Perfect Love Too Good To Be True? - Dan Robins 2012-04-29

It says in John 3:16, "For God so loved the world that He gave His only Son." In 1 John 4:8 that, "God is love." And in 1 John 4:18, "There is no fear in love, but perfect love drives out fear." You probably know those verses, but do you believe them? Do you really believe that God loves you with perfect love? Despite what you may have been told God is not angry with you. He's not disappointed. He is smiling over you. Whatever you've done, wherever you've been, whatever you will do, God has a single relentless feeling towards you: perfect love. This book is an ever helpful reminder that God is head over heels in love with you. It will pull back the curtains and help you realise how loved you are so that your joy may be made full, complete and overflowing. It will help you do much more than develop a healthy theology. It will help you experience Father God's affectionate embrace, feel His unconditional acceptance, and hear His tender words of love in deeper ways than you have ever known.

Furious Love - Sam Kashner 2011-09-07

Un uomo. Una donna. Un desiderio irrefrenabile contro cui nulla possono le convenienze sociali. Lei diva già da bambina, lui figlio di un minatore gallese, si conoscono a Roma, sul set di Cleopatra, e scoppia un amore che tra matrimoni e divorzi, liti e riconciliazioni segnerà un'epoca. In una vertiginosa altalena tra realtà e fiction, Elizabeth Taylor e Richard Burton, «Liz and Dick», incarnano il prototipo della coppia da rotocalco, sempre eccessiva e sovraesposta, sempre capace (volente o nolente) di suscitare scandalo, sempre attorniata da folle di ammiratori in delirio. Furious love proietta una luce nuova su i film, sulla passione, sullo scandalo, sulla fama, sulle liti, sull'alcol, sui due divorzi e sui favolosi gioielli. Offre uno sguardo intimo sul mondo dorato dei reali di Hollywood e sulla loro corte di amici: la principessa Grace, Marlon Brando, Montgomery Clift, il duca e la duchessa di Windsor, Robert Kennedy,

Tennessee Williams, Peter O'Toole, Michael Caine, Ava Gardner, i Rothschild, Rex Harrison, Maria Callas, Sophia Loren, Laurence Olivier, Noël Coward, John Huston e Aristoteles Onassis. Ma entra anche all'interno della loro alcova, schiudendo i segreti del sentimento puro e assoluto che legava i due divi, e le loro difficoltà nel gestire la pressione di una vita condotta perennemente sotto i riflettori, come ingranaggi di un dispositivo spettacolare spietato che logora e sostituisce molto in fretta i suoi protagonisti. Il giornalista di Vanity Fair Sam Kashner e la poetessa e biografa Nancy Schoenberger raccontano la loro storia attraverso una raccolta di lettere che Elizabeth Taylor ha tenuto segrete fino all'anno scorso. E che ha accettato di condividere, prima di lasciarci, per rendere omaggio a un amore straordinario.

Sinners, Saints, and the Furious Love of God - David Schultz 2016-07-15

Why does it seem that Christianity creates a space where it is so challenging to be our authentic self? What's your authentic self? Exactly who you are in this very moment. No pretending. No games. No masks. Most of us in Christendom are addicted to putting on a good boy and good girl image in front of those whom we want to think we have a polished "Christian Resume." Some of the most edifying, lovely, beautiful, cherished, and nourishing experiences of my walk with Christ have been in those moments when I am with friends with whom I can just be me. Not the cleaned up, polished, or polite version of my self. But the real me - not the who has struggled - but the one who is struggling. The one for whom failure is not a matter of the past - but the present. The one who not only has been hurt - but is hurting. The one who hasn't only been walking in the desert of confusion - but is currently running around blind in the dark screaming for mercy. Because when I live and am honest with myself - I can finally face the music: That I am deeply broken and deeply in need of Jesus' wild and furious love. I wanted to write a book for ragamuffins like me.

Screw-ups that haven't arrived but are still on the journey. If you're looking for a book by someone with all the answers - this book isn't for you. If you're looking for a book by someone with whom you can have a synchronized swim within the lake of theological refreshment - this book isn't for you. If you are looking for a bible guru, self-help saint, or a goodie two-shoes - this book isn't for you. I wanted to be me in this book. At least as much as wisdom would allow. Not the watered down, sugar coated, half-mast version of myself. But the person I really am: A sinner saved by grace. Not grace that I bought, earned, or put on lay-a-way but the one that was and is haunting me day and night with the presence of Jesus and his love. This book is two things. First - it's a raw conversation filled with honest reflections about life and faith. Like the one you'd have at a dingy bar, hole-in-the wall coffee shop, or a cross country road trip. Second and more importantly - it's a witness to unfair and undeserved grace. It's a witness to ups and downs, a few beautiful mountain tops, and even more dark and dangerous valleys. It's a witness to the Divine crashing into my life and hunting me down with His furious love. On this road trip with me you'll pick up hitchhikers with names like depression, heart break, and loss, and although they will stay with you for a while, they won't make the whole trip with you. You'll reflect on their purpose with the eyes of mercy, the lenses of hindsight, and the visionary hope of forgiveness. What you're about to read is my story. My ragamuffin story. And in my story I have discovered God chasing me down with his furious love through the sinners and saints that have shipwrecked into my life. But my greatest hope in our time together - should you dare to pick up this book - is that you will read my story and forget my story and fall in love with Jesus. I pray that my story will fade into the background and your story will take center stage - so that you too can see where God was and is, where He is ready and waiting to tackle and ambush you with his incomprehensibly tender and overwhelming love.

The Furious Longing of God - Brennan Manning 2009-03-01

Imagine a stormy day at sea, your ship yielding to a relentless wind, pummeled by crashing waves, subject to the awesome force of nature. A force that is both fierce and majestic. A power that is nothing short of furious. Such is God's intense, consuming love for His children. It's a love that knows no limits, and no boundaries. A love that will go to any lengths, and take any risks, to pursue us. Renowned author and ragamuffin Brennan Manning presents a love story for the brokenhearted. For those who are burdened by heavy religion. For those who feel they can never measure up. It is a provocative and poignant look at the radical, no-holds-barred love of our Heavenly Father. It is a message that will forever change how you view God.

Summary of Sam Kashner's Furious Love - Everest Media, 2022-05-28T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The first time Richard Burton laid eyes on Elizabeth Taylor, he nearly laughed out loud. She was so extraordinarily beautiful that he thought she was too much, and she was totally ignoring him. #2 Elizabeth and Richard Burton met in 1962 on the set of Cleopatra. Elizabeth was at the height of her raven beauty, but she seemed older than her twenty-nine years. She had been married three times and widowed once. #3 Elizabeth's third husband, Mike Todd, was the epitome of a self-made man. He was part showman, part hustler, and part genius. He was the complete opposite of her husband Michael Wilding, and thus the complete opposite of her mild-mannered father. #4 Elizabeth was married to Mike Todd for 13 months, from March 1958 to May 1959. She was extremely fond of him, and he her, but she was also extremely devastated when he died in a plane crash. She turned to Todd's closest friend and protégé, the crooner Eddie Fisher, who was married to Debbie Reynolds at the time.

Furious Love - Sam Kashner 2013-02-18

A tough Welshman, he was softened by the affections of a breathtakingly beautiful woman: she was a modern-day Cleopatra madly in love with her own Mark Antony. For quarter of a century, Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their

two marriages to each other represented much more than outlandish romance. Together, Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the staples of today's media. Using brand-new research and interviews — including unique access to Taylor herself, the Burton family, and Taylor's extensive personal correspondence — this ultimate celebrity biography is the gripping real-life story of a fairy-tale couple whose lives were even grander and more outrageous than the epic films they made.

Furious Love - Sam Kashner 2010-06-15
From veteran entertainment reporter Sam Kashner and biographer Nancy Schoenberger comes the definitive account of the greatest Hollywood love story ever told—the romance of Elizabeth Taylor and Richard Burton. Kashner has interviewed Elizabeth Taylor numerous times and is the only journalist given access to her extensive collection of personal letters and journals, and he and Schoenberger have also interviewed the Burton family at length, including Burton's actress daughter Kate. This is truly an authorized and singularly informed biography of these two larger-than-life stars, and of their glamorous, volatile, and audacious relationship.

[The Rapture of Furious Love](#) - Geoffrey Ganda 2014-08-14

Receiving a vision from God about being "taken up" and the leading up to it, follow me as I share

fundamental principles for the preparation and preservation of the bride of Christ. With a heart for winning souls into the Kingdom of God weighing on me at the age of 17, I found and lost my identity in Him after countless attempts, but I finally gave in to God's will. The Rapture of Furious Love is a must read for all 'sold out for Christ' Christians and most for those seeking revival in their hearts. The purpose of this book is not to look out for signs, (many books already do that) but to become a sign of Christ in these times; John 4:17 lets us know that 'as he is, so are we in this world.' Throughout the book the message of having a close and 'personal' relationship with God the Father echoes resoundingly. The reader will learn and discover what I, the author means when I use the term 'furious love.' I show this through the lives of biblical figures such as Hosea and Gomer, Abraham and Isaac, and Jesus and the Father. Through revelation and my style of writing, the reader will visually see the heart of the Father exposed and how He desires for all men to be saved.

A General Theory of Love - Thomas Lewis 2007-12-18

This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. A General Theory of Love demonstrates that our nervous systems are not self-contained: from earliest childhood, our brains actually link with those of the people close to us, in a silent rhythm that alters the very structure of our brains, establishes life-long emotional patterns, and makes us, in large part, who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion and eloquence that will forever change the way you think about human intimacy.

The Four Loves - C. S. Lewis 2023-11-20

The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God."
