

History S Passions Stories Of Sex Before Stonewall

Cub - Jeff Mann 2014

Not every gay teen yearns for fashion and popular culture. Some boys are pure country folk and like the feel of flannel and the smell of the farm. And they're neither lithe nor muscle-bound but stocky boys, the ones who develop hairy chests, arms, and faces years earlier than their peers. One such seventeen-year-old is Travis Ferrell, shy among most of the other kids at school, but proud of his West Virginia roots. He has not yet admitted his passion for handsome guys--and his idea of what handsome is and what handsome does is not much different from him. Soon he'll learn that he's not unique; gay culture has a name for young men like him. Cubs. Lambda Literary Award-winning author Jeff Mann has written a touching romance for the outsider in us all.

Wholehearted - Ronica Black 2012-02-01

Healing, respect, and empathy are what the H&S Ranch promises when helping troubled juveniles. Madison Clark hasn't had much trouble in allowing teens to help care for her recovering horses. But then in walks Jake, a know-it-all thirteen-year-old with a smart mouth and a strong penchant for trouble. What's worse is what's behind him—his uptight, opinionated lawyer aunt, Grace Hollings. Madison does her best to ignore her, but focusing solely on Jake isn't always possible. Grace Hollings is convinced nothing can help her nephew, especially Madison Clark and her feel-good horse ranch. Unfortunately, Jake's presence there is court ordered so Grace does her best to keep an eye on him, and on Madison, who is way more than she originally gave her credit for. Her calm strength and good looks are powerful and just the tip of the iceberg, leaving Grace green with jealousy. Not just because Jake is thriving and has taken to Madison over her, but because Grace is beginning to be taken by the ranch owner as well... Wholeheartedly so

Purgatory - Jeff Mann 2012

During the Civil War, two young soldiers on opposite sides find themselves drawn together. One is a war-weary but scholarly Southerner who has seen too much bloodshed, especially the tortures inflicted upon the enemy by his vicious commanding officer, his uncle. The other is a Herculean Yankee captured by the rag-tag Confederate band and forced to become a martyr for all the sins of General Sheridan's fires. When these two find themselves admiring more than one another's spirit and demeanor, when passions erupt between captor and captive, will this new romance survive the arduous trek to Purgatory Mountain?

With each step on the trail to find her, Jan realizes the girl is running to the same part of Idaho she fled, a digital age version of her father's way of life. Complicating her mission is the new owner of the security firm she works for, a former British agent who has her own secrets to hide. When the sparks fly between them, Jan finds Catherine wanting to share not only her bed, but also her quest to find the missing teen. The journey to the deep woods of Idaho is a voyage to the heart of darkness for Jan, where the reality of her past can no longer be contained, nor her feelings for Catherine denied.

History's Passions: Stories of Sex Before Stonewall - Richard Labonte 2011

Four acclaimed erotic authors re-imagine the past... welcome to the hidden queer history of men loving men not so very long--and centuries--ago. In "Heaven on Earth," Lambda Literary Award-winner editor and author Simon Sheppard evokes a noirish Depression-era setting for Wichita rich kid Eli who, with an innocent young gas station attendant as his sidekick, embarks on a bloody, lust-fueled crime spree: Bonnie and Clyde meet Leopold and Loeb. In "Camp Allegheny," Lambda finalist Jeff Mann recounts a clandestine Civil War romance between two Rebel soldiers whose passionate lovemaking survives bitter winters, life-threatening sickness, and bloody fighting during the real-life Battle of Allegheny in 1861 and the Battle of McDowell in 1862. In "Tender Mercies," Dale Chase imagines the world of young Luke Farrow, a failure at prospecting during the California Gold Rush who succeeds in the more lucrative role of camp boy, where physical violence is as much a part of a rough, raw world as is selling sex for nuggets of gold--until a surprisingly tender man comes into Luke's life. In "The Valley of Salt," David Holly blends legend with lust in the beautiful city of Gomorrah more than 3,000 years ago, where the Priests of Ball summon a beautiful young man as a temple sacrifice-- which means he's now the indoor sport of the legendary city's sexually potent warriors, until taken captive during the Battle of the Vale of Siddom.

The Other Man - Paul Alan Fahey 2013-05-19

Who is the other man? He's an accident waiting to happen: the skateboarder round the bend, the smiling barista with the extra hot mocha, the computer geek eager to retool your mate's hard drive. He's a relationship gatecrasher bound by no rules and with no sense of fair play. Like Caesar, he comes, he sees, he conquers. On the flip side, you or I can be the other man, charging in and breaking the bonds of a committed relationship without a thought to the pain and misery inflicted upon the injured parties. Face it: We're not all innocent bystanders in other-man scenarios. The Other Man is an artistic collaboration by and about gay men and their relationships. If you've ever been the other man, had him invade your life, or are just plain curious about this beguiling, unpredictable and dangerous creature, then this anthology of personal essays is for you. Twenty-one of our most acclaimed authors, many Lambda Award winners and finalists, write candidly about either being the other man, suffering the other man or having their relationships tested by infidelity. What they tell us is we must take heart, it does get better and one day our luck is bound to change. We'll survive the bumps and detours in our relationships and weather the storms, or resolve to move on. Along the way, we'll hope to meet someone new and simpatico, maybe even our long-awaited soul mate. Life will be good again. Or will it? Under the scrutiny of the familiar monsters of the Third Reich, these four struggle for life, decency, and each other. Love does not conquer all, but it's better than going to hell alone.

But this Gang That Can't Do Anything Straight quickly finds its plans complicated by corrupt congressmen (and their gay aides); an “ex-gay” conference; an FBI investigation; the unexpected appearance of a long-lost relative; and—most jarring for these born-and-bred New Yorkers—life in the northern Virginia suburbs. And then there is Dr. Oscar Hurley—founder of the church—and his right-hand man, the Rev. Dennis Merribaugh, who prove themselves every bit as adept as the professionals when it comes to larceny...
