

For Sex Education See Librarian A Guide To Issues And Resources

Library Developments - 1995

For SEX EDUCATION, See Librarian - Martha Cornog 1996-08-28

A practical guide to sexuality materials in libraries and an annotated bibliography of recommended books for school and public libraries. Provides guidelines for materials selection, reference, processing, access, programming, and dealing with problems of vandalism and censorship.

Modern Library Technologies for Data Storage, Retrieval, and Use - Wei, Chia-Hung 2013-02-28

In recent years, libraries have embraced new technologies that organize and store a variety of digital information, such as multimedia databases, digital medical images, and content-based images. Modern Library Technologies for Data Storage, Retrieval, and Use highlights new features of digital library technology in order to educate the database community. By contributing research from case studies on the emerging technology use in libraries, this book is essential for academics and scientists interested in the efforts to understand the applications of data acquisition, retrieval and storage.

Sex Ed, Segregated - Courtney Q. Shah 2015

In *Sex Ed, Segregated*, Courtney Shah examines the Progressive Era sex education movement, which presented the possibility of helping people understand their own health and sexuality, but which most often divided audiences along rigid lines of race, class, and gender. Reformers' assumptions about their audience's place in the political hierarchy played a crucial role in the development of a mainstream sex education movement by the 1920s. Reformers and instructors taught middle-class youth, African-Americans, and World War I soldiers different stories, for different reasons. Shah's examination of "character-building" organizations like the Young Men's Christian Association (YMCA) and the Boy Scouts of America (BSA) reveals how the white, middle-class ideal reflected cultural assumptions about sexuality and formed an aspirational model for upward mobility to those not in the privileged group, such as immigrant or working class youth. In addition, as Shah argues, the battle over policing young women's sexual behavior during World War I pitted middle-class women against their working-class counterparts. *Sex Ed, Segregated* demonstrates that the intersection between race, gender, and class formed the backbone of Progressive-Era debates over sex education, the policing of sexuality, and the prevention of venereal disease. Courtney Shah is an instructor at Lower Columbia College, Washington.

Ethics and Values in Librarianship - Wallace Koehler 2015-09-01

Ethics and Values in Librarianship: A History addresses the processes of development of library and information sciences, largely but not exclusively in a western context. It focuses on the field's ethics and values. Here, Wallace Koehler, a leading researcher in the area of information ethics, debunks the prevailing notion that library and information science concepts and ethics have and remain constant. He demonstrates that in almost all areas of practice, this is simply not so. Instead of staying the same, our

professional ethics and standards have evolved or shifted in their application as well as in the recognition of those standards by practitioners and users. Some of these changes are of very recent etiology. Topics covered include: · the freedom of expression, · intellectual freedom, · libraries and democracy, · intellectual property, copyright, and fair use and, · professional qualifications and credentialing. Koehler examines the development of and changes to library and information science through practice and the writings of library and information theorists and practitioners from Varro during the reign of Julius Caesar to the present. He documents technological and social changes that have had foundational implications for the information professions and argues that ethical standards may be redefined overtime and new standards may emerge, older precepts and newer ones coexist. Not only a history, this is also one of the few contemporary books suitable for use in foundational courses and courses covering information and library ethics.

Accent on Purity: Guide for Sex Education - Joseph E. Haley 2008-06-01

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Library Journal - Melvil Dewey 2005

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Library Literature - H.W. Wilson Company 1997

"An index to library and information science".

Sexuality Education - Clint E. Bruess 2004

Sexuality Education: Theory and Practice, Fourth Edition is designed to prepare future sexuality educators and administrators, as well as seasoned teachers about sexuality and also aims to clarify the false assumptions related to sexuality education. This one-of-a-kind resource provides comprehensive coverage of information and issues related to sexuality education and the skills needed to prepare sexuality educators.

Resources in Education - 2001

Miseducation - A. J. Angulo 2016-04-01

By investigating how laws, myths, national aspirations, and global relations have recast and, at times, distorted the key purposes of education, this pathbreaking book sheds light on the role of ignorance in shaping ideas, public opinion, and policy.
