*Chicken Soup for the Teenage Soul: The Real Deal Friends - Jack Canfield 2012-10-09*  
Friends. You gotta have 'em, but sometimes they drive you crazy. You love 'em, but sometimes they make you mad. They'll help you through a crisis...unless they are the crisis. So What's the Deal? Friends are more than just the people you hang out with. They make you laugh, they keep your secrets, they offer advice (some good, some bad), they give you a shoulder to cry on. Sometimes they move away, or

betray your trust, or flake out, but mostly they are the people who are always there for you. And they know you'll be there when they need you most. Because that's what it means to be a friend. Sometimes friendship is overwhelming, sometimes it's confusing, sometimes you feel like you don't have a friend in the world, but don't worry, it's like that for everyone. That's what the stories in this book are all about. They're from real teens, and they're about the bizarre, difficult and wonderful things that really happened to them and their friends. Put that together with weird facts, cool graphics, fun advice and quizzes designed to help you figure out what you and your friends are all about, and you've got the real deal on friendship!

*The Crush Dilemma* - Susan

Hatler 2016-07-13

Teen geek, Poppy Pinkleton, is

adding some spice to her junior

year of high school: A year of

psychological experiments that

will 1) Earn her three units of

college credit; 2) Give her an

outlet to say what she wants,

when she wants; and 3) Will

NOT include her parents telling

her to be the “bigger person.”

How, you ask? Poppy's gotten the green light from Ms.

Peterson, the newspaper head,

to write an online advice

column for the school. She's

found the perfect name for her

alter ego: Aubrey. It means

someone who rules with

“magical wisdom.” She'll be in

control of her online

experiment, online identity,

and divvy her wisdom to the

masses while tracking the

results for her mini-thesis.

Now, protected by a secret

identity, she's got the popular

crowd clambering to know

what she thinks about fashion,

homework, and eek . . . even

sex! And the best part is, her

parents and best friends don't

know anything about it. Finally,

she can let loose a wild side

and speak her mind—right or

wrong, without having to meet

anyone's expectations. Soon,

however, dishing out advice

leads to more than Poppy can

handle on her own and she

must make a choice. Hide

behind her alter ego or take

the chance that everyone,

including the new boy at

Take *Wild at Heart* by John Eldredge and *The Mystique of a Woman* by Jean Lush and turn it into something that gets the attention of busy teens and you begin to understand The Dateable Rules. This interactive guide takes up where Dateable left off and walks teens through the Bible's insights about men and women. Guys will learn that God loves adventure and that there's a difference between a spiritual and a physical adventure. They'll also learn how to be a gentleman (open her door and carry the box of leftovers from dinner, etc.) Girls will learn that beauty is defined by God, not supermodels, and that if they talk too much, they lose.

They learn the secrets of staying confident and letting a guy lead. How It Works: Bible Study: a study that can be used by an individual couple or a whole youth group. Focus Group: a time when guys and girls get the lowdown on each other's gender. Guys and girls or groups can talk about what they learned in the week's study and discuss the truths of Scripture. Workbook: offers lots of things for readers to do, from writing down all the bad things they have said about another person and confessing them to God to going back to the point in time when their femininity or masculinity was squashed and allowing Jesus to redefine that moment. Each section is filled with interactive activities that help students better understand God's plan for men and women. The Dateable Rules isn't about teens getting more dates; it's about learning to understand the opposite sex and making good choices based on the truth!
