Politically ambitious, and a committed general, he was placed under house arrest following a poor campaign in Ireland during the Nine Years' War in 1599. In 1601, he led an abortive coup d'état against the government of Elizabeth I and was executed for treason.

**Elizabeth the Queen** Maxwell Anderson 1957 "In this drama we see Elizabeth and Essex, a royal favorite and popular general, in love. He is barely thirty and Elizabeth is an aging woman; their love is an extraordinary paradox. Elizabeth delights in Essex the courtier and lover, but is jealous of Essex the military leader and hero. Her constant effort is to keep him quietly at Court under her control. Essex, the last of a proud family, loves the queen but longs for action, glory, and power. He longs to overthrow Elizabeth's crafty, cautious statesmanship with his own heroic endeavors. Cecil and Raleigh plot to send Essex to Ireland, juggle him out of favor, and insultingly summon him home. He arrives with an army and the situation is resolved with extraordinary poignancy and power."--From publisher's website.

*Elizabeth and Essex* Lytton Strachey 2021-01-01 One of the most famous and baffling romances in history, between Elizabeth I, Queen of England and Robert Devereux, Earl of Essex, began in May of 1587, when she was fifty-three and he was just shy of twenty. Their relationship continued until 1601, when he was beheaded for treason. Strachey portrays the Queen's and the Earl's compelling attraction for one another; their impassioned disagreements; and their mutual contest for power which led to a final, tragic confrontation. Here we also have superb portraits of influential people of the time: Francis Bacon, Robert Cecil, Walter Raleigh, and other figures of the court who struggled to assert themselves in a kingdom that was primarily defined by her sovereign.

But when Lizzie discovers her husband has deceived her, James must choose between devotion to duty and loyalty to the woman he cannot live without. . . "Intrigue, sensuality and romance collide." --Jenna Petersen "Elizabeth Essex's *The Pursuit Of Pleasure* is elegant, evocative, and absolutely dangerous to a good night's sleep." --Courtney Milan When not re-reading Jane Austen, sipping tea or mucking about her garden, Elizabeth Essex can be found at her computer, making up stories about people who live far more interesting lives than she. It wasn't always so. Elizabeth graduated from Hollins College with a BA in Classical Studies and Art History and then earned her MA from Texas A&M University in Nautical Archaeology, also known as the archaeology of shipwrecks. While Elizabeth loved the adventurous life of a working archaeologist, after writing and reading all those dry, dusty reports on ship construction, she would daydream about how lovely it would have been if only someone had fallen in love on just one of those ships. And so now she writes stories about just that. Elizabeth lives in Texas with her family.

**Elizabeth I's Last Favourite** Sarah-Beth Watkins 2021-03-26 Despite widespread interest in Robert Devereux, 2nd Earl of Essex, little has been written about him in decades past. In *Elizabeth I's Last Favourite*, Sarah-Beth Watkins brings the story of his life, and death, back into the public eye. In the later years of Elizabeth I's reign, Robert Devereux became the ageing queen's last favourite. The young upstart courtier was the stepson of her most famous love, Robert Dudley, Earl of Leicester. Although he tried, throughout his life, to live up to his stepfather's memory, Essex would never be the man he was. His love for the queen ran in tandem with undercurrents of selfishness and greed. Yet, Elizabeth showered him with affection, gifts and the tolerance only a mother could have for an errant son. In return, for a time, Essex flattered her and pandered to her every whim. But, one disastrous commission after another befell the earl, from his military campaigns, to voyages seeking treasure, to his stint as spymaster. Ultimately, his relationship with the queen would suffer and his final act of rebellion would force Elizabeth I to ensure her last favourite troubled her no more.

It is a vivid and often dramatic account, offering a deeper insight into Elizabeth's emotional and political conduct, and challenging many popular myths about her.

**Elizabeth and Essex** Steven Veerapen 2019-05-18 "A sensitive and lively account of one of the most politically significant relationships of the Elizabethan age". Lisa Hopkins, author of *Essex: The Life and Times of an Elizabethan Courtier*. Elizabeth I is England's most iconic queen. Born to Henry VIII and Anne Boleyn and declared illegitimate at two, she was also one of its unlikeliest monarchs. Though she never married, her relationships have been the stuff of Hollywood movies, biographical studies, and historical fiction. Famously a Virgin Queen, Elizabeth faced rumour, innuendo, and scandal both during her life and in the centuries since. Her relationship with her last courtly lover, however, remains mystifying. The glamorous Earl of Essex, thirty years her junior, became her inseparable companion, wrote loving letters and poetry to her, and dominated the last decade of her reign. But did he love her, or was he simply taking advantage of a vain, ageing woman? As the fabric of her reign unravelled, Elizabeth fought to keep her court under control. Using a curious system of power, patronage, and politics that had served her for decades, she struggled to maintain her hard-won sovereignty against the incursions of idealistic and factious young men. But the story of Elizabeth and Essex is not one of cynicism, and nor is it one of vanity or ambition. It is the tale of a younger man's possessive love for a woman who had to refashion herself as a new queen in an old kingdom. Theirs was a tragic game of passion, jealousy, resentment, and division. He shone in the light of the Elizabethan age, and she was its fading sun. Drawing on letters, legal records, poetry, and scholarly debates, Steven Veerapen reveals a saga of courtly love, political machination, and simmering power struggles. In doing so, he recovers Elizabeth and Essex from the mists of rumour and speculation and reveals them as they were. Essex was neither fool nor cynical manipulator, but the era's last folk hero. She was not a white-painted harriidan, but an astute and beguiling woman whom time was leaving behind. The story of Elizabeth I's last years requires reassessment. By re-framing her as a woman forced into the role of history's Virgin Queen and Essex as the loving and beloved star which threatened her eclipse, *Elizabeth and Essex* provides a new perspective on England's most famous queen. Steven Veerapen holds a Ph.D. in Elizabethan literature and is the author of *Blood Feud: The Story of Mary Queen of Scots and the Earl of Moray*, *A Dangerous Trade: An Elizabethan Spy Thriller* and *The Abbey Close Mystery Series*. Praise for Steven Veerapen: "A slow-burn character driven spy story that grips like a thumbscrew tightened by twist after twist towards the end - Le Carre transported to the 1560's. Brilliant work, based in impressively wide research and the kind of competition that I and a good number of others could well do without!" Peter Tonkin, author of *A Stage For Murder* "Much-needed analysis of a sinister sibling rivalry." Marie Macpherson, author of *The First Blast of the Trumpet*
