Unprotected - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has

treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zolof. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

Better Than the Movies - Lynn Painter 2022-07-26

A USA TODAY and New York Times bestseller Perfect for fans of Kasie West and Jenn Bennett, this "sweet and funny" (Kerry Winfrey, author of *Waiting for Tom Hanks*) teen rom-com follows a hopelessly romantic teen girl and her cute yet obnoxious neighbor as they scheme to get her noticed by her untouchable crush. Perpetual daydreamer Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he's back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbor might seem like a prime candidate for romantic comedy fantasies, but Wes has only been a pain in Liz's butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz's in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she's shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.

But the course of love - and sexuality - never did run smooth. In the ashes of a dying world, Red finds a letter marked "Burn before reading. Signed, Blue." it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's

wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

How to Fix a Broken Heart - Guy Winch 2018-02-13

'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.' ESTHER PEREL, BESTSELLING AUTHOR OF THE STATE OF AFFAIRS AND MATING IN CAPTIVITY Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. How to Fix a Broken Heart argues that if we don't understand how heartbreak works, we won't be able to heal it and

we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function. Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We

can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of Wait But Why?
