THE BOOK "Older women, are beautiful lovers." So goes the song made famous by country crooner Ronnie McDowell in 1981. And he was right. For years, younger men of a certain type have always enjoyed the company of older women. The mystery, the worldliness, the experience - it's all something young men crave, and something many young women lack. The phenomenon of younger men

having relationships with older women is nothing new. Silver screen legend Mae West, who coined the phrase, "Why don't you come up and see me some time?" kept a harem of young men well into her 60s.

Catherine the Great, the sexually independent Russian ruler, had a string of younger lovers, and the last one was 40 years her junior. Celebrity couples with an older women in recent years have included Courtney Cox and David Arquette (7-year difference), Vivica Fox and rapper 50 Cent (11-year difference), Cher and Rob Camilletti (18-year difference), and Madonna and Brahim Zaibat (29-year difference). And, of course, there's Demi Moore who is 16 years older than her now-estranged husband, Ashton Kutcher. EXCERPT FROM THE BOOK To get a man, any man, you have to put yourself out there. To get a younger man requires a little more work because some might overlook you automatically. This isn't because you're not attractive, it's simply because most men

are hardwired to look for women their own age or younger. To find him, you must seek him. Join an online dating site, whether it's one designed specifically for cougar-cub romances or one that caters to mainstream romances.

Whichever site you choose, be specific in your age limits. How old is too old? And how young is too young? Use an attractive recent photo, preferably a headshot where you're smiling or otherwise look appealing. Keep it classy, though. You want him to be curious to know more about you, not about how fast he can bed you. Pick up a hobby that interests you, but one which also attracts young men. Do you enjoy skiing? Join a singles club that welcomes all ages for skiers. Any outdoor activity such as hiking, bicycling and boating often have young, male devotees. Don't start heading to NASCAR races if you really don't enjoy it, but don't skip out on something simply because it might not attract younger men. Cooking classes are often filled with young men. You'd be

surprised at how many 20-something men are picking up sewing! Don't worry if the object of your desire isn't single. Strike up a conversation with him anyway. He probably has plenty of single friends!...

**Cruising Speed
(Contemporary Romance,
Humor)** - Donna McDonald

2014-02-26

His libido is in sport mode, but hers is set to cruising speed. Selling her dead husband's super-sized Harley is traumatic, but bike shop owner, Kia Anders, knows she needs to let go of the past. The big bike in her garage hasn't been ridden for a couple years now. It is no more than a symbol of her loss and reminds her of her own lack of usefulness. When the very

large, very excited Mikkel Gunnarsen arrives to buy it, his pleasure in the bike makes the decision to sell to the younger man much easier than she imagined it would be. The same is also true for the decision that ends with Mikkel spending the night in her bed. p.p1

Kia knows the blissful moments with Mikkel are only momentary relief, but being with the younger man is certainly inspiring.

The Desperate Dater's Intervention - Maureen Reil
2017-05-06

Lacey Stanmore breaks up with her controlling boyfriend. Only he insists that they are merely on a break and not broken up for good at all. However, Lacey is determined to find herself

another dude to replace him instead. This idea finds Lacey falling back into old habits and she becomes a desperate dater once more. When she goes out with men that are hardly the cashmere jumper of marriage material and more like a cheap suit made of polyester, since they hardly measure up to her neighbour. Unfortunately, for Lacey, the man she secretly loves from afar has a long-term girlfriend so that is never going to happen. Hence, Lacey asks for advice from her flatmate when she needs a Plus-One for the party she is going to the following weekend so her friend sets up a dating intervention for her. Where she enlists the help of certain people close to Lacey so they will choose her next dates for the week ahead and by the end of it, Lacey might have found love you never know or at least something that resembles a decent date at least. Well if you go on a series of consecutive blind dates in a row then one of them is surely going to turn into a second date, right. This of course sees Lacey having

more hilarious and some might say disastrous dates then she knows what to do with. While nobody would believe her if, she wrote them all down and put them in a book but it's true. Will Lacey get the man of her dreams or just end up with a nightmare and a headache, not to mention the heartache? This laugh-out-loud story is a British romantic comedy novel and it contains a few swear words too. So if it sounds like your cup of tea then please enjoy it sensibly.

Wife, Inc. - Suzanne Leonard
2020-05-01

A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality, women have been freed from the necessity of securing a husband for economic stability, sexual fulfillment, or procreation. Marriage is a choice, and increasingly women (and men) are opting out. Yet despite these changes, the cultural power of marriage has burgeoned. What was once an obligation has become an

exclusive club into which heterosexual women with the right amount of self-discipline may win entry. The newly exalted professionalized wife is no longer reliant on her husband's status or money; instead she can wield her own power provided she can successfully manage the business of being a wife. *Wife, Inc.* tells a fiercely contemporary story revealing that today's wives do not labor in kitchens or even homes. Instead, the work of wifedom occurs in online dating sites, on reality television, in social media, and on the campaign trail. Dating, marital commitment, and married life have been reconfigured. No longer the stuff of marriage vows, these realms are now controlled by brand management and marketability. To prosper, women must appear confident, empowered, and sexually savvy. Guiding readers through the stages of the "wife-cycle," Suzanne Leonard follows women as they date, prepare to wed, and toil as wives, using

examples from popular television, film, and literature, as well as mass market news, women's magazines, new media, and advice culture. The first major study to focus on this new definition of "working wives," *Wife, Inc.* reveals how marriage occupies a newly professionalized role in the lives of American women. Being a wife is a business that takes a lot more than a vow to maintain—this book tells that story.

But once he gets his reluctant cougar into bed, Walter intends to give Jane's amazing mind something more

important to focus on than their age difference. DATING A PRO (Book 7) Her tendency to buck convention as much as Harrison did definitely made Doris worthy of a tumble. She wasn't his first older woman so the decade difference in their ages didn't bother him a bit. After all, it wasn't like he was going to marry the woman. All he wanted was to share her lonely divorcee bed and maybe stir things up at the club with a few mix-gender golf games. He and Doris would both have some fun. The last thing Harrison expected was to find himself falling for the most inappropriate female he'd ever met.
