**Turtle Croakies (Enchanting Inquiries, Book 10)** - Sam Cheever 2020-10-27

A frog, a cat, and a hobgoblin walk into a bar...in the Jurassic period. Nope...not kidding. Okay, maybe it wasn't really a bar. But it was definitely the local drinking establishment. For dinosaurs... My old mentor, Alice Parker is back, and she's brought a problem with her. A big one. One that's already testing the sprite's ability to keep it in lettuce and strawberries. It turns out that Alice has been on the run for a minute, trying to protect a magical tortoise from a dangerous sorceress who wants it for herself. You might be wondering why anybody would want to steal a tortoise. Well, if you had the chance to travel through time at the push of a button, or rather the press of a turtle's shell, would you take it? Yeah, me neither. I have enough trouble dealing with this time and world... But clearly, we aren't all diabolical magic users bent on our own empowerment. I mean, the possibilities for evil are unending if one can time-hop at will. Luckily, I have two cats, two frogs, and a hobgoblin to help me stave off the latest crisis. The only question is...what am I going to do with a former KoA who was as ineffectual at the Keeper's job as the goddess's torn pantyhose are at holding water.

The only thing she'd been worse at was training me! And, more importantly, now that she's here...how am I going to get rid of her? Holy turtle trousers, this Keeper gig gets more challenging by the day...or the millennia!

*Dress to Express* - Tracy McWilliams 2012-03-01

?Why do some women exude confidence and look great in their clothes and others never feel good about how they look, no matter what they wear? And why do we claim we have "nothing to wear" when our closets are bursting with choices? Clothing and dressing anxiety — what Tracy McWilliams calls closet trauma — occurs because we lack a clear sense of self and we have not defined the image we wish to express.
