Love Is The Answer - Sharon Cheney 2018-07-24

Discover the Power of Love to Heal and Transform Your Life. Love is universal, and every human craves it. Regardless of age, sex, race, status, or any other factor, we all need love to survive and thrive. But getting the love you want and letting it in is easier said than done. This book will make you fall in love with yourself again, transforming your relationships and allowing you to live an extraordinary life. The Search for Love That Never Ends. The word "love" is so overused and misused today that many of us are left wondering what it really means when someone says "I love you." But spiritual seekers and quantum physicists alike know that love is the driving force of the universe. It is the stuff that all human beings crave, and it exists in many forms and manifestations. Sharon illustrates the irony of a culture that idealizes love when so many people fail to love themselves. We hunger for what we don't have and constantly look for love outside of ourselves. She has packed the book with helpful advice on how you can learn to love and accept yourself unconditionally, allowing you to experience all the love you need without having to chase it or sacrifice your values in order to get others to like or love you. Love is the Answer looks at the many faces of love - from romance, friendship, and family relationships to love of humanity and self-love. You'll discover the incredible impact love has on our lives (and how the lack of love can wreak havoc in your life in mysterious and terrible ways). If you've experienced trauma, addiction, or recurring destructive patterns in relationships, love is the transformational key to breaking through and overcoming the chains that have been holding you back from living your dream life. Through radical self-love, you'll discover a new relationship with yourself and the people in your life. During her career as a relationship coach, author Sharon Cheney found that many people suffer from a lack of self-love, causing them to continually search for love and acceptance from others. This constant search for love leaves us starved and isolated, and can often cause us to pursue unfulfilling goals and relationships. When you feel stuck grasping at goals and relationship ideals that seem unattainable, love is what you're really looking for. The inspiration for Love is the Answer came from a remarkable event that happened in 2010. Sharon had an unusual experience: an opening of her heart, after which she became much more sensitive to the feelings of others, and could instantly experience everything they felt. She became aware of how her words impacted others and how we affect each other in our daily interactions. The experience changed Sharon's life so much that she wanted to share her newfound knowledge so others could enjoy the benefits of transformation through love. In this, her third book, she offers practical guidance on how we can learn to love and accept ourselves unconditionally. The book is filled with fascinating observations and practical advice on how to master self-love to attract the love we all want in life. For a better life and a better world, love truly is the answer. Scroll up and click "buy now" to bring more love into your life and our world.

The Love You Hate - Rachel Robinson 2021-07-12

An enemies to lovers, standalone novel in The Charge Men Series. A steamy, 18+ standalone novel. Nate Sullivan Keep this chick alive. Don't let her know I'm her bodyguard. What should be an easy task, something I'm trained for, and well practiced in, is a living nightmare. Presley is moody, thinks she's funny when she's not, impossible to track down, and highly unpredictable. As her Charge Man, I'm responsible for keeping her heart beating. The thing is, the closer I get to her, the more my own heart starts beating... for her. Charge Men don't ever fall in love. Especially with their infuriating Principals. It's forbidden. Presley Cohen I went into a protection program after my father tanked the world's economy. He is quite literally the most hated man in the world. Because of that, I'm a target. Gold Hawke, Colorado, isn't a place anyone dreams of visiting, let alone, living. It's a far cry from the glamorous, billionaire lifestyle I'm accustomed to, but at least I'm breathing. I created a redo bucket list. It's filled with things I would never be able to do in my former life in the spotlight. My new frenemy, Nate Sullivan, is infuriated by my list, but who doesn't want to join a roller derby team? Or strip at a strip club? Or ride a bull? Or make that exasperatingly attractive good guy fall in love with you? I have nothing left to lose.
