

# Drifting Apart In A Relationship

*Calling it Quits* - Deirdre Bair 2007

The exploding phenomenon of late-life divorce has resulted in a seismic shift in modern relationships. Author Bair explores the many reasons why older, long-married couples break up. Having conducted nearly four hundred interviews, Bair reveals some of the surprising motivations that lead to these drastic late-life splits, as well as the surprising turns life takes for all concerned after the divorce is final. Bair finds that, most often, women initiate these divorces because they want the freedom to control how they will live the rest of their lives. The realization may appear to happen suddenly, but Bair shows how it often takes many years and much careful planning before the ultimate "Eureka!" moment. Bair describes current trends, including the growing use of "mediators," seen as lower-cost alternatives to lawyers, and provides examples of how people cope in the years after.--From publisher description.

**Keys to an Unbreakable Relationship** - Marcus S. Benson 2014-03-11

This book is filled with proven principles and laws on relationship for all serious minded individuals who want to make their relationships stand out in the crowd. Everything on earth is run by laws and principles and once those principles are compromised, there will be problems.

Relationships are based on principles and laws to make it work. In this book, Marcus and Precious Benson share on the secrets that protects a relationship from drifting apart and provides insights and solutions to turn challenging relationships around, thereby bringing healing and fortifying it as an unbreakable relationship.

**Women Who Love Too Much** - Robin Norwood 2014-11-27

THE INTERNATIONAL NO.1 BESTSELLER HELPING MILLIONS OF WOMEN FIND HEALTHIER RELATIONSHIPS 'A life-changing book'

Erica Jong Is your relationship the most important thing in your life? Are

you constantly thinking and talking about your partner, or finding excuses for their bad behaviour? If you have ever found yourself obsessing over an undeserving partner, this book was written for you. Many women are repeatedly drawn into unhappy and destructive relationships, and then struggle to make these doomed relationships work. In this bestselling psychology book, leading relationship and marriage therapist Robin Norwood reveals why we get into unhealthy relationships and how powerfully addictive they are - and shares her effective framework for finding and sustaining love. Updated edition with a new introduction What readers are saying: 'A must read for everyone, women and men alike' 'One of the best self-help books I have read' 'A life changing book - brutally honest and straightforward - yet full of love and compassion' 'Such an insightful read' 'Brilliant, life-changing'

**Making Marriage Work** - Rob Pascale 2016-02-23

Staying happily married has become a difficult proposition in recent times. Although the institution is still firmly embedded in our culture, divorce rates have steadily climbed since the 1960s. While some marriages are truly divorce-worthy, many other broken marriages can be saved. Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems. Furthermore, many couples may not realize that problems in their current marriages are likely to surface in other relationships. Consequently, while they may consider divorce a solution, it may in fact only be a stepping stone to the next relationship where patterns may repeat. Solving marital differences can be difficult. They tend to be linked to or caused by other problems, and that can make it hard to identify the real reasons for conflicts. Without knowing the true nature of their problems, couples cannot arrive at

solutions that actually work. To understand the underlying issues that plague many marriages, the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability.

Drawing on Louis Primavera's twenty-five years in private practice as a marriage counselor, each chapter is peppered with anecdotes that every married person can relate to, and that help bring issues to life. The authors also propose frank and honest solutions that can help couples have more satisfying relationships. Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems.

Drifting Apart? - Tomas Ries 2002

**Reconnected** - Erin Smalley 2020-04-21

Are You Married to Your Roommate . . . or Your Lover? Whether you've been married for six years or six decades, you may wake up one day to discover that the person sleeping next to you has become a stranger. Between work, kids, financial woes, and the busyness of everyday living, your marriage may feel like it's on life support. You and your spouse love each other, but you're both barely hanging on. How do you find your way back? How do you reconnect with your spouse and capture all that marriage is intended to be? Dr. Greg and Erin Smalley understand.

Despite being hailed as marriage experts, they found themselves living more like roommates than lovers. Through intentional work, they fought their way back, and you can too. In *Reconnected*, they'll walk alongside you and your spouse as you learn to reconnect by: Sharing life-giving communication Dreaming together about your future Rekindling romance and passion Embracing your individuality while coming together as a couple Transforming your life from one of busyness to one of connection Take your marriage from surviving to thriving. Reconnect with your first love.

**Emotional and Sexual Intimacy in Marriage** - Marcus Kusi

2017-03-09

How to connect or reconnect with your spouse, grow together, and

strengthen your marriage - EVEN if you don't know where to start. Do you feel something is missing in your marriage? Do you feel like roommates? Are you worried about drifting apart? Do you ever miss the connection you once had? Do you want to fall "in love" again so you can rekindle intimacy in your marriage? Needless to say, you are not alone. The truth is, we all want to feel loved and desired by the person we have committed to spend the rest of our life with. Somewhere along the journey, life gets in the way; busy schedules, pregnancies, kids, health issues, looming work deadlines, career changes, unexpected life and family events, etc. Your spouse is physically present with you, but it feels like they are miles away. The spark and excitement is starting to wane. You are slowly growing apart. The sad truth is this: Lack of intimacy in marriage can easily lead to resentment, anger, frustrations, feeling neglected, miserable, and even divorce. But, don't give up yet. No matter how hopeless you feel about the state of your marriage, we believe you can rekindle intimacy with your spouse. Because it happened to us too. We used to be just like you, missing that deep connection, meaningful conversations, and excitement we had when we first met. However, we have used what we share in this book to reconnect, grow together, and rekindle intimacy in our marriage; emotionally, intellectually, spiritually, physically, sexually, and much more. As a result, we now have a healthier, happier, sexier, and satisfying marriage. In this book, you will learn how to: 1. Connect or reconnect with your spouse so that you can rekindle your marriage, without breaking your budget. 2. Overcome emotional, physical, and sexual intimacy issues like mismatched sexual desires in the bedroom. 3. Communicate your feelings with courage, even when you are hurt, frustrated, or angry. 4. Create a safe haven so you can be vulnerable with each other without feeling judged. 5. Deal with anxiety about intimacy for yourself or your spouse. 6. The 5 simple things we do every day that has been proven to strengthen intimacy in many marriages; even if you don't have much time. 7. More than 52 conversation starters for deeper conversations, building trust, intellectual and emotional intimacy. 8. The different forms of intimacy every couple needs to know so you can build that intimate connection

you both desire. 9. Over 69 simple, yet effective ways to rekindle intimacy, romance, and the passion you once had. Plus, the 30-Day and 12-Month intimacy challenge for couples; which is about practicing intimacy in your marriage every single day. You see, a marriage without emotional and sexual intimacy is bound to be unfulfilling. So, if you want to enhance intimacy in your marriage, rekindle the romance, and have satisfying sex with your spouse, then this book is for you. More importantly, Emotional and Sexual Intimacy in Marriage will change the way you relate with your spouse, live your marriage, and make intimacy a part of your daily life - starting today! Scroll to the top to buy your copy of this intimacy book for couples today. ----- Keywords related to this intimacy book for couples: Intimacy book for couples, emotional intimacy, sexual intimacy, intimacy in marriage, how to reconnect with your spouse, how to connect with spouse, intimacy book for married couples, marriage books, marriage books for couples, newlyweds book, books for couples, marriage help books, relationship help books, relationship books, books for couples, books for married couples, physical intimacy, rekindle marriage, rekindle relationship, rekindle intimacy, intimacy anorexia, fear of intimacy, fear of intimacy, lack of intimacy, forms of intimacy, rekindle romance,

**Keeping it Alive** - Williams Gabriel 2022-12-23

How to become closer to your partner, reconnect with them, and make your marriage or relationship stronger. Relationships need more than enough to be functional and active. It is always up to you, and not someone else, to fill in the gaps in your relationship if you believe there are any. I am aware that you may have many questions. Are you concerned about drifting apart like roommates? Have you ever regretted losing a connection? All you need to do to restore intimacy in your relationship is to fall "in love" once again. Without a doubt, you are not alone yourself. The fact is, we all want to believe that the person we have chosen to spend the rest of our lives with loves and wants us. You are neither the first nor the last person to have such a connection. Life inevitably gets in the way sometime along the route due to hectic schedules, pregnancies, children, health problems, impending job

deadlines, career changes, unforeseen life and family events, etc. Despite being physically there with you, your partner seems far away. The enthusiasm and flare are beginning to fade. You're gradually drifting apart. The tragic reality is this: Resentment, anger, irritation, feeling abandoned, and even divorce are all readily caused by a lack of intimacy in a marriage. We think you can reignite intimacy with your partner, regardless of how hopeless you feel about the health of your relationship. Because many other couples out there have experienced this. To bring it back to life, all you need is a suitable mentor, concentration, seriousness, and the truth. You can't simply put the thought out of your head that you miss that deep connection, those profound chats, and the enthusiasm we felt when we first met. We have, however, utilized the information we give in this book to reignite our marriage's closeness on many other levels, including emotionally, intellectually, spiritually, physically, sexually, and much more.

*How to Grow Intimacy in Your Marriage and Relationship* - Cathy Steve 2020-09-03

Do you feel something is missing in your relationship? Do you feel you and your partner are drifting apart and your relationship lacks intimacy? Do you want to connect back to your partner and rekindle the intimacy in your marriage and relationship? This book is definitely for you. Discover in this book how to grow intimacy in your marriage and relationship regardless of what challenges your relationship is currently facing. This book offers you various tips on how to connect and reconnect back to your partner with an increased intimacy. In addition, there are 40 questions to aid you also in restoring intimacy to your marriage and relationships. This book is a must for every marriages and relationships. Buy your copy now.

*Falling In Love, Staying In Love* - Malcolm Stern 2014-07-09

In these difficult and challenging times we are asking more from our relationships than ever before. To build strong, lasting relationships, we need a new set of skills. Falling in Love, Staying in Love is a powerful and moving examination of relationships and how to make them work.

Using real-life examples, it explores love's uncharted territory in order to help us find our way into successful intimate relationships. Learn how to: Express your emotions; Improve your self-esteem; Develop your sexuality; Manage and resolve conflict; Live with passion and integrity; Use relationships as a tool for transformation and growth.

*This is How Your Marriage Ends* - Matthew Fray 2022-03-31

'The man who coaches husbands on how to avoid divorce' The New York Times 'One husband's confession you might be tempted to hand to your other half next time he does something infuriating' Daily Mail 'Could genuinely help save a few rocky marriages' Literary Review One night during his divorce, after one too many vodkas and a phone-in-therapist's advice to 'journal his feelings,' Matthew Fray started a blog. As he tried to piece together how his ex-wife went from adoring to angry he realised that even though he was a decent guy, he was kind of a bad husband. From the raw, uncomfortable and darkly humorous stories he shared about the lessons he's learned from his failed marriage comes this strangely hopeful guide to saving relationships. *This is How Your Marriage Ends* offers immediately actionable advice to help readers identify toxic behaviour patterns in their own lives, and break them out of the cycles of dysfunction that ruin relationships. This is a must-read for people in any stage of a relationship, whether it's near the beginning or nearing the end. Good people can be bad partners - here's how to ensure that isn't you.

*Rewriting the Rules* - Meg Barker 2012

We live in a time of great uncertainty about relationships. We search for "The One," but find ourselves staying single because nobody measures up. The reality of our relationships is not what we expected, and it becomes hard to balance it with all the other things that we want out of life. At the same time that marriage shows itself to be the one 'recession proof' industry; the rates of separation and break-up soar ever higher. *Rewriting the Rules* is a friendly guide through the complicated - and often contradictory - rules of love: the advice that is given about attraction and sex, monogamy and conflict, gender and commitment. It asks questions such as: which to choose from all the rules on offer? Do

we stick to the old rules we learnt growing up, or do we try something new and risk being out on our own? This book considers how the rules are being 'rewritten' in various ways, for example the 'new monogamy', alternative commitment ceremonies, different ways of understanding gender, and new ideas for managing conflict and break-up where economics and child-care make complete separation a problem. In this way *Rewriting the Rules* gives the power to the reader to find the approach which fits their situation.

**Growing Together, Or Drifting Apart?** - Fiona Glenn 2007

*Joy Fixes for Weary Parents* - Erin Leyba 2017-03-15

Modern parenting presents fresh challenges, including unrelenting time pressures, lack of support systems, and work demands, that often leave parents drained and worn-out. Erin Leyba, the mother of three young children, has been counseling parents on these issues for almost twenty years. She has developed techniques that help parents not only cope but also feel joy — in their parenting and in their relationships with their partners. Leyba draws from the latest research about child development, attachment, successful marriages, and mindfulness to create effective, doable solutions for balancing, simplifying, and communicating. She presents powerful tools that parents can use right away to de-stress, stay energized, and create more warmth and passion with loved ones. Whether new, veteran, overwhelmed, exhausted, or just interested in doing better than they are, parents will find proven help here.

**We're No Fun Anymore** - Robert Schwarz 2012-04-23

In the 21st century, we tend to expect more than ever from our relationships without knowing how to sustain them. Often a married couple juggling the many demands of life, work and children take their bond for granted. They fail to cultivate and nurture the positive interactions they share, neglecting the fun, playful and sexy side of the relationship. Over time, this neglect creates an increasing spiral of dysfunction. *We're No Fun Anymore* reminds therapists and the couples they treat that marriage does not have to mean forfeiting the passion, playfulness and joy in a relationship. With 50 combined years of clinical

experience backing it, the program outlined in this book will help to build up a relationship without first tearing it down, examining its weaknesses, or trying to fix its problems. Integrating findings from neuroscience, social psychology, positive psychology and marriage research, *We're No Fun Anymore* shows couple therapists how to create and magnify positive energy between their clients to refortify the foundation of their relationship and help it stand strong, even in times of strife and crisis. Readers will find a practical (and fun) plan to get their marriage out of the rut that's robbing it of fun, recapture the pleasure of dating, romance, and love, and revive the playful quality of sex that makes it the pleasurable and enjoyable experience it's supposed to be. Clinicians will also get the bonus of increasing the fun that they have in their personal lives and in their clinical work with clients.

**What Mums Want (and Dads Need to Know)** - Harry Benson  
2017-01-20

Everyone wants a relationship that lasts. Yet nearly half of all today's parents split up. Harry and Kate Benson began their own married life with great expectations. But within a few years, they stood on the brink of divorce. Today, their marriage is stronger than ever and they have helped many other struggling couples. So what changed? In this groundbreaking book Harry and Kate tell their own inspiring, hope-filled story, set within the wider context of family research into what works. Harry and Kate's radical solution to strengthening families and reducing unnecessary family breakdown is simple. Their research suggests a happy mum tends to mean a happy household. She is the lynchpin around whom the family rotates. So for most mums, the success of a marriage depends primarily on her husband's ability to make her feel valued. In other words: husband, love your wife. And she will love you right back. In that order. That's what mums want. That's the recipe for happy family life.

**Uncoupling** - Diane Vaughan 1986

Uncoupling is a breakthrough in understanding the dynamics of intimate relationships. Through extensive research and dozens of case histories, Diane Vaughan reveals the underlying patterns beneath every

disintegrating relationship.--[book jacket].

**Uncoupling** - Diane Vaughan 1987

**Marriage In Motion** - Richard Schwartz 2009-04-30

"Psychiatrists Richard Schwartz and Jacqueline Olds show the reader how to harness the natural rhythms of a relationship to ensure a strong, enduring marriage."

**The Smart Couple Quote Book** - Jayson Gaddis 2017-08

Real, Actionable Relationship Advice Without the Fluff Real relationships aren't just filled with romance, great sex, and warm, fuzzy feelings forever. All romantic relationships get stressful and challenging. After the honeymoon phase is over, maintaining a loving relationship can get downright hard, and even painful. How you handle the daily challenges of life (alone and together with your partner) will determine whether your relationship gets better or goes down the shitter. The difference between a struggling couple and a smart couple is the smart couple learns how to handle interpersonal stress and relationship challenges with the right map and tools. Discover the Tools for Building a Loving Relationship That Gets Even Better Year After Year In this relationship book for couples and individuals, you will discover the tools you need to create and maintain an incredible relationship-one that gets stronger over time instead of drifting apart. The lessons and love quotes in this book will help you deepen your relationship instead of running away, blaming, or staying stuck in an unfulfilling partnership. Most marriage books try to sell you a "happily ever after" life while skipping over the pain and struggle that comes in all long-term relationships. While avoiding pain may feel good in the short-term, these bad habits will destroy your relationship in the long run. This book will help you squash those fantasies and remind you a fulfilling marriage is earned, not given. Relationship teacher Jayson Gaddis will challenge you and inspire you to think differently about how you deal with the inevitable relationship problems that arise. Instead of viewing every issue or confrontation as an attack to be afraid of, you will learn to lean into the deepest parts of yourself in order to grow, heal, and reconnect with your partner. From

Wound Mates to Soul Mates The smart couple learns to move from wound mates to soul mates that inspire the very best in each other. When you make this move, you become a love warrior, destined for a strong partnership over many years. It's not an easy path, but it's the path you must take if you want to create a fulfilling, lasting relationship. Contrary to popular belief, "just loving each other" is not enough to make a relationship last forever. It takes two people who are willing to grow, learn, and challenge each other to rise together in partnership. A loving relationship is a path that demands you gain more self-awareness and self-responsibility so that you can attend to the amazing fire of your connection. A great relationship is designed to get you to grow up and grow into yourself, and a strong, loving relationship has the power to help you accomplish and achieve more in your life. Strap Yourself in for the Ride of a Lifetime There is nothing quite like having a lover, a best

friend, and a co-pilot on this crazy ride called life. When you learn the tools that make relationships work, you will indeed become a couple that side-steps the pointless fights, gets stronger through conflict, and has more connected sex, as you become an unstoppable couple that lights up a room. The love quotes found in this relationship book are a gold mine. Read slowly and digest each sentence. You can ponder each one alone and together. You might have to discuss, disagree, and work through a quote, just like you would a normal difference in your own lives. Doing so will be considered "practice" for your relationship or marriage (you can even share your wins and challenges in our private community of Smart Couples). You reap what you sow each day in your relationship, and my strong wish is for you to take good care of your precious relationship by attending to it daily. May these quotes help guide you into a more realistic and magnificent love that lasts.
