

Family Outing A Guide For Parents Of Gays Lesbians And Bisexuals

This is a Book for Parents of Gay Kids - Dannielle Owens-Reid
2014-09-09

Written in an accessible Q&A format, here, finally, is the go-to resource for parents hoping to understand and communicate with their gay child. Through their LGBTQ-oriented site, the authors are uniquely experienced to answer parents' many questions and share insight and guidance on both emotional and practical topics. Filled with real-life experiences from gay kids and parents, this is the book gay kids want their parents to read.

Family Outing - Joy Dickens 1995

Family Outing contains a sensitively edited collection of letters written by parents of gay, lesbian and bisexual children. Painfully frank, the letters address an issue still too little acknowledged: the shock of discovering that a child or other family member is not heterosexual. As well as honesty, the reader will find the invaluable support that can be provided only by those who have shared a similar experience. Above all, this book offers encouragement for those coming to terms with not only the prospect but the reality of alternative lifestyles.

Coming Out, Coming Home - Michael C. LaSala 2010-06-25

The discovery that a child is lesbian or gay can send shockwaves through a family. A mother will question how she's raised her son; a father will worry that his daughter will experience discrimination. From the child's perspective, gay and lesbian youth fear their families will reject them and that they will lose financial and emotional support. All in all, learning a child is gay challenges long-held views about sexuality and relationships, and the resulting uncertainty can produce feelings of anger, resentment, and concern. Through a qualitative, multicultural study of sixty-five gay and lesbian children and their parents, Michael LaSala, a leading expert on this issue, outlines effective, practice-tested interventions for families in transition. His research reveals surprising outcomes, such as learning that a child is homosexual can improve familial relationships, including father-child relationships, even if a parent reacts strongly or negatively to the revelation. By confronting feelings of depression, anxiety, and grief head on, LaSala formulates the best approach for practitioners who hope to reestablish intimacy among family members and preserve family connections—as well as individual autonomy—well into the child's maturation. By restricting his study to parents and children of the same family, LaSala accurately captures the reciprocal effects of family interactions, identifying them as targets for effective treatment. *Coming Out, Coming Home* is also a valuable text for families, enabling adjustment through relatable scenarios and analyses.

Gay and Lesbian Families - Joan Nordquist 2000

Each bibliography includes a comprehensive list of the theorist's works and critical studies of these works in English. Each bibliography contains approximately 600 to 900 entries. Books, journal articles, essays within edited books (in the manner of *Essay and General Literature*) and dissertations are included. References are provided from a wide variety of disciplines and bibliographic sources. The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals. The topical bibliographies include the authoritative works on the subject and are arranged in useful categories. The lively part of the modern/post-modern debate is generally taking place in alternative and left journals -- journals always included in the literature search in the compiling of the bibliographies.

Always My Child - Kevin Jennings 2003-01-02

Offers advice and support for parents with adolescents dealing with sexual identity, personal confusion, bigotry, tension, and other challenges of being gay, lesbian, bisexual, or transgendered.

My Child is Gay - Bryce McDougall 2007-02

Each year a number of brave men and women will sit down and tell their parents that they are gay. By the time they tell their parents they will have lived with this knowledge for some time. It is often the parents who have only a split second to react. *My Child is Gay* is a compilation of letters written by parents who have a gay or lesbian child. The letters have been written to be shared - both to help parents cope with and come to term with their feelings, and for gay men and women who are contemplating sharing the truth. Few parents are accepting from the start and many feel perplexed. They are unsure where to turn to for help

and how to deal with their feelings of grief and loss. Here the parents talk about how they dealt with the many emotions they experienced - anger, embarrassment, guilt and confusion. Together these letters reaffirm the regenerative power of love and allow those with first hand experience to outline the important steps on the road to understanding. *My Child is Gay* shows how ordinary families have found love and happiness again.

Living It Out - Rachel Hagger-Holt 2009

Lesbian, gay and bisexual Christians can be found in every shape, size or type of church and following their faith outside the church. They are constantly talked about, but their voices, and those of their friends and families, are rarely heard. This unique book is filled with their stories and offers plenty of practical, positive help on managing relationships with God, the church and other people. Attitudes to homosexuality have become a defining issue for many churches, with impassioned arguments being put forward on different sides of the debate. This book shows how individuals and churches can live out their faith with integrity in spite of the arguments and sensationalism.

The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health - Harvey J. Makadon 2008

"The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health is the first truly comprehensive clinical reference to enhancing the health care and wellness of LGBT patients. Written by leading experts in the field and created in conjunction with Fenway Community Health of Boston, one of America's most respected community-based research and treatment centers, this one-of-a-kind resource examines the unique issues faced by sexual minority patients and provides readers with clear and authoritative guidance." -- Book Jacket.

Beyond Acceptance - Carolyn W. Griffin 2016-01-05

"Mom, Dad, I'm gay." When a parent hears these words, the initial shock is often followed by feelings ranging from anger and denial to fear and guilt. It's also the beginning of a difficult journey that, with understanding and emotional support, can lead to acceptance and beyond. Now fully revised and updated, *Beyond Acceptance* by co-authors Carolyn W. Griffin, Marian J. Wirth, and Arthur G. Wirth remains a ground-breaking book that provides parents the comfort and knowledge they need to accept the gay children and build stronger family relationships. Based on the experiences of other parents, this book lets them know they are not alone and helps them through the emotional stages leading to reconciliation with their children.

Family Outing - Chastity Bono 1999

As the most famous lesbian daughter of all, Chastity interweaves the story of her own experience on coming out in 1990 at the age of 20 and her parents Sonny and Cher with those of many others, offering practical, sane advice on seeing yourself as normal - parents and children alike.

Unconditional - Telaina Eriksen 2022-04-26

Providing Support if Your Child is Transgender or LGBTQ+ Winner of the Sixth Annual Bisexual Book Award for Non-fiction, 2017 #1 Bestseller in Lesbian Studies *Unconditional* is a parenting guide book that provides parents of an LGBTQ (lesbian, gay, bisexual, transgender, or questioning) child with a framework for helping their LGBT child navigate a world that isn't always welcoming. Tips from a mother with experience. In *Unconditional*, author Telaina Eriksen, a professor at Michigan State University, explains what she and her husband have learned through the experience of parenting a gay child. She covers topics like how to handle kids coming out, being an advocate for LGBTQ+ children, how to help your child deal with stress unique to LGBTQ+ kids, and finding a LGBTQ+ family. This book is a must read for anyone who thinks their child is transgender or otherwise LGBTQ+. A guide for supporting your LGBT child. What if my child is transgender? Eriksen covers the science of gender, understanding gender dysphoria, and how to help a transgender child through the stages of development. What if I have more general LGBTQ+ family needs? Throughout the book, both parents and kids share their stories, and Eriksen directs parents to various resources online for help. This LGBT family book teaches the principles of unconditional parenting, love, and learning. Inside, learn: How to advocate for policies that protect your child Ways to educate well-meaning, but misguided friends or family Strategies keep

your kid talking if your child is transgender or LGBTQ+ Signs of unhealthy relationships When to consider therapy for your child or your family How to find an LGBTQ+ community (including inclusive churches) If you liked LGBT books, best sellers like *The Gender Identity Guide for Parents*, *The Savvy Ally*, or *The End of Gender*, you'll love *Unconditional. LGBTQ Families* - Eva Apelqvist 2013-08-28

This book focuses on the difficulties young people face as members of households in which one or more members are gay, lesbian, bisexual, or transgender. It offers encouragement, insights, and resources to help them cope with and embrace the uniqueness of their family life. Teens and adults from LGBTQ families—and teens who identify as LGBTQ themselves—tell their personal stories and share strategies they use to deal with a sometimes unaccepting society. Topics discussed include politics, religion, media, and bullying.

50 Ways to Support Lesbian & Gay Equality - Meredith Maran 2005
Written by straight, gay, lesbian, bisexual, and transgendered people and those that care about them, *50 Ways to Support Gay and Lesbian Equality* is a compendium of informative, joyful, practical and poignant essays by well-known experts and leaders, each promoting understanding while suggested simple actions. Issues include: - Defining terminology (What a tranny? What's gay baiting?) - Exploring family issues ("Should I come out to my parents on Thanksgiving?" "How can I support a lesbian couple who want to have children?") - How to support gay rights around the world A timely and much-needed guide, *50 Ways* demonstrates positive ways for both straight and gay people to respond to everyday discrimination and misunderstandings, bringing the world closer to the true meaning of equality. A powerful call-to-action series, "Action Guides," was launched with the New York Times bestselling *MoveOn's 50 Ways to Love Your Country*, followed by NCWO's *50 Ways to Improve Women's Lives*. The third book in the series--*50 Ways to Support Lesbians and Gays*--features 50 personal, inspiring essays with "Action Guide" sidebars collected by bestselling Meredith Maran and series editor Angela Watrous.

Pride and Joy - Sarah Hagger-Holt 2017

There have always been lesbian, gay, bisexual and trans (LGBT) parents. But now there is a 'gayby boom'. Changes in social attitudes, the law and medical technology mean that more LGBT people are becoming parents, and living proud and open family lives. Yet there are still few role models. *Pride and Joy* is full of stories, advice and real-life experience from LGBT parents and their children. Sometimes funny, sometimes moving, sometimes surprising, every story sheds new light on what it's like for LGBT people raising children in the UK and Ireland today. *Pride and Joy* is positive and practical. It covers everything from starting a family, dealing with schools, talking with children about different families, and maintaining an LGBT identity as a parent. This book is essential reading for anyone who wants to better understand issues facing LGBT families including parents or prospective parents; extended families and friends; and social workers, teachers and other professionals.

Coming Out - Jaime A. Seba 2014-11-17

Ed was sent to a religious treatment camp when he first told his family he was gay. When Sarah recognized she was a lesbian, she found support from a gay teacher in her high school. Comedian Ellen DeGeneres announced her sexual orientation on national television, and internationally-recognized musician Ricky Martin told the world he was gay on his website. For each individual, the experience of coming out and openly acknowledging oneself as being lesbian, gay, bisexual, or transgender is very different. And it can take a lifetime. Share the personal coming-out experiences of these and other lesbian, gay, bisexual, and transgender people to find out more about this complicated and exciting process. Learn about organizations such as gay-straight student alliances and Parents, Friends and Families of Lesbians and Gays (PFLAG), which provide support to people whose loved ones are coming out. Find out what you can do to help make someone's coming out a positive, happy, and healthy experience.

LGBTQ - Kelly Huegel Madrone 2020-02-13

Fully revised and updated guide with frank, sensitive information for LGBTQ teens, their families, and their allies.? *LGBTQ* is the indispensable resource for lesbian, gay, bisexual, transgender, queer, and questioning teens—and their allies. This fully revised and updated third edition includes current information on LGBTQ terminology, evolving understandings of gender identity and sexual identity, LGBTQ rights, and much more. Other advice covers topics such as coming out, confronting prejudice, getting support, making healthy choices, and thriving in school and beyond. Resources point the way to books and

websites with more information, and quotes from LGBTQ teens (and allies) share stories of personal experiences. Created with input from PFLAG, GLSEN, GLAAD, and others, this book is for young people who are beginning to question their sexual orientation or gender identity, those who are ready to work for LGBTQ rights, and those who may need advice, guidance, or reassurance that they are not alone. 2018 Foreword INDIES Book of the Year Honorable Mention

Policy Issues Affecting Lesbian, Gay, Bisexual, and Transgender Families - Sean Cahill 2006-12-28

Lesbian, gay, bisexual, and transgender people face the same family issues as their heterosexual counterparts, but that is only the beginning of their struggle. The LGBT community also encounters legal barriers to government recognition of their same-sex relationships and relationships to their own children. *Policy Issues Affecting Lesbian, Gay, Bisexual, and Transgender Families* addresses partner recognition, parenting, issues affecting children of LGBT parents, health care, discrimination, senior care and elder rights, and equal access to social services. Sean Cahill and Sarah Tobias provide up-to-date, accurate analysis of the major policies affecting LGBT people, their same-sex partners, and their children. This valuable resource offers literature reviews of demographic research as well as original research based on the U.S. Census same-sex couple sample. It also provides a look at the 30-year history of right-wing anti-gay activism and the intra-community intellectual debates over the fight for marriage. "The sheer diversity of gay people and opinion shines through Cahill and Tobias's fact-packed depiction of same-sex couples and their kids, their needs and day-to-day challenges, and the movement for fairness and the freedom to marry. The disparate personal stories and struggles in this informative book underscore the importance of ending discrimination in marriage and ensuring that no family is left behind."

—Evan Wolfson, Founder and Executive Director of the Freedom to Marry Project "A concise, comprehensive guide to gay-family issues that combines an impassioned progressive sensibility with a firm respect for facts." —Jonathan Rauch, senior writer and columnist for *National Journal*, *Atlantic Monthly* correspondent, and author of *Gay Marriage: Why It Is Good for Gays, Good for Straights, and Good for America* "Cahill and Tobias offer readers a thorough and immensely readable guide to the legal problems faced by LGBT families." —Ellen Andersen, Indiana University–Purdue University at Indianapolis "For an account of policy issues that frame lesbian, gay, bisexual, and transgender (LGBT) family lives here in the United States, one need look no further. Sean Cahill and Sarah Tobias supply accurate and up-to-date information about the legal and policy contexts of LGBT lives across the country. This book is sure to be a valuable resource for students and scholars, as well as for others seeking to understand and challenge discrimination based on sexual orientation or gender identity." —Charlotte J. Patterson, University of Virginia Sean Cahill is Director of the National Gay and Lesbian Task Force Policy Institute. Sarah Tobias is a feminist theorist and LGBT activist who earned her Ph.D. in Political Science from Columbia University. She has taught Political Theory at colleges in New York and New Jersey, and currently works as Senior Policy Analyst in the Democracy program at Demos, a New York City-based think tank. *Ministry Among God's Queer Folk, Second Edition* - Bernard Schlager 2019-01-21

This practical pastoral care handbook, written by two self-described queer people of faith, covers the basic skills that religious caregivers and ministry students need in order to be effective, enlightened, and supportive pastoral care providers to LGBTQ persons in congregational and other community settings. Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling: while the latter is reserved for those with special training in the practice of therapy, the former can be developed by ministers and lay people with sufficient education and practice. This book requires of the reader no previous experience with LGBTQ communities and treats the following topics: the definition and functions of pastoral care; effective care in challenging times; coming out of the closet; creating communities of care; and caring for a wide variety of LGBTQ relationships. The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care.

Living It Out - Rachel Hagger-Holt 2013-05-07

A practical and affirming book for everyone dealing with the issue of sexuality, whether as a gay or lesbian Christian seeking to live with integrity, a friend or family member, or as a church leader seeking understanding and guidance. It suggests practical ways of managing and enriching relationships with God, the church, and others.

But Dad! - Gretchen Gross 2012

Written for any man raising daughters, the authors geared this book for

the single dad who may not have a woman in his life with whom to confer about issues their daughters may be facing like sex, friendships, boyfriends, alcohol and drugs, and personal hygiene.
