2021-06-02

Elevators. Airplanes. Palaman ng sandwich.  
'Yong feeling na papunta ka pa lang at excited ka sa pupuntahan mo. 'Yong katulad ng feeling nang papalapit ang birthday mo. 'Yong feeling na papalapit pa ang isa pang espesyal na araw. 'Yong feeling na ilang oras na lang Pasko na. 'Yong feeling na tatlong araw na lang ay simula na ulit ng pasukan. 'Yong feeling na nasa gitna ka pa lang at 'di ka pa nakakarating sa pupuntahan mo. 'Yong feeling na malapit na pero hindi pa pala. 'Yon ang palagi kong gusto. 'Yong habang nasa kalagitnaan pa lang. 'Yong nasa gitna ng dalawang bagay. Gitna ng dalawang buildings. Gitna ng langit at lupa.

Gitna ng dalawang matatabang tinapay. Gitna ng byahe papuntang Disneyland. Mas gusto ko 'yong feeling habang nasa byahe kaysa sa nakarating na. Mas gusto ko 'yong feeling na may hinihintay kaysa sa nandyan na. I always like the things in between.

**Children of Immigration** - Carola Suárez-Orozco 2009-06-30

Now in the midst of the largest wave of immigration in history, America, mythical land of immigrants, is once again contemplating a

future in which new arrivals will play a crucial role in reworking the fabric of the nation. At the center of this prospect are the children of immigrants, who make up one fifth of America's youth. This book, written by the codirectors of the largest ongoing longitudinal study of immigrant children and their families, offers a clear, broad, interdisciplinary view of who these children are and what their future might hold. For immigrant children, the authors write, it is the best of times and the worst. These children are more likely than any previous generation of immigrants to end up in Ivy League universities--or unschooled, on parole, or in prison. Most arrive as motivated students, respectful of authority and quick to learn English. Yet, at the same time, many face huge obstacles to success, such as poverty, prejudice, the trauma of immigration itself, and exposure to the materialistic, hedonistic world of their native-born peers. The authors vividly describe how forces within and outside the family shape these

children's developing sense of identity and their ambivalent relationship with their adopted country. Their book demonstrates how "Americanization," long an immigrant ideal, has, in a nation so diverse and full of contradictions, become ever harder to define, let alone achieve.

*Bollywood* - Tejaswini Ganti 2013

'Bollywood' is the dominant global term to refer to the prolific Hindi language film industry in Bombay (renamed Mumbai in 1995). Characterised by music, dance routines, melodrama, lavish production values and an emphasis on stars and spectacle, Bollywood films have met with box-office success and enthusiastic audiences from India to West Africa to Russia, and throughout the English-speaking world. In *Bollywood*, anthropologist and film scholar Tejaswini Ganti provides a guide to the cultural, social and political significance of Hindi cinema, outlining the history and structure of the Bombay film industry, and the development of popular Hindi filmmaking since the 1930s.

**Anand Bakshi : Yeh Sham Mastani** - Prashant Sawant 2023-06-03

Anand Bakshi has imparted lots of valuable

insights through his 6000 plus songs for Hindi films. The learnings which we generally get from religious texts like Bhagwat Geeta, are explained by Anand in his songs, in a very poetic & entertaining manner. When we see a garland & marvel at its beauty, we tend to ignore the thread which holds the garland together. Similarly, we love so many songs & humm them frequently without really understanding the meanings in the words. This book tries to tell music lovers all over the world that your love for music will be incomplete, without you understanding the depth in the words, in the beautiful tune. Kaifi Azmi once said that the tune of the song gets composed first & then the phonetically meaningful words are inserted later, by the song writer. It's like the Kabr (where the body of a dead man is buried) is made ready by the music director & now they are searching for the body (lyrics). An Artist of the caliber of Anand Bakshi takes birth once in centuries and we should give them that well

*The Girl from Sighet* - Hindi Rothbart 2009  
The Girl from Sighet a memoir In 1944, Hindi Friedman's idyllic childhood in the Transylvanian Carpathian Mountains abruptly ended when German troops invaded her beloved hometown of Sighet. This memoir, written in the style of a novel, chronicles Hindi and her family's confinement in the town's ghetto, their transport in a suffocating cattlecar to Auschwitz, and the

subsequent heroic struggle to survive the inhumane conditions of the concentration camp. After Russian soldiers liberated Hindi and her sister from a labor camp in the Czech Republic, the young girls immediately faced a harsh new reality. Their liberators were now the enemy. Weak and hungry, the girls escape by foot over the Czech mountains to avoid the savagery of the Russian soldiers. Two years after the war ended, Hindi was again on the run. Trapped in communist Romania, she escaped into Austria and eventually to her new home in America. This epic memoir spans seventy years, transporting the reader from shtetl life through war-torn Europe to the American suburbs of the fifties and on to the present, allowing us to partake in a remarkable journey from death and despair to hope and rebirth.

[Stardom in Contemporary Hindi Cinema](#) - Aysha  
Iqbal Viswamohan 2020-01-03

In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as “Bollywood.” Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India’s increased engagement in the global economy, Hindi film stars are forging their identities not just through

their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are

Dr. Sunny Singh, Senior Lecturer - Creative

Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema's filmi firmament today, focussing on its most intriguing and brightest-burning stars.
