Gendered Work - Lisa Adkins
1995-01

[Gender and Labour in Korea and Japan](#) - Ruth Barraclough
2009-09-10

This book explores gender, labour and class in Korea and Japan, both during the twentieth century and today. It shows how sexuality is inscribed in working-class identities, demonstrating that sexual and labor relations have been crucial factors in shaping the cultures of industrialization in both Japan and Korea.

Inducing Labour - Sara Wickham
2018-04-30

When is it better to induce labour than to let a woman's body or baby decide the best time for birth? What are the pros and cons of waiting and of being induced? What about after the due date? When the baby is thought to be bigger

than average? When the woman is older? If she had IVF? Or when her waters have broken earlier than usual? Induction of labour is an increasingly common recommendation and more and more women find themselves having to decide whether to let their body and baby go into labour spontaneously or agree to medical intervention. This book explains the process of induction of labour and shares information from research studies, debates and women's, midwives' and doctors' experiences to help women and families become more informed and make the decision that is right for them.

What to Believe When You're Expecting - Jonathan Schaffir
2017-10-06

When a woman is pregnant, she may hear no end of old wives' tales, folklore, and

advice on what will affect her baby or what will help her pregnancy to go well. Schaffir reviews the origins and the variety of these old tales and advice, repeated generation after generation, and helps women decide which bits they can believe.

Water, Birth and Sexuality -

Michel Odent 2020-12-17

'After the historic student revolt in France a period of audacious creativity resulted. The watchword was: "It is forbidden to forbid". We took advantage of this transient cultural folly to do what would have been impossible ten years before or ten years after, introducing in the maternity unit of a state hospital an inflatable outdoor pool as a way to replace drugs during birth.' - from the Introduction

In this groundbreaking book, Dr Odent takes as his starting point the world-famous work on childbirth at Pithiviers, where he first noticed the strong attraction to water that many women have during labour. As well as discovering the practical advantages of

water during the birthing process, he began to consider the meaning and importance of water as a symbol. *Water, Birth and Sexuality* examines the living power of water and its erotic connotations. Odent evaluates what water meant in different cultures throughout history, through myths and legends, and what it means for us today: from an advertiser's tool to a metaphor for aspects of the psyche. He also studies humanity's special relationship to dolphins, and the related 'aquatic ape' theory. A practical section on the use of water during birth and in various therapies, particularly sex therapy, is included. This edition of this classic work features a new Introduction.

A Labour of Love - Janet Finch
2022-08-24

What are the realities of 'community care' - the unpaid care given by hundreds of thousands of women, often in their own homes - for children and adults who are handicapped or chronically sick, or for frail elderly people? Originally published in 1983,

Downloaded from
legacy.opendemocracy.net
on 2019-04-23 by guest

this book explores the experiences of such women and the dilemmas which 'caring' poses for them. At a time when most women needed to earn money from a paid job, how did 'carers' manage to juggle their caring and other domestic responsibilities, and what happened if they had to give up work? Against a background of government policies which favour care 'by' the community, the contributors to this book raise crucial issues for social and economic policy. Hilary Graham examines what caring really means and Clare Ungerson asks why women do it. Sally Baldwin and Caroline Glendinning focus on mothers with handicapped children and Fay Wright on single adults with elderly dependants. Alan Walker highlights the dependencies implicit in caring relationships with the elderly. Lesley Rimmer looks at the economic 'costs' of care, and Dulcie Groves and Janet Finch examine the invalid care allowance - a carers' benefit for which married women can

never qualify. In exploring the domestic sector of welfare, A Labour of Love was a highly topical contribution to the debate both on welfare provision and on the division of labour between men and women at the time.

Child Labour & Exploitation -

Cara Acred 2014-09

The exploitation of children and young people is a major issue worldwide. How can we tackle human trafficking and ensure that children's rights are preserved? How does child labour affect the products available to buy here in the UK? How can sex tourism be stopped? This book examines the issues at home and abroad.

Dad's Guide to Pregnancy

For Dummies - Roger

Henderson 2011-09-20

Practical, hands-on information for fathers-to-be Dad's Guide to Pregnancy For Dummies is packed with practical, straightforward information for fathers-to-be, covering all of the logistical, physical, and emotional aspects of pregnancy from a dad's unique point of view. When it comes to

pregnancy, dads' roles have changed so much in the past few decades that expectant fathers don't always know where to turn to for guidance and advice on this milestone event. Now they do! Dad's Guide to Pregnancy For Dummies covers: What to expect at doctor's visits Tips for being a supportive partner during pregnancy and preparing for fatherhood Advice on birth plans, labour and delivery, and the first days and weeks of a baby's life Packed with helpful information on the typical struggles and feelings expectant fathers face, Dad's Guide to Pregnancy For Dummies gives first-time fathers and veteran dads alike a wealth of useful information.

Sex Leads to the Labour Room - Elvis Crews

2018-04-10

SEX ALWAYS LEADS TO THE LABOR ROOM delivers!

Written by a well experienced husband and father, this book is a combination of two individual books that teaches couples who are expecting

what to do and expectant couples what to expect on their trip to the labor room. In the first book, titled: SEX IMPROVES YOUR SPERM ABILITY, you are getting details on what to do to improve the health of your sperm. You would learn the following terms: How long it take sperm to be made Role of testosterone Ovulation Hormonal Change Unfertilised Egg Best Position to conceive and lot more.... This simple to read and understand book opens a new way of understanding on how to improve your fertility levels, thereby making your chances of making a baby better. In the second book, titled: THE TEDIOUS VOYAGE, from the Labor room to the Delivery room, you would get a lot more understanding on simple stages of delivery you would be going through. You would also learn the following: Stages of Labor C-section: Why you might need it Medical titles and what you need to know Who is your birth partner? Drinkinng and eating during

Downloaded from
legacy.opendemocracy.net

labor Who is allowed into the delivery room? Natural Childbirth in the Hospital Umbilical Cord: Who gets to cut it? Breastfeeding: Basics and tips you need to know Obviously only a woman can know exactly what it feels like to carry and birth a new-born; however, you can learn as much as possible about all the stages of pregnancy, labour, delivery, and new-born bonding. Perhaps once you understand the prenatal class basics you might start having doubts about how you will be able to handle it all. Try to set those uncomfortable thoughts aside. Studies show that men are more likely to get and stay involved in the care and nurturing of their children if they are present at the births.

Sex Work - JaneMaree Maher
2012-10-12

Sex work has always attracted policy, public and prurient interest. Currently, legal frameworks in developed countries range from prohibition, through partial legalisation to active

regulation. Globalisation has increased women's mobility between developing and developed countries at the same time as women's employment opportunities in the developed world are shifting. Family and intimate relationships are being transformed by changing demographics, shifting social mores and new intersections between intimate lives and global markets. Sex work is located at the nexus of new intimacies, shifting employment patterns and changing global mobilities. This volume examines the working lives of contemporary sex workers; their practices, their labour market conditions and their engagement with domestic and international regulatory frameworks. It locates the voices and experiences of workers in Melbourne, Australia, at the centre of the sexual services industry as they reflect on brothels and independent escort work, on working conditions and managers, and on the relationships they form

Downloaded from
legacy.opendemocracy.net
on 2019-04-23 by guest

with clients. It offers a new account of sex work where women's labour and mobility is understood as central in local and global imperatives to offer sexual services. It examines how these new imperatives intersect with, challenge and exceed existing regulatory frameworks for sex work. Sex work: labour, mobility and sexual services draws together the everyday practices of sex workers and the broader global markets in which workers negotiate employment. In bringing together these two important intersecting areas, it offers a grounded and innovative account of sex work which will be of interest to academics and policy makers concerned with sex work, gender studies and the sociology of labour.

The Positive Birth Book - Milli Hill 2017-03-16

Work out what kind of birth you really want, and learn how to maximise your chances of getting it, in this refreshing, warm and witty guide to pregnancy, birth and the early weeks. Packed with vital and

cutting-edge information on everything from building the ultimate birth plan, to your choices and rights in the birth room; from optimal cord clamping, to seeding the microbiome; from the inside track on breastfeeding, to woman-centred caesarean, *The Positive Birth Book* shows you how to have the best possible birth, regardless of whether you plan to have your baby in hospital, in the birth centre, at home or by elective caesarean. Find out how the environment you give birth in, your mindset and your expectations can influence the kind of birth you have, and be inspired by the voices of real women, who tell you the truth about what giving birth really feels like.

Challenging negativity and fear of childbirth, and brimming with everything you need to know about labour, birth, and the early days of parenting, *The Positive Birth Book* is the must-have birth book for women of the 21st century.

Sex Discrimination in the Labour Market - Richard Perlman 1994

Does Sex Really Help Induce Labor

Key Labor Market Indicators - Ina Pietschmann 2016-10-13
Key Labor Market Indicators: Analysis with Household Survey Data is an introduction to labor market indicator analysis and a guide for analyzing household survey data using the ADePT ILO (International Labour Organization) Labor Market Indicators Module. The analytical framework and approach taken up in this book are based on the ILO's Key Indicators of the Labour Market (KILM). KILM indicators provide a strong basis on which to address key questions related to productive employment and decent work. The ADePT ILO Labor Market Indicators Module is a powerful tool for producing and analyzing KILM indicators using household survey data. The software allows researchers and practitioners to automate data production, to minimize data production errors, and to quickly produce a wide range of labor market data from labor force surveys or other household surveys

that contain labor market information. ABOUT ADePT Streamlined Analysis with ADePT Software is a series that provides academics, students, and policy practitioners with a theoretical foundation, practical guidelines, and software tools for applied analysis in various areas of economic research. ADePT Platform is a software package developed in the research department of the World Bank (see www.worldbank.org/adept). The series examines such topics as sector performance and inequality in education, the effectiveness of social transfers, labor market conditions, the effects of macroeconomic shocks on income distribution and labor market outcomes, child anthropometrics, and gender inequalities.

Pregnancy for Modern Girls

- Hollie Smith 2010-10-22
If you want a sugar-coated guide to pregnancy, this isn't it! With you through every stage, the Modern Girl's Guide to Pregnancy is a refreshing,

*Downloaded from

truthful guide to nine months of scary decisions, medical jargon and life-changing events. From scans, maternity leave and common pregnancy ailments, to what labour's really like, we tell you straight - the kind of frank, honest advice you expect from your best mate. We cover the questions that you'll really want the answers to but may not want to ask, including: * I got really drunk in the first 3 months - will my baby be ok? * Will I need to wear big pants? * What's an episiotomy? * Are piles inevitable? * Can I still have sex when I'm huge? Full of practical advice, this book will help waylay your fears and ensure you make the right choices for you and your baby.

Best Practice in Labour and Delivery - Sir Sabaratnam

Arulkumar 2016-11-24

Criminality at Work - Alan Bogg 2020-03-12

From the Master and Servant legislation to the Factories Acts of the 19th century, the criminal law has always had a vital yet normatively complex role in the regulation of work relations. Even in its earliest forms, it operated both as a tool to repress collective organizations and enforce labour discipline, while policing the worst excesses of industrial capitalism. Recently, governments have begun to rediscover criminal law as a regulatory tool in a diverse set of areas related to labour law: 'modern slavery', penalizing irregular migrants, licensing regimes for labour market intermediaries, wage theft, supporting the enforcement of general labour standards, new forms of hybrid preventive orders, harassment at work, and industrial protest. This

*Downloaded from
legacy.opendemocracy.net
on 2019-04-23 by guest*

volume explores the political and regulatory dimensions of the new 'criminality at work' from a wide range of disciplinary perspectives, including labour law, immigration law, and health and safety regulations. The volume provides an overview of the regulatory terrain of 'criminality at work', exploring whether these different regulatory interventions represent politically legitimate uses of the criminal law. The book also examines whether these recent interventions constitute a new pattern of criminalization that operates in preventive mode and is based upon character and risk-based forms of culpability. The volume concludes by reflecting upon the general themes of 'criminality at work' comparatively, from Australian, Canadian, and US perspectives. Criminality at Work is a timely, rich and ambitious piece of scholarship that examines the many intersections between criminal law and work relations from a historical and contemporary

vantage-point.

Woman and Labour - Olive Schreiner 2022-08-15
DigiCat Publishing presents to you this special edition of "Woman and Labour" by Olive Schreiner. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Red Light Labour - Elya M. Durisin 2018-09-01
In 2013, the Supreme Court of Canada ruled in *Canada v. Bedford* that key prostitution laws were unconstitutional. *Red Light Labour* addresses the new legal regime regulating sex work by analyzing how laws and those who uphold them have constructed, controlled, and criminalized sex workers, their clients, and their workspaces. This groundbreaking collection

Does Sex Really Help Induce Labor

also offers nuanced interpretations of commercial sexual labour from the perspectives of workers, activists, and researchers. The contributors highlight the

struggle for civic and social inclusion by considering sex workers' advocacy tactics, successes, and challenges. A timely legal, policy, and social analysis of sex work in Canada.
