

Does My Crush Love Me Quiz

[The Crush Dilemma](#) - Susan Hatler 2016-07-13
Teen geek, Poppy Pinkleton, is adding some spice to her junior year of high school: A year of psychological experiments that will 1) Earn her three units of college credit; 2) Give her an outlet to say what she wants, when she wants; and 3) Will NOT include her parents telling her to be the “bigger person.” How, you ask? Poppy’s gotten the green light from Ms. Peterson, the newspaper head, to write an online advice column for the school. She’s found the perfect name for her alter ego: Aubrey. It means someone who rules with “magical wisdom.” She’ll be in control of her online experiment, online identity, and divvy her wisdom to the masses while tracking the results for her mini-

thesis. Now, protected by a secret identity, she’s got the popular crowd clambering to know what she thinks about fashion, homework, and eek . . . even sex! And the best part is, her parents and best friends don’t know anything about it. Finally, she can let loose a wild side and speak her mind—right or wrong, without having to meet anyone’s expectations. Soon, however, dishing out advice leads to more than Poppy can handle on her own and she must make a choice. Hide behind her alter ego or take the chance that everyone, including the new boy at school, will like her for everything she is.

2004-02-01

Take Wild at Heart by John Eldredge and The Mystique of a Woman by Jean Lush and turn it into something that gets the attention of busy teens and you begin to understand The Dateable Rules. This interactive guide takes up where Dateable left off and walks teens through the Bible's insights about men and women. Guys will learn that God loves adventure and that there's a

difference between a spiritual and a physical adventure. They'll also learn how to be a gentleman (open her door and carry the box of leftovers from dinner, etc.) Girls will learn that beauty is defined by God, not supermodels, and that if they talk too much, they lose. They learn the secrets of staying confident and letting a guy lead. How It Works: Bible Study: a study that can be used by an individual couple or a whole youth group. Focus Group: a time when guys and girls get the lowdown on each other's gender. Guys and girls or groups can talk about what they learned in the week's study and discuss the truths of Scripture. Workbook: offers lots of things for readers to do, from writing down all the bad things they have said about another person and confessing them to God to going back to the point in time when their femininity or masculinity was squashed and allowing Jesus to redefine that moment. Each section is filled with interactive activities that help students better understand God's plan for
