Jessica Johnson 2020-02-13

Make your body beg for more while giving it this raw and beautiful food "EXPLICIT TABOO SEX TROUBLES OF A FATHER" You are going to live once, if your fantasies are not up in the sky then you have just wasted a whole lifetime doing absolutely nothing, remember the only real treasure you have is your body. Women and men do universally want a steamy hot sex. The path to the erotic world cannot be short enough. Regardless of whether you are single or live you're your partner, you need some diversity while maintaining your desire. EXPLICIT TABOO SEX TROUBLES OF A FATHER is a great help. In particular my erotic stories are blood pumping, since we live in modern times, where women, men and couples are free to live their desires. The taboo stories in this book will leave you breathless and at the edge of sweetness. The stories include: \* NIGHT LOVERS BUT DAUGHTER FATHER BY NOON: I am a dedicated daughter and I love my father, just last week things took a different turn for us. It is not clear yet if this is what we should be doing as both loving it. We have a father and daughter relationship just as every family but our is limited to only the day. At night our relationship changes and all I can say is sometimes he fills my mouth with his cum and we do more than imagine. Read more for all scenarios \* MY CAR, MY DAUGHTER AND I: Being spontaneous is a real gift and I have been blessed to have this ability in a large proportion. I am a father and I have a beautiful car which my daughter loves to ride in. One of our rides became spontaneous and I must confess I did not envisage my daughter could be this sweet and experienced. All I can say is I am looking forward to a repeat of this. I support a generous and jealous sex life. Everyone must decide for themselves whether the sex story is hot and obscene. I love writing

erotic stories in a clear and vulgar language. Sex must be dirty, of course erotica can be romantic and gentle, but as a rule others want women to have sex as hard and passionate as men.

*The Absolute Novels: Absolute Beginners & Absolute Lovers* - SJ Hooks 2015-08-12

THE ABSOLUTELY COMPLETE LOVE STORY, FROM START TO FINISH... Professor Stephen Worthington's life makes perfect sense. That is, it did until Ms. Julia Wilde showed up and became the one thorn in Stephen's perfectly organized side. Never has he dealt with a more unruly student. She's rude, provocative, infuriating—but all those opinions change once Stephen finds himself out of the classroom and in Julia's bedroom. Suddenly, the student/teacher roles are reversed, and the professor receives a much-needed lesson between the sheets. The Absolute Novels brings both Absolute Beginners and Absolute Lovers together in one complete volume for the first time, along with exclusive, never-before-seen bonus material. Readers can now experience all the romance—from textbook student/teacher beginning to the crossroads that will test whether Stephen and Julia's relationship can move past its friends-with-benefits status—and more, with one new chapters told from Julia's perspective! SJ Hooks' Absolute Novels series will tease and delight dedicated fans and new readers alike with its humor, sincere characters, and nontraditional take on falling in love. Praise for Absolute Beginners, Book 1 in the Absolute Novels series: "...a rare beast among romance novels...heated and passionate." —Romantic Times "SJ Hooks puts a unique spin on the teacher student taboo with an exploration of sexual awakening, and the tangled webs weaved through secrecy and deception. Absolute Beginners is a promising debut. I can't wait to see how Stephen and Julia's tentative, illicit relationship unfolds." —Helena Hunting, New York Times bestselling author of Pucked "Absolute Beginners is a hilarious and fun romp

through a college co-ed's education of her older, inexperienced professor. She's going to teach him a LOT, but only if he can keep it all a secret! Tear off the bow-tie, Mr. Teacher. It's time to get schooled!" — Shay Savage, USA Today bestselling author of *Transcendence* "Absolute Beginners is just so much fun.... Stephen's character is so set in his ways, older than his years, and organized to a fault (my heart ached when we learned why). Julia Wilde completely rips his life apart at the seams and it was SO MUCH FUN to watch him change over the course of the story. [It's] damn good erotica, too. With a plot...about possibly finding that thing you didn't even know you were looking for, even when it was right in front of you the entire time. " —Amber L. **Played** - Ada Stuart 2020-03-01

"Be careful," he had warned her, in his stern, controlled voice as if he was talking to a child. And did she listen? Nope. Instead, she had gotten drunk and landed herself in bed with the man of her dreams. Making steamy sex with the hottest man around. The only problem: He was the wrong man. As the lights come on, Ava finds herself staring into the dark and angry eyes of his much older brother. And he's seriously pissed off. Probably because she screamed his brother's name while she climaxed. That explains why he was somewhat... uhm... reluctant, when she crawled into his bed. But why did he accept it? Why did he make love to her when he realised who she was? Could he have some real feelings for her? Nevertheless, he hates her guts and she's staying the hell away from him. End of story. Until she finds out that he's her new boss and she can't stop fantasising about him. Has she gone for the wrong brother all along? ----- "Played" is a steamy hot Billionaire Friends to Lovers Office Romance. Full length, explicit sex scenes, standalone, no cheating or cliffhangers - and Happily Ever After. Reader advisory: This story contains elements of non-consensual sex and very explicit sex scenes. Themes: Mistaken identity, Alpha male, Friends to lovers, Best friend's older brother, Protector, Happily ever after, Billionaire romance, Office romance, Matchmaking, Pranks, Love triangle, Opposites attract, Taming the playboy, Unrequited love --- Excerpt: "So good looks is the most important feature in a man?" he asked icily. "No, I didn't say that. I was using another part of my body when I came to that conclusion." He roamed his eyes over her body, letting his eyes rest on her breasts for a moment too long. She could feel her heart rate jump as he seemed to judge her the same way he would judge a racehorse before he started bidding for it. Ooh my, she thought. Where had that idea come from? She had better stop at once and rein in her stupid thoughts. This was Damon, the parent-substitute. Always treating her like a silly child instead of the grown woman that she had become. "Don't forget to use your brain when choosing a man, Ava." "I'm not a teenager, Damon." "I know that. But you can still do stupid mistakes that cannot be undone." "Yes, yes,

Damon. I'm behaving. Just watch me." Ava grinned at him, feeling the buzz from the alcohol reduce her nerves in front of his stern look. "Too much alcohol can lead you to a pity f\*ck instead of the one you want." "You're not my brother, Damon. I'll do what I want." "I can still put you over my knee if you do something stupid," he said in a voice that sounded like a warning. She retreated a few steps and laughed at his words. She lifted her finger and waved it in front of him as if to say 'No'. "Ha! You will never dare to do such a thing, Damon, so it's no use giving empty threats." "Just keep that in mind, and we won't have to find out what I dare or not."

AUTHOR Olivia Sala Pazos was born on 4 July 1983 in Madrid, Spain. She has a degree in sociology. She spends her free time walking and doing outdoor activities. Her passion for reading and writing has been instilled by her mother. She was introduced to the wonderful world of books at a very early age. She has a predilection for erotic stories, as she can vary the intensity of the scenes, play with the personalities of the protagonists and create a multitude of different contexts in the same book. She details erotic scenes with a high sexual content, far from insults and disqualifying words towards either of the sexes, because to reach the maximum level

of female pleasure it is not necessary to resort to them. Her narratives are constantly nourished by subtle hyperbole, metaphors, and comparisons in her own style. With all these conjugations, the reading of her texts is very enjoyable and interesting.
