

Homosexuality Getting Free Staying Free

Free at Last - Maile Lani
2017-03-28

Free at Last is an amazing true story not only of hurt, pain, and suffering but also one of healing, hope, restoration, and of intimacy with a living God. It takes you from the ruthless streets of drugs, crime, and prison to the foot of the cross, where her life's direction would change forever. There is hope in the pages of this heartfelt book. Society looks at the drug addict, prostitute, and homosexual as worthless and a throwaway. While God looks at us as his beautiful, redeemed children, Maile shares her experiences in the hope that other women will find healing and wholeness as she has. Her encounter with God was and still is a life-changing experience. This story of hope is an account of a merciful,

loving Savior, who brings light out of darkness and joy out of sorrow and pain.

Living It Out - Rachel Hagger-Holt 2009

Lesbian, gay and bisexual Christians can be found in every shape, size or type of church and following their faith outside the church. They are constantly talked about, but their voices, and those of their friends and families, are rarely heard. This unique book is filled with their stories and offers plenty of practical, positive help on managing relationships with God, the church and other people. Attitudes to homosexuality have become a defining issue for many churches, with impassioned arguments being put forward on different sides of the debate. This book shows how individuals and churches

can live out their faith with integrity in spite of the arguments and sensationalism.

A Natural History of

Homosexuality - Francis Mark Mondimore 1996-10-30

And he focuses on the process by which individuals come to identify themselves as homosexual, the sensitivity of children to their own sexual identities, and the psychological effects of the stigmatization of homosexuality on adolescents.

The Cumulative Book Index - 1994

A world list of books in the English language.

Homosexuality According to the Bible

- Geraldine Carr 2013-05-31

This book is what I believe will be spiritual eye opener too many that are spiritually blind. It will unblock deaf ears that have been closed to the truth. It will touch the hearts, minds, and souls of thousands who're really wondered is this right or am I just finding myself. Many will be saved, delivered and set free from the demons of homosexuality, lesbianism, and

bi-sexuality. Many will look at the cover and choose not to know the truth so they will remain slaves to the sexual sins of perversion. Trapped by what they believe to be a thing called love.....

People to Be Loved - Preston Sprinkle 2015-12-08

Christians who are confused by the homosexuality debate raging in the US are looking for resources that are based solidly on a deep study of what Scripture says about the issue. In People to Be Loved, Preston Sprinkle challenges those on all sides of the debate to consider what the Bible says and how we should approach the topic of homosexuality in light of it. In a manner that appeals to a scholarly and lay-audience alike, Preston takes on difficult questions such as how should the church treat people struggling with same-sex attraction? Is same-sex attraction a product of biological or societal factors or both? How should the church think about larger cultural issues, such as gay marriage, gay pride, and whether

on 2021-07-12 by guest

intolerance over LGBT amounts to racism? How (or if) Christians should do business with LGBT persons and supportive companies? Simply saying that the Bible condemns homosexuality is not accurate, nor is it enough to end the debate. Those holding a traditional view still struggle to reconcile the Bible's prohibition of same-sex attraction with the message of radical, unconditional grace. This book meets that need. Freedom Realized - Stephen Black 2017-11-17

Freedom Realized is a passionate call to hold the front line of holiness concerning true and lasting freedom in Christ, as well as a practical ministry guide for "ex-gay" ministries, pastoral care ministries that really help people overcome homosexuality. Insider Stephen Black presents clear evidence that former gays and lesbians are finding lasting freedom from a life defined by "gay" identity fallacies. The results of First Stone Ministries' groundbreaking, long-term survey highlight the freedom

former homosexuals are finding through Christ and the power of the gospel. Freedom Realized brings you the behind-the-scenes story of the collapse of the Exodus International ministry to homosexuals, common causes for homosexuality, and real-life illustrations of effective ministry approaches. Readers will also discover: Deceptive messages that lower the bar of biblical standards and hinder freedom What works and what doesn't in "ex-gay" ministry Why some fail and go back into darkness Insight from 16 seasoned leaders in overcoming same-sex attractions

Sex and the Sacred - Daniel A Helminiak 2012-12-06

A down-to-earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God. Dr. Daniel Helminiak, author of the best-selling What the Bible Really Says about Homosexuality,

looks at the relationship between sexuality and spirituality, first, from a humanistic perspective and, then, a more familiar Christian point of view. In particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique book emphasizes spiritual commitment as an essential facet of LGBTI/queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing, and the ethics of gay sex. *Sex and the Sacred* combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization

became so sex-negative. *Sex and the Sacred* presents in the end a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the gay/lesbian/bisexual/transgender community, non-religious spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. *Sex and the Sacred* examines: the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sex—queer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community
God and the Gay Christian - Matthew Vines 2014-04-22
“*God and the Gay Christian* is a game changer. Winsome,

accessible, and carefully researched, every page is brought to life by the author's clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation's most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed." — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled*

As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex

orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful

Undivided: Coming Out, Becoming Whole, and Living Free From Shame - Vicky

Beeching 2018-06-12

Vicky Beeching, called "arguably the most influential Christian of her generation" in The Guardian, began writing songs for the church in her teens. By the time she reached her early thirties, Vicky was a household name in churches on both sides of the pond.

The Loyal Opposition - Tex Sample 2000

No issue more polarizes American Protestants today than the church's stance on homosexuality. In recent years, a number of denominations have engaged in prolonged and divisive debates on the subject, and it appears that these debates will continue to occupy their attention. The contributors to this volume call for the formation of a "loyal opposition" that is serious in its commitment to the difficult process of reconciliation and forgiveness. Faithfulness to the gospel, they remind readers, requires nothing less than that

Christians will be committed to the full inclusion of all persons in the body of Christ--not least of all those who disagree theologically and ethically. The book offers readers a multifaceted argument that the gospel requires a commitment to the full inclusion of all persons in the body of Christ. It focuses on how members of mainline denominations can respond to official denominational positions with which they disagree. Readers are offered an alternative response besides staying in the denomination and remaining silent or leaving the denomination because one disagrees with its official position on this issue.

Contributors include: J. Philip Wogaman, Roy Sano, Stanley Hauerwas, Jeanne Audrey Powers, Victor Paul Furnish, Dale Dunlap, Gil Caldwell, and Joretta Marshall. Foreword by Leontine Kelly.

Living Gay - Donald H. Clark 2013

Ever since the publication of the best-selling book Loving Someone Gay, clinical

*Downloaded from
legacy.opendemocracy.net
on 2021-07-12 by guest*

psychologist Donald Clark has received a constant stream of letters from readers who wanted to share something important with him. Sometimes they have questions, sometimes they just want to talk to a kindred spirit. Clark writes: "The first few months after publication were disorienting, since I was trying to maintain my normal life as a clinical psychologist in private practice, a teacher, and, more important, a father and a lover, while doing publicity tours, media interviews and autograph parties. I was so distracted that I did not realize until months later how much I had learned during that period. But slowly I recognized that a common thread ran through the letters and the comments of people I was meeting. They said they appreciated learning about me in the book, because it was helpful to identify with my experience, thoughts, and feelings and those of my clients and friends. It took a while but I got the message. Readers wanted more and they wanted it in the form of simple truth

about me and the people I know. One day I realized that this book had been taking shape in my mind for a long time. A friend asked what the next book was going to be about and without a moment's hesitation I said 'About living, loving, aging and dying as seen from a gay perspective.'" So Clark released *Living Gay* in 1979. Lethe Press is pleased to reissue this wonderful book that offers inspiration and insight into being gay--though decades have passed since the original volume was released and LGBT rights are no longer whispered in the shadows of our communities, Clark's wisdom about leading life in a positive and fulfilling way without denying same-sex desire is neither dated nor ephemeral. *Living Gay* is a book that still welcomes 21st century readers and encourages their lives, loves, and spirits.

Homosexuality - Andy Koornstra 1991

Lesbian, Gay, Bisexual and Trans* Individuals Living with

Dementia - Sue Westwood

2016-04-28

This groundbreaking collection is the first to focus specifically on LGBT* people and dementia. It brings together original chapters from leading academics, practitioners and LGBT* individuals affected by dementia. Multi-disciplinary and international in scope, it includes authors from the UK, USA, Canada and Australia and from a range of fields, including sociology, social work, psychology, health care and socio-legal studies. Taking an intersectional approach - i.e. considering the plurality of experiences and the multiple, interacting relational positions of everyday life - LGBT Individuals Living with Dementia addresses topics relating to concepts, practice and rights. Part One addresses theoretical and conceptual questions; Part Two discusses practical concerns in the delivery of health and social care provision to LGBT* people living with dementia; and Part Three explores socio-legal issues relating to LGBT* people

living with dementia. This collection will appeal to policy makers, commissioners, practitioners, academics and students across a range of disciplines. With an ageing and increasingly diverse population, and growing numbers of people affected by dementia, this book will become essential reading for anyone interested in understanding the needs of, and providing appropriate services to, LGBT* people affected by dementia.

Homosexuality - Mya Huff

2014-08-12

Homosexuality: Dispel the Myth, Mend the Broken Pieces is a book about encouragement, redemption, and hope. As a body we are called to share the Gospel of Jesus Christ in compassion, truth, and in love. Truth sometimes manifests conviction. Conviction is not condemnation, it is grace. If anyone is struggling with the lifestyle openly or in secret, this book is definitely for them. Do you have questions about being born gay, the "gay

church," how to deal with past heartbreaks, how the body of Christ should minister to homosexuals, how to parent a child who may be struggling, or how to break the cycle of unforgiveness in your life? Do you simply want to know if it's possible to be free and stay free from homosexuality?

Christ died for us while we were yet sinners (Romans 5:8), which means your freedom was purchased before you knew you were bound. Freedom begins with one choice. The divine search and rescue mission for your soul begins at the moment you surrender. Let Christ Jesus grant you a new life. It's time to try something new.

How I Came Out and Stayed Out - Astacia Jones 2019-06-10

How I Came Out and Stayed Out is a life-changing book that demonstrates God's ability to bring healing, freedom, and complete transformation to anyone. Many people today don't understand the resurrection power of Jesus and live convinced that they can't get out of bondage. Astacia explains how the real

power of God interrupted her life while leaving a New Year's Eve party in 2008 in Dallas, TX. After a near-death experience, she heard the voice of God and it drastically changed the course of her life. In her bare-all story, she walks you through the pain that led her to a lifestyle of homosexuality and the process she took to get free. This book is an encouragement for those struggling with same-sex attraction and for anyone who struggles with understanding individuals within the homosexual community. You'll also learn valuable tools to help you get freedom in any area of your life where you want to "come out" of bondage

Free Your Mind - Ellen Bass 1996-05-10

In a groundbreaking book that weaves together their professional experience with the lively, poignant, immediate voices of dozens of gay and lesbian youths, the authors provide an invaluable step-by-step guide to empowering gay youth to understand, accept and celebrate their sexual

[Christians Leave the Homosexuals Alone](#) - Maggie Charles 2017-10-05

Abominations do exist in the Church of Jesus Christ. Maggie Charles shares some insight on how homosexuality is not the only abomination in the Bible. She wants the church to be aware of those sins that are holding up the church's spiritual advancement. She has listed a few abominations that are listed in the Bible that every Christian who is not aware of them must know, such as • A proud look • A lying tongue • Hands that shed innocent blood • A heart that devises wicked imaginations • Feet that be swift in running to mischief • A false witness that speaks lies • A sower of discord Maggie believes that it is God's divine will for a Christian to live a sin-free life. That's why He sent His only

Begotten Son, Christ Jesus, to show us that it is possible. She also believes that living a sin-free life must be the goal of every Christian who wants to make it to heaven. She explains that an abomination is a sin, how God hates sin, and no sinner will inherit the kingdom of God. She's strongly convinced that we can live an abomination-free life as Christians, if we do the Word. Maggie Charles puts a lot of emphasis on how the people of God can overcome the abominations that are listed in the Bible. She explains that there is a misconception in the church that homosexuality is the only abomination that displeases God. That's not what the Bible says. She has proven that with many insightful biblical scriptures in this book. She has shown us how God can help us to get rid of those abominations that can put a stumbling block between our relationships with Him. The knowledge you will get from this book will be an eye opener.

Maggie also states that Christians are losing their focus on how important it is for them to examine their own life on a daily basis by doing an auto-critic per se. She recommends us to set our spiritual priorities in order and to mind our own business, as Christians. Most importantly, she counsels us to love one another. By reading this book, you will find out where you are in your spiritual life and what to do to move forward.

Wicked - Vanessa Clemmons
2017-12-18

This book is my testimony of how I came out of homosexuality and to reveal Gods truth in love, by helping as many people as I can that is looking for a way out and can't seem to find freedom. To anyone that needs a clear understanding on the lifestyle and the truth behind it. This book is to break the stigma off of the homosexual agenda and church by helping other to become free from sin and free in the peace and truth of God.
