[Didn't See That Coming](#) - Rachel Hollis
2020-09-29

The New York Times Bestseller Fear. Grief. Loss. Betrayal. Rachel Hollis has felt all those things, and she knows you have too. Now, she takes you to the other side. With her signature humor, heartfelt honesty, and intimate true-life stories, #1 New York Times bestselling author Rachel Hollis shows readers how to seize difficult moments for the learning experiences they are and the value and growth they provide. Rachel Hollis sees you. As the millions who read her #1 New York Times bestsellers *Girl, Wash Your Face* and *Girl, Stop Apologizing*, attend her RISE conferences and follow her on social media know, she also wants to see you transform. When it comes to the "hard seasons" of life—the death of a loved one, divorce, loss of a job—transformation seems impossible when grief and uncertainty dominate your days. Especially when, as *Didn't See that Coming* reveals, no one asks to have their future completely rearranged for them. But, as Rachel writes, it is up to you how you come through your pain—you can come through changed for the better, having learned and grown, or stuck in place where your identity becomes rooted in what hurt you. To Rachel, a life well-lived is one of purpose, focused only on the essentials. This

is a small book about big feelings: inspirational, aspirational, and an anchor that shows that darkness can co-exist with the beautiful.

The idea that you could be more but got in your own way should wake you up in the middle of the night. Dave Hollis used to think that "personal growth" was just for broken people, then he woke up. When a looming career funk, a growing drinking problem, and a challenging trek through therapy battered Dave Hollis, a Disney executive and father of four, he began to realize he was letting untruths about himself dictate his life. As he sank to the bottom of his valley, he had to make a choice. Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In *Get Out of Your Own Way*, Dave tackles topics he once found it difficult to be honest about, things like

his struggles with alcohol and his insecurities about being a dad. Offering encouragement, challenges, and a hundred moments to laugh, Dave will help you: Discover the way for those of us who are, like he was, skeptical of self-help but wanting something more than the status quo Drop negative ideas about who we are supposed to be and finally start living as who we really are See our own journeys more clearly as he unpacks the lies he once believed—such as “I Have to Have It All Together” and “Failure Means You’re Weak” Learn the tools that helped him change his life, and may change your life too Get Out of Your Own Way is a call to arms for anyone who’s interested in a more fulfilled life, who, along the way, may have lost their “why” and now wonders how to unlock their potential or be better for their loved ones.

Checklist Manifesto, The (HB) - Atul Gawande
2010-04

We live in a world of great and increasing complexity, where even the most expert professionals struggle to master the tasks they face. Longer training, ever more advanced technologies-neither seems to prevent grievous errors. But in a hopeful turn, acclaimed surgeon and writer Atul Gawande finds a remedy in the humblest and simplest of techniques: the checklist. First introduced decades ago by the U.S. Air Force, checklists have enabled pilots to fly aircraft of mind-boggling sophistication. Now innovative checklists are being adopted in hospitals around the world, helping doctors and nurses respond to everything from flu epidemics to avalanches. Even in the immensely complex world of surgery, a simple ninety-second variant has cut the rate of fatalities by more than a third. In riveting stories, Gawande takes us from Austria, where an emergency checklist saved a drowning victim who had spent half an hour underwater, to Michigan, where a cleanliness checklist in intensive care units virtually eliminated a type of deadly hospital infection. He explains how checklists actually work to prompt

striking and immediate improvements. And he follows the checklist revolution into fields well beyond medicine, from disaster response to investment banking, skyscraper construction, and businesses of all kinds. An intellectual adventure in which lives are lost and saved and one simple idea makes a tremendous difference.

Girl, Stop Passing Out in Your Makeup -

Zara Barrie 2020-05-19

“Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f*cked up girl in this f*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey.”—Dayna Troisi, Executive Editor, GO Magazine “Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and

she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful.”—Alexia LaFata, Editor, New York Magazine “If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie.

She's got Marnell's casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together.”—Candice Jalili, Senior Sex & Dating Writer, Elite Daily
