[Sexual Harassment](#) - Linda LeMoncheck

2000-01-01

The question of what constitutes sexual harassment—from suggestive remarks to outright threats, from off-color jokes to lewd posters on office walls—is contentious, as is the question of how to address sexual harassment. Do all instances of sexual harassment constitute sex discrimination? Are some instances merely sexual attraction gone wrong? Do social policies aimed at eliminating sexual harassment in the workplace violate freedom of expression or do

they make working relationships possible between women and men? In this uncompromising yet respectful debate, two philosophers of widely divergent views present clear arguments and then respond directly to each other's reasoning. LeMoncheck argues for a feminist perspective on sexual harassment that is sensitive to the politics of gender. Hajdin contends that this perspective is both morally confusing and legally problematic, and that sexual harassment can be better addressed by traditional moral and legal categories.

Voices From the Wreckage: Young Adult Voices in the #MeToo Movement - Kimberly Karshner
2023-04-18

'Voices From the Wreckage: Young Adult Voices in the #MeToo Movement' is an edited collection by Kimberly Greenfield Karshner (Lorain County Community College). This collection focuses on situating young adult voices in the #MeToo movement, and into American culture and identity. Children's and young adult literature is an area of study that has rapidly evolved in the past ten years, bringing previously silenced voices to light. This is especially true for YA LGBTQ+ voices, and also for young narrators who are not only discovering, celebrating, and coming to terms with their identities, but also dealing with assaults on their identities. This collection will build on what writers like Laurie Halse Anderson have begun, first with her groundbreaking book on sexual assault, 'Speak', published in 1999, and more currently, her follow-up book, 'Shout' (2019). These authors

continue what Anderson started, exploring texts from the perspectives of YA male and female voices, Native American and international perspectives, and LGBTQ+ character representation. Chapters investigate various literary forms such as graphic novels, memoirs, and novels, and cover topics such as sexual desire, consent, trauma, and survivorship. The literature featured in this volume will assure young people that they can tell their stories and that they will be heard. 'Voices From the Wreckage' will be a valuable tool for anyone who teaches Young Adult Literature, or for those who are avid readers and fans of the genre. The authors in this collection are starting and continuing very important conversations on the topic of sexual abuse and trauma, a conversation necessary for the intended audiences of these books, and for adult readers and teachers who are facilitating the emotions connected to these topics.

Physical Disability and Sexuality - Xanthe Hunt
Downloaded from
legacy.opendemocracy.net on 2021-05-17
by guest

2021-02-08

This open access edited volume explores physical disability and sexuality in South Africa, drawing on past studies, new research conducted by the editors, and first-person narratives from people with physical disabilities in the country. Sexuality has long been a site of oppression and discrimination for people with disabilities based on myths and misconceptions, and this book explores how these play out for people with physical disabilities in the South African setting. One myth with which the book is centrally concerned, is that people with disabilities are unable to have sex, or are seen as lacking sexuality by society at large. Societal understandings of masculinity, femininity, bodies and attractiveness, often lead people with physical disabilities to be seen as being undesirable romantic or sexual partners. The contributions in this volume explore how these prevailing social conditions impact on the access to sexual and reproductive healthcare,

involvement in romantic relationships, childbearing, and sexual citizenship as a whole, of people with physical disabilities in the Western Cape of the country. The authors' research, and first person contributions by people with physical disabilities themselves, suggest that education and public health policy must change, if the sexual and reproductive health rights and full inclusion of people with disabilities are to be achieved.

First Person Sexual - Joani Blank 1996

Down There Press authors have been answering that question for twenty-five years! From Joani Blank's Good Vibrations RM bringing to light the sexual potential of personal massagers, to Jack Morin's still the-only-one-of-its-kind Anal Pleasure & Health, to Susie Bright's genre-launching Herotica RM, San Francisco's oldest publisher of award-winning sex-positive books has been breaking boundaries to delight and entertain its readers. Founded in 1975, Down There Press is the nation's first independent

publisher devoted exclusively to publishing sexual health books. Founder and Publisher Emerita Joani Blank, then working as a sex educator and counselor, started writing her own books about sexuality at her clients' and other therapists' behest. The press currently has a list of eighteen sexual self-awareness titles, including innovative and practical non-fiction with non-judgmental techniques for strengthening sexual communication. Down There Press also publishes lively literary and photographic erotica.

Sexual Fluidity - Lisa M. Diamond 2008

Calls for new categories in sexual identity for women based on research that concludes that they tend to be attracted to the individual rather than gender and their sexuality fluctuates more than men, which stays fixed once established.

The Natural History of Sexuality in Early America - Greta LaFleur 2020-08-04

Ultimately, *The Natural History of Sexuality in Early America* not only rewrites all dominant

scholarly narratives of eighteenth-century sexual behavior but poses a major intervention into queer theoretical understandings of the relationship between sex and the subject.

Queer Voices from Japan - Mark McLelland 2007-03-26

Queer Voices from Japan examines the wide range of queer voices in Japan, and the longevity that these minority communities have enjoyed in society. Mark McLelland, Katsuhiko Suganuma, and James Welker bring together historical and contemporary narratives that contribute to the study of sexual identities in Japan. These essays trace the evolution of queer voices in Japan with analyses of the presence of homosexuality in the Japanese Imperial Army, the development of Japan's first gay bars, and same-sex experiences in the pre- and post-war periods. This book offers a variety of perspectives including a range of male-to-female and female-to-male transgender voices and experiences. The broad scope of this volume makes it an invaluable text

Downloaded from
legacy.opendemocracy.net on 2021-05-17
by guest

for understanding the development of Japanese sex and gender categories in the twentieth century. *Queer Voices from Japan* is a compelling read that will appeal to those interested in Asian studies and human sexuality.

That Obscure Subject of Desire - Ronnie Lesser 2013-11-12

An interdisciplinary collection of papers on Freud's sixth and final case psychogenesis of a case of homosexuality in a woman. To date this case has received very little attention, which can be seen as a sign of the marginalization of lesbians in both psychoanalytic theory and culture. This text seeks to rectify this neglect, providing a forum where questions surrounding this case can be discussed. This edition first published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

"--and Then I Became Gay" - Ritch C. Savin-Williams 1998

First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

Criminal Code Act - Australia 2015-06-27

This Act may be cited as the Criminal Code Act 1995. Subject to subsection, this Act commences on a day to be fixed by Proclamation. If this Act does not commence under within the period of 5 years beginning on the day on which this. Act receives the Royal Assent, it commences on the first day after the end of that period. The Criminal Code extends to every external Territory. Unless the contrary intention appears, an installation (within the meaning of the Customs Act 1901) that is deemed by section 5C of the Customs Act 1901 to be part of Australia is also taken to be part of Australia for the purposes of the Criminal Code. Definitions in the Code of expressions used in the Code apply to its construction except insofar as the context or subject matter otherwise indicates or requires.

Experiencing Youth - George W. Goethals 1970

This book is comprised of 27 autobiographical cases written as a requirement for a clinical course on the psychology of adolescence by

graduate and undergraduate students. The cases exhibit a wide variety of racial and ethnic backgrounds, social classes and religions, and highlight the conflicts that young people feel in the areas of autonomy, identity and sexual intimacy as they make their transition from the bosom of family life out into the world. Originally published in 1970 by Little, Brown and Company.

ABSTINENCE . . . Seriously?: Why Should I Wait For Marriage?: A Study for Today's Youth - Kathy Kitchings Nowell, M.C.P. 2018-11-21

As a parent, leader, or teacher, do you ever struggle with how to teach your child, students, or those you mentor about sexuality?

ABSTINENCEÉSERIOUSLY? provides material and activities to use when you are ready to begin. The material has been gathered by Kathy Nowell as she taught youth, counseled youth, singles and parents and led retreats on the subject of sexuality for most of her adult life. Some chapters may be uncomfortable for you,

but rememberÑthe world will teach what you do notÑand that information is often false. Talking to your children about sexuality is not easy, but is essential. There are many voices bombarding them today trying to influence their choices away from GodÕs desires for them. Parents need to know what to say and how to say it in this important area. In this book, Kathy Nowell provides answers with practical helps. It is a must read for any parent that wants to have Òthe talkÓ with their child from GodÕs perspective. ÑHarvey G. Ellis, Broadmoor Baptist Church

Never Say I - Michael Lucey 2006-10-27
Never Say I reveals the centrality of representations of sexuality, and particularly same-sex sexual relations, to the evolution of literary prose forms in twentieth-century France. Rethinking the social and literary innovation of works by Marcel Proust, André Gide, and Colette, Michael Lucey considers these writers' production of a first-person voice in which

Downloaded from
legacy.opendemocracy.net on 2021-05-17
by guest

matters related to same-sex sexuality could be spoken of. He shows how their writings and careers took on political and social import in part through the contribution they made to the representation of social groups that were only slowly coming to be publicly recognized. Proust, Gide, and Colette helped create persons and characters, points of view, and narrative practices from which to speak and write about, for, or as people attracted to those of the same sex. Considering novels along with journalism, theatrical performances, correspondences, and face-to-face encounters, Lucey focuses on the interlocking social and formal dimensions of using the first person. He argues for understanding the first person not just as a grammatical category but also as a collectively produced social artifact, demonstrating that Proust's, Gide's, and Colette's use of the first person involved a social process of assuming the authority to speak about certain issues, or on behalf of certain people. Lucey reveals these

three writers as both practitioners and theorists of the first person; he traces how, when they figured themselves or other first persons in certain statements regarding same-sex identity, they self-consciously called attention to the creative effort involved in doing so.

Bodies, Love, and Faith in the First World War - Nancy Christie 2018-04-25

This book explores the courtship and marriage of Gwyneth Murray, an English woman, and a Canadian, Harry Logan, who wrote in the personae of their vagina (Dardanella) and penis (Peter) during World War I. Through an analysis of their extensive daily correspondence over nearly a decade, it uncovers the couple's changing attitudes to the intersection of sexuality and religion, to marriage and childrearing, as they navigated the transition from Victorian to modern values. By focusing on first-person narratives, this book enriches our understanding of gender identities revealing how porous the boundaries remained between

Downloaded from
legacy.opendemocracy.net on 2021-05-17
by guest

notions of 'heterosexual' and 'same-sex' friendships. This study offers an unprecedented perspective on one couple's sexual practices, which included mutual masturbation and oral sex, and constitutes one of the most intensive examinations of female attitudes to sexual pleasure in an era of female emancipation.

Sexual Abuse And Eating Disorders - Mark F. Schwartz 2018-10-24

Sexual Abuse and Eating Disorders is the first book to fully explore the complex relationship between sexual abuse and the eating disorders. The book encompasses the compelling writings of 26 specialists who thoughtfully consider the numerous questions surrounding this controversial topic: Why would early trauma influence eating behavior? What is the association between eating disorders and sexual abuse? What impact does the controversy surrounding false memory have on the thinking about this association? Working from the premise that children exposed to inescapable

stress throughout childhood will be at risk for compulsivity and reenactment of trauma by self-abuse syndromes, this collection provides provocative answers to these and many other questions. Taken as a whole, this book provides an important global view of the topic. Chapters focus attention on the prevalence of sexual abuse among individuals with eating disorders; how a history of sexual violence can serve as a predictor of subsequent food-related syndromes; trauma-based theory, dissociation, abreactive, and ego-states therapy; and a practical and theoretical exploration of the sexual self of an eating-disordered person. New perspectives on body image, feminist approaches to treatment, false memory, and the sexual self, as well as a first-person narrative that powerfully links the two phenomena, round out the discussion. Finally, a dialogue about the controversies surrounding sexual abuse and eating disorders and an examination of false memory syndrome constitute the fitting finale for this stimulating

presentation.

Sex and Sexuality in Early America - Merril D. Smith 1998-09

Sex and sexuality have always been the subject of much attention, both scholarly and popular. Yet, accounts of the early years of the United States tend to overlook the importance of their influence on the shaping of American culture. This book addresses this neglected topic with original research covering a wide spectrum, from sexual behavior to sexual perceptions and imagery, and more.

[Queer Voices from Japan](#) - Mark J. McLelland 2007

Queer Voices from Japan examines the wide range of queer voices in Japan, and the longevity that these minority communities have enjoyed in society. Mark McLelland, Katsuhiko Suganuma, and James Welker bring together historical and contemporary narratives that contribute to the study of sexual identities in Japan. These essays trace the evolution of queer voices in Japan with

analyses of the presence of homosexuality in the Japanese Imperial Army, the development of Japan's first gay bars, and same-sex experiences in the pre- and post-war periods. This book offers a variety of perspectives including a range of male-to-female and female-to-male transgender voices and experiences. The broad scope of this volume makes it an invaluable text for understanding the development of Japanese sex and gender categories in the twentieth century. Queer Voices from Japan is a compelling read that will appeal to those interested in Asian studies and human sexuality.

First Person Plural - Andrew W. M. Beierle 2007

Conjoined twins Owen and Porter Jamison, inhabiting one body with two heads, one torso, and two very different hearts, find their tentative bond threatened when Owen discovers that he is gay, which nearly destroys Porter's marriage as a complicated romantic rectangle develops. Original.

A First Person History of Pediatric Psychoendocrinology - John Money 2002-10-31

John Money's career constitutes the foundation of pediatric psychoendocrinology. In this book he takes a second look at his publications on many different psychoendocrine syndromes, intersexual or hermaphroditic, with respect to sex, gender, amative orientation, and the "lovemap", (his own designation from an individual's experience of sexuality). His ultimate conclusion is that, from prenatal life onward, demasculization of development is not synonymous with feminization, nor is defeminization synonymous with

masculinization. This volume will serve to illuminate the evolution of Dr. Money's work and point the way to future investigations in this field.

Swing Stories - First Last 2015-02-25

From the first timid suggestion to the wildest of multipartner sexual connections, real world swingers describe their adventures in the (almost) anything-goes-landscape of the swing community. Bridget and Jan describe their own first visit to a swing club... Julia and Sean discover the joys of three way play... and dozens of other singles and couples share intimate moments in a world most people only dream of!
