Running Like a Girl Alexandra Heminsley 2013-10-08 The inspiring, hilarious memoir of a “Bridget Jones-like writer” (The Washington Post) who transforms her life by learning to run, with stories of miserable defeat, complete victory, and learning to choose the right shoes. When Alexandra Heminsley decided to take up running, she had hopes for a blissful runner’s high and immediate physical transformation. After eating three slices of toast with honey and spending ninety minutes creating the perfect playlist, she hit the streets—and failed spectacularly. The stories of her first runs turn on its head the common notion that we are all “born to run”—and exposes the truth about starting to run: it can be brutal. Running Like a Girl tells the story of getting beyond the brutal part, how Alexandra makes running a part of her life, and reaps the rewards: not just the obvious things, like weight loss, health, and glowing skin; but self-confidence and immeasurable daily pleasure, along with a new closeness to her father—a marathon runner—and her brother, with whom she ultimately runs her first marathon. But before her first marathon, she has to figure out the logistics of running: the intimidating questions from a young and arrogant sales assistant when she goes to buy her first running shoes, where to get decent bras for the larger bust, how not to freeze or get sunstroke, and what (and when) to eat before a run. She’s figured out what’s important (pockets) and what isn’t (appearance), and more. For any woman who has ever run, wanted to run, tried to run, or failed to run (even if just around the block), Heminsley’s funny, warm, and motivational personal journey from nonathlete extraordinaire to someone who has completed five marathons is inspiring, entertaining, practical, and fun.

[A Girl Like That](#) Tanaz Bhathena 2018-02-27 Fascinating and disturbing.” —Jodi Picoult, #1 New York Times–bestselling author of Small Great Things and Leaving Time A timeless exploration of high-stakes romance, self-discovery, and the lengths we go to love and be loved. Sixteen-year-old Zarin Wadia is many things: a bright and vivacious student, an orphan, a risk taker. She’s also the kind of girl that parents warn their kids to stay away from: a troublemaker whose many romances are the subject of endless gossip at school. You don’t want to get involved with a girl like that, they say. So how is it that eighteen-year-old Porus Dumasia has only ever had eyes for her? And how did Zarin and Porus end up dead in a car together, crashed on the side of a highway in Jeddah, Saudi Arabia? When the religious police arrive on the scene, everything everyone thought they knew about Zarin is questioned. And as her story is pieced together, told through multiple perspectives, it becomes clear that she was far more than just a girl like that. This beautifully written debut novel from Tanaz Bhathena reveals a rich and wonderful new world to readers; tackles complicated issues of race, identity, class, and religion; and paints a portrait of teenage ambition, angst, and alienation that feels both inventive and universal.

Learning Like a Girl Diana Meehan 2007-05-22 An educator's account of why and how she founded an innovative girls' school. Faced with a spirited 11-year-old daughter, a concern about what therapists have called a "poisonous" youth culture, and a conviction that parents need powerful tools to help their daughters realize their potential, educator-activist Diana Meehan was disappointed in the schools available. So she decided along with two other mothers to create one, based on social science and brain research on how girls learn best. The result, The Archer School in Los Angeles, has in just ten years become a model for girls' schools nationwide. Meehan describes her obstacle-ridden journey to create a new institution to serve girls first and foremost, while laying out what girls need to thrive. She also visits other schools, private and public, to show how single-sex education works, and how every girl can benefit.--From publisher description.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free] If anyone had told me I'd be amazing and confident in getting women some years ago, I wouldn't believe. I have been through what you're going through. I was scared to approach and talk to the women I liked. After so much frustration, I decided enough was enough-just the same way you have finally decided and ended up here, which is the best place to discover all the things dating gurus will never tell you about approaching beautiful women the right way. In Chapter 1, WWWW, we gave a list of words that'll appear as we learn the craft of approaching a woman. We discussed the only two types of ways to woo her which are ID (In-Direct opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to

woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations. In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more. Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline.
