Playing Ball with the Boys Betsy Ross 2010-11-09 Female sideline reporters are the fastest-growing trend in broadcasts of professional and college football: names like Suzy Kolber, Erin Andrews, and Andrea Kremer are now as well known as any of the men in the booth. But even more has been going on. In recent years women have garnered spots as sports columnists and reporters, talk-show hosts, and even coaches and team administrators. Yet there has never been a book about this phenomenon. Former ESPN news anchor Betsy Ross fills this gap with *Playing Ball with the Boys*, a fascinating, behind-the-scenes look at the emerging role that women play in sports broadcasting and reporting, as well as in the business of sports. The book features interviews with the legendary women's sports activist Billie Jean King, as well as Women's Professional Soccer League leader Tonya Antonucci and ESPN College Basketball Analyst Rebecca Lobo. Prominent women working in the media are also featured in the book, including WFAN's Ann Ligouri, CBS' Lesley Visser, ESPN's Pam Ward, USA Today's Christine Brennan and Sports Illustrated's Selena Roberts. *Playing Ball with the Boys* delivers firsthand accounts of the struggles and triumphs of women succeeding in what has long been a man's game.

Stand Up and Shout Out Joan Steidinger 2020-03-11 Today, women have greater opportunities to participate in sport than ever before, particularly due to the passage of Title IX in 1972. Yet, despite all this growth, women still struggle to hold leadership positions, become coaches of both girls and boys teams, receive equal pay, and get even adequate coverage in the media. In *Stand Up and Shout Out: Women's Fight for Equality in Sports*, Joan Steidinger explores the three crucial areas in sport that remain huge concerns for women: leadership, money, and media. Steidinger looks at the number of ways in which women experience vast inequalities by examining topics such as the politics of sport, sexual assault, the #MeToo movement, pay equity, women in coaching positions, and the experiences of women of color and LGBTQ athletes. Interviews with leading authorities in the field and prominent female athletes are interwoven throughout to add both expert and personal perspectives to the conversation. *Stand Up and Shout Out* does more than just inform readers about these important issues; its purpose is to create enlightened discussions around the unequal treatment of women and present readers with “action steps” so we can all become active contributors toward improving this situation. This is an ideal time to fight for women’s equality in sport, as it draws attention to the growing need for advocacy for girls and women around the world in all areas of life.

Sidelined Julie DiCaro 2021-03-16 “*Sidelined* is the feminist sports book we've all been waiting for.” —Jessica Valenti Shril meets Brotopia in this personal and researched look at women's rights and issues through the lens of sports, from an award-winning sports journalist and women's advocate In a society that is digging deep into the misogyny underlying our traditions and media, the world of sports is especially fertile ground. partners and face only minimal consequences, this area of our culture is home to a vast swath of gender issues that apply to all of us—whether or not our work and leisure time revolve around what happens on the field. No one is better equipped to examine sports through this feminist lens than sports journalist Julie DiCaro. Throughout her experiences covering professional sports for more than a decade, DiCaro has been outspoken about the exploitation of the female body, the covert and overt sexism women face in the workplace, and the male-driven toxicity in sports fandom. Now, through candid interviews, personal anecdotes, and deep research, she's tackling these thorny issues and exploring what America can do to give women a fair and competitive playing field in sports and beyond. Covering everything from the abusive online environment at Barstool Sports to the sexist treatment of Serena Williams and professional women's teams fighting for equal pay and treatment, and looking back at pioneering women who first took on the patriarchy in sports media, *Sidelined* will illuminate the ways sports present a microcosm of life as a woman in America—and the power in fighting back.

You'll read about the suffragettes who attempted to burn down the theatre at Dublin and were sentenced to the "hard labour" of... knitting, and the lady who walked after she murdered her husband and child by setting them on fire, then gained the mercy of the court with the claim that she was "a childless widow, all alone in the world"! Now, for the first time ever, you can read about the struggle for gender equality as never before... not only from the man's point of view, but also in 100% phonetic English.

Stand-Up Comedy in Chicago Vince Vielceli and Bill Brady 2014
Ten years after Chicago saw its first full-time comedy club open, the landscape was decidedly different. "Stand-up comedy has exploded in the last couple of years," a club owner told the Chicago Tribune in 1985, "that's the only way to describe it: exploded." It was truly a comedy boom, with as many as 16 clubs operating at once, and it lasted nearly a decade before fading, taking with it some of Chicago's oldest comedy stages, including the Comedy Cottage, Comedy Womb, and Who's on First. Still, stalwarts like Barrel of Laughs (south) and Zanies (north) persevered. That part of the story is known; overlooked is the fact there was a comedy boom, period. To hear the story, it is as if stand-up comedy innately morphed from a dated nightclub scene to what one Chicago Sun-Times writer called "Chicago's atomic comedy blast."

is discussing cashmere sweaters. He's been to Super Bowls and World Series, All-Star Games and Final Fours. He's interviewed Michael Jordan, Joe Montana, and Wayne Gretzky. He gets paid to enthuse about sports, which means he's the envy of most men in America. This is the hilarious, sometimes touching, and endlessly entertaining debut of one of America's fastest-rising sportscasters, a wry and revealing look at one man's good-hearted but mistake-prone attempt to grow up before his children do. Marriage, fatherhood, manhood, fame, athletes, crazed aunts with gambling problems, the true significance of sports, the worst possible thing to say in a room full of pregnant women-no topic is beyond his reach. But don't take our word on it, read what Greeny has to say about:

- Dating: "People who reminisce fondly about dating are blocking out all the disasters and focusing only on the few great nights. If that is all you choose to remember, fine. But be aware that no experience is without good moments. I'm sure during the sacking of Rome there were a few decent nights; maybe they put on a play."
- Life on the road: "Wife + television = no sleep." "No wife + no television = no sleep." "Wife + no television = sleep." "No wife + television = porn."
- Keeping things in perspective: "Never assume you know more than the guy in the camouflage tux."
- And, of course, marriage: "All of us are married to women who think we're idiots." Whether he's talking trash on the radio or talking dirty diapers over a fancy dinner, Greeny's determined to reconcile two halves of a whole. So if your enthusiasm has ever been curbed, or you're feeling remote without the remote, or you're just wondering what exactly goes on in a guy's brain, *Why My Wife Thinks I'm an Idiot* will be a source of comfort and unadulterated laughter.

Horrible White People Taylor Nygaard 2020-11-24 Examines the bleak television comedies that illustrate the obsession of the white left with its own anxiety and suffering At the same time that right-wing political figures like Donald Trump were elected and reactionary socio-economic policies like Brexit were voted into law, representations of bleakly comic white fragility spread across television screens. American and British programming that featured the abjection of young, middle-class, liberal white people—such as *Broad City*, *Casual*, *You're the Worst*, *Catastrophe*, *Fleabag*, and *Transparent*—proliferated to wide popular acclaim in the 2010s. Taylor Nygaard and Jorie Lagerwey track how these shows of the white left, obsessed with its own anxiety and suffering, are complicit in the rise and maintenance of the far right—particularly in the mobilization, representation, and sustenance of structural white supremacy on television. Nygaard and Lagerwey examine a cycle of dark television comedies, the focus of which are “horrible white people,” by putting them in conversation with similar upmarket comedies from creators and casts of color like *Insecure*, *Atlanta*, *Dear White People*, and *Master of None*. Through their analysis, they demonstrate the ways these non-white-centric shows negotiate prestige TV’s dominant aesthetics of whiteness and push back against the centering of white suffering in a time of cultural crisis. Through the lens of media analysis and feminist cultural studies, Nygaard and Lagerwey’s book opens up new ways of looking at contemporary television consumption—and the political, cultural, and social repercussions of these “horrible
